Mans Touchstepping Into The Shoes Only A Dad Can Fill:

Goodbye, My Tribe Vic Sizemore, 2020-04-14 *Goodbye My Tribe* An Evangelical Exodus is Vic Sizemore's collection of personal essays chronicling two simultaneous transformations. One is the gathering of unconnected and nonpolitical evangelical congregations across the nation into the political juggernaut called the Religious Right; the other is the author's own coming to terms with the emotional and spiritual trauma of his life deep inside fundamentalist Christianity and his struggle to free himself from its grasp. Sizemore, whose father was a preacher and professor at a small West Virginia Bible college, attended Liberty University in Lynchburg, Virginia, arguably the crucible of American evangelical Christianity. Sizemore began writing these essays with the aim of exploring and understanding what happened when the mythology of his tribe crumbled from beneath his feet. He draws heavily on his upbringing and his family history as a framework for how his tribe of white evangelicals have found ways to reconcile Christianity with what the author finds to be troubling stances on many social issues among them: race, gender, sexuality, materialism, anti-intellectualism, and white supremacy. In a clear-eyed and eloquent voice, Sizemore grapples movingly with his own bewilderment and chagrin as he struggles to reconcile the essential philosophical and moral decay that he believes many evangelicals have come to embrace. His insights are arranged topically and thematically and told through graceful and accessible prose, toggling between memoir and literary journalism along a spectrum that touches on history, philosophy, theology, and personal reflections. *A Man's Touch* Charles F. Stanley, 1992 LBC Collection copy was presented to Lancaster Bible College in honor of Charlie Jones for the Charles Gloria Jones Library. JC Collins **The Texan's Bride** Linda Warren, 2011-10-04 Sheltered her entire life. Jessie Murdock has rarely gotten her way. Until her dying father makes a deal with Cadde Hardin. Cadde will get shares of Shilah Oil on one condition: marry Jessie. In love with him for years, Jessie doesn't hesitate to sign the papers. But she didn't sign up for a completely absent husband. Now Jessie has a counter offer: She'll give Cadde controlling interest of the business if he'll give her a baby the natural way. Only he has a few caveats of his own. When life refuses to follow their written plan, Jessie and Cadde have to decide which is more important: their unspoken love or the family business. P 4 of cover **The Higher Desire Wife** J. Meyer, 2025-07-17 Not only a wayward journey of living life and beating the odds this book is an inspiring romantic and sometimes clever venture through the grittiness of being human It's about surviving both the wilderness of the great outdoors and of the soul Just let the troubled kid grow out of it the doctors insisted Their misdiagnosis of a nerve condition trapped Steven inside his introverted world On the outside he became strong and fast but inside he only grew more inwardly Confined within the walls of his vivid dreamworld like a lit fuse his adolescent years were on fire leaving a trail of rebellion and breaking the rules from living harder than the loneliness and pain warring inside His life calmed but never tamed once he discovered the hunger of the blank page in his late teens While writing ignited his imagination to life it wasn't until in his mid twenties when a white puppy brought steady companionship into Steven's life As they began their 14 year journey of roaming the open road Ghost grew into a beautiful dog and quite the ham Despite Steven's awkwardly social demeanor he crossed paths with wanderers loners and those searching for a place in this world misfits like himself adding adventure and romance to his own search of finding his place in this world Along the way Steven stumbled upon God The rules of religion couldn't hold him either finding himself instead wrestling with the creator of this universe more so than walking with Him He could never part with that daredevil spirit causing the second half of this book to be more thrilling than the first To write a book felt daunting because Steven had never written for anyone to read Ten years soared by and as the writing of it transformed into the greatest adventure of his life infused between the lines is a literary magic beyond him which occurs when a book and its writer merge into one Not only are some of the challenges and lessons learned the hard way of creating this book included in his memoir breathed into his story is what writing this book has burned into Steven's own heart
