We Do Not Die Hilton Hotema, 1996-09-1959 Content: Man Does Not Die We Do Not Die the Supreme Power Kingdom of God the Ancient Symbol Life and Man an Imaginary Being Consciousness Life Eternal Why We Live Spiritual Consciousness Crucified God Myth Seven Sense Power Finding the Ancient Secret of Personal Power Hilton Hotema, 2018-12-05 In the Great Mystic Symbolic Tetragrammaton of the Ancient Masters we have one of their deepest secrets: the discovery of what the Masters called the Sacred Four Elements as they found that these elements enter into the constitution of everything known. Earth, Water, Air, and Fire are the elements that produce every formation, every object, every organism. The Masters then invented an appropriate symbol to embrace the Sacred Four Elements. This symbol is known to us as the Sphinx, the image of which has been found in all the lands of the ancient world and just as far back in the night of time as it is possible for us to go. Professor Hilton Hotema again raises compelling questions regarding our physical, spiritual, and mental reactions to these Sacred Four Elements

Mind-Power Hour Part 1 Dr. Roger Duncan, 2024-09-17 This book has been my father's passion project and has taken him more than twenty-five years to complete. My father's dream for all humanity: every living and breathing human being has been for people to understand universal principles pertaining to self health and well-being. Enough! Stop being a human wanting. The Mind Power Hour was written to empower those who truly desire to be enlightened about self. Who are you? This book is a journey into self-discovery. Human beings have all the fun. What have you been training for? Let's tap into your personal, special, and unique spirit, self, the mind. We have all heard at one time or another that the mind is a terrible thing to waste. I agree. Worse than that is that the mind that is not trained is a terrible hand to bet on for everything that is important in one's life. So let's train. Your power, everyone's superpower is one's mind, thought processes. Thinking, thinking, thinking simple as that. That's all we do. Train your brain to believe and achieve any and all things you think about. Battles are won and lost first in the seclusion and privacy of our own minds. I guarantee more wins once you decide it's a good idea to have a sharp-trained mind. Boxers don't just jump in the ring and start fighting; they train, train, train and train some more. I would say the game of life is worth winning. So let's plan the work and work the plan. Success awaits you
