B. A Collection of Columns Rick T. Rae, 2022-11-02 Book contains columns and observations published in various newspapers managed by Rick Rae during the course of his half century career in the business Book Review by Alice Queen of rockdalenewtoncitizen.com Rick Rae loves his family and loves his cars That much is clear from a reading of his second book *A Collection of Columns* a series of personal and observational essays the native of Canada whose newspaper management career spanned some 45 years has curated from a life well lived I've been writing columns here and there mostly internet stuff and a couple of folks noted that I've been writing them a long time and they're right I think I started back in 1974 said Rae 84 from his home in Loganville where he lives with Penny his wife of 62 years Several people suggested I package the best of them and put them in book form So I went ahead and did it Many of the pieces in Rae's new book detail his automotive obsession he bought the first of his 75 cars when he was 14 years old and a number of vacations taken by his family But the former publisher of the Rockdale Citizen Newton Citizen and Gwinnett Daily Post also delves into a host of other subjects including some inside baseball insights on the newspaper industry his thoughts on music and other significant and not so significant life moments Published by Indiana based AuthorHouse *A Collection of Columns* is Rae's follow up to his 2011 memoir *Not Extinct Yet* in which he details his many decades in newspapers Rae said he worried that the subject matter of some of the columns might seem a bit antiquated but he moved ahead with the project Unfortunately I've been at this so long that some of the columns are rather dated he said I love writing about personal experiences and the more I can get down on paper the better I'll like it although I'm getting kind of old I guess for personal experiences Two chapters particularly amusing to Rae were written in recent years for a Canadian publication for which he once worked One concerns teaming up with a co worker who was a successful pool shark and the other involved meeting a young singer who became one of country music's most beloved stars I wrote two recollection columns for a former employer in Canada they were about getting in a pool tournament and making more money than I had selling newspaper ads and also my meeting with Harold Jenkins who would later change his name to Conway Twitty he said I love to do that kind of stuff I've got a few of those in my background The book's final chapter was a column published in the Rockdale Citizen which by then had a companion paper in Newton County and the Gwinnett Daily Post on June 28 2006 the day he retired When asked if he had plans for any more books Rae said he's got something on the back burner that he might want to release One of my buddies in Canada who I grew up with is an author and makes a lot of money ghostwriting for Canadian politicians it seems like everybody in Canada wants to have a book out he said He suggested that I combine my love of cars and my love of music and do some kind of book about cars and songs I've been thinking that might be a way to go It's been in the back of my mind One story that may well wind up in another book takes place during the time Rae managed a newspaper in the suburbs of Detroit and saw an up and

coming performer that left an impression that remains today I've never written about my times with Bob Seger when I worked in Pontiac Mich he said When I worked there every Friday we'd go across the road to a bowling alley that had a lounge and the guy playing there was Bob Seger We'd listen to him until they shut the bar down at 2 in the morning the whole newspaper used to come over and hear him perform Last Call K. L. Cook,2022-07-19 K L Cook's debut collection of linked stories spans three generations in the life of one West Texas family Events both tender and tragic lead to a strange and lovely vision of a world stitched together in tenuous ways as the characters struggle to make sense of their lives amid the shifting boundaries of marriage family class and culture A series of unusual incidents a daughter's elopement a sobering holiday trip a vicious attack by the family dog a lightning strike provokes a mother of five to abandon her children An oil rigger inspired by sun induced hallucinations rescues his estranged wife who doesn't appreciate his chivalry In the wake of his father's and brother's deaths a teenage boy finds a precarious solace working with his mother at a country western bar A cosmetics salesman schemes to buy Costa Rica and flirts dangerously with mobsters in Las Vegas A woman fleeing her fourth marriage arrives at a complicated understanding of love and responsibility Railroad worker and conman grieving son and battered wife these characters explore the limits of family fragility and resilience Their stories suggesting unlikely connections between comedy and pathos cruelty and generosity promise a hard won dignity and hope **All Or Nothing** Crystal Downs,2005-02-01 When Veronica Hampton a socialite who has everything falls for Jeff Conley an old crush whose mysterious career comes between them she must choose between love and family obligation while he must choose between her and his job Original **A Package Deal** Mia Kerick,2013-11-01 Robby Dalton is the perfect all American boy He played the sports his father chose for him in high school attended the college his father selected and has worked hard to conform to his father's macho views But emotionally he doesn't fit anywhere and he can't connect with a woman beyond a few uninspired dates Robby's not in the closet because he's never guessed he's gay Now he owns a small commercial construction company and one night after work he runs into Savannah Meyers He finds her fascinating and agrees to a date thinking maybe this woman would be different But Savannah has her own agenda She is looking for a love match for her roommate Tristan Chartrand whom she rescued from the streets years ago He's like a brother and her only family so she wants him safe and happy Her plan seems to begin well because when Robby meets Tristan he's surprised to find it's Tristan he wants not Savannah But some people in Robby's life don't approve of Tristan's lowly station in life and some don't approve of Robby being gay Some people are full of hate and violence and Robby and Tristan will need courage and strength if a loving future is to be part of the deal
