

A group of ten male dancers, the Snow Man crew, are standing in a line on a stage. They are wearing dark, coordinated outfits. The stage is lit with blue and white lights, and there are large, bright, cylindrical light fixtures hanging from the ceiling. The background is dark with a grid-like structure.

Dancing in the Street Suzanne E. Smith, 2001-05-02 Detroit in the 1960s was a city with a pulse people were marching in step with Martin Luther King Jr dancing in the street with Martha and the Vandellas and facing off with city police Through it all Motown provided the beat This book tells the story of Motown as both musical style and entrepreneurial phenomenon and of its intrinsic relationship to the politics and culture of Motor Town USA As Suzanne Smith traces the evolution of Motown from a small record company firmly rooted in Detroit's black community to an international music industry giant she gives us a clear look at cultural politics at the grassroots level Here we see Motown's music not as the mere soundtrack for its historical moment but as an active agent in the politics of the time In this story Motown Records had a distinct role to play in the city's black community as that community articulated and promoted its own social cultural and political agendas Smith shows how these local agendas which reflected the unique concerns of African Americans living in the urban North both responded to and reconfigured the national civil rights campaign Against a background of events on the national scene featuring Martin Luther King Jr Langston Hughes Nat King Cole and Malcolm X Dancing in the Street presents a vivid picture of the civil rights movement in Detroit with Motown at its heart This is a lively and vital history It's peopled with a host of major and minor figures in black politics culture and the arts and full of the passions of a momentous era It offers a critical new perspective on the role of popular culture in the process of political change *Selected Readings*, 1909 The Outlook Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1908 **Freedom Enterprise** Kendra D.
