competition was fierce when rivalries put not only talent but also mental strength at stake I won world titles in Formula 1 facing brilliant opponents such as Alain Prost and I realized that success does not depend only on a competitive car but on focus courage and the commitment to do everything well or simply not do it They always ask me where so much desire to win came from I believe that part of it was born from the love I had for my country and my family Knowing that there were millions of Brazilians waking up at dawn to watch me hoping that I would bring joy to them gave me extra energy for each overtaking And I with an open heart know that the important thing is to win Everything and always This story that the important thing is to compete is nothing more than pure demagoguery The British National Bibliography Arthur James Wells,1993 *Almanack for the Year of Our Lord ...* ,1991 *The Greatest Racing Driver* Angus Dougall,2013 Who has been the world s greatest driver and how do you prove it With an eye for detail and a flair for storytelling this book explores motor racing s rich history in pursuit of the best driver the world has ever seen Most enthusiasts have a strongly held opinion as to racing s finest driver over the century of the motor car By putting aside bias and personal opinion this book s exhaustively researched results based analysis provides a definitive answer through clear and logical evaluation These carefully considered significant statistics when merged together reveal with incisive objectivity motor sport s greatest driver as well as the qualities that define greatness Contentious Possibly Thought provoking Definitely Author Angus Dougall captures many aspects of the motor racing world with a selection of revealing anecdotes on the highlights of racing s biggest stars together with stories that bring to life people places insider s opinions of drivers circuits constructors politics insights and comments on many of the drivers For readers wishing to peruse the actual detail there is a vast array of appendices displaying extensive race results lists charts on driver performance and car analysis Motor racing fans climb on board and hold on for an intriguing ride to the pinnacle of greatness *Formula One Racing For Dummies* Jonathan Noble,Mark Hughes,2004-10-22 Get to know what Formula One racing is all about This book delves into the strategy technology and spiritneeded to win a Formula One race Every angle of a race weekend iscovered in detail from scrutineering to pitstops to podium You ll also read about the rivalries and politics that haveturned the sport into a global televised drama Illustrated withblack and white photographs Formula One Racing For Dummies willserve the die hard spectator or armchair fan alike Discover how to Identify race strategies Understand the role of each team member Master the latest rules and regulations Appreciate a Formula One car s cutting edge design Enjoy Formula One from the stands and on TV The Dummies Way Explanations in plain English Get in get out information Icons and other navigational aids Tear out cheat sheet Top ten lists A dash of humour and fun *McLaren Formula 1 Car by Car* Stuart Codling,2024-06-04 Explore 60 thrilling years of McLaren Formula 1 race cars in this handsome volume complete with detailed specs stunning photography a foreword by twice World Champion Mika H kkinen and the full competition record for every car McLaren has been a top Formula 1 competitor and innovator since it fielded founder and driver Bruce McLaren s first car the M2B in 1966 Just two years later Bruce scored the

Four-time Formula One Drivers Champion Alain Prost is one of the best racing drivers of all time. Having discovered karting at the age of 14 during a family holiday, Prost progressed through motorsport's junior ranks, winning the French and European Formula Three championships, before joining the McLaren Formula One team in 1980 at the age of 24. In his six seasons with McLaren, Alain Prost won 30 races and three driving titles, and in 1985 he became the first French World Champion. In 1986 he became the first back-to-back champion since Jack Brabham 26 years earlier. In 1987 his 28th Grand Prix victory beat Jackie Stewart's 14-year-old record. However, in 1988 his brilliant new team mate Ayrton Senna won eight races and the driving title. Thus began the sensational rivalry that conspired to push two of the sport's greatest drivers to unprecedented heights of success and controversy, and the most bitter feud in Formula One history.
