questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance  
 graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning  
 the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement  
 comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as  
 excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned Scholars  
 believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work that
