appeared six years later he began what would become one of the most celebrated and influential careers in American letters. The Adventures of Tom Sawyer Mark Twain, 2006-05-16 This classic novel of childhood is set in fictional St Petersburg a town based on Mark Twain's hometown of Hannibal Missouri. Twain's recounting of Tom Sawyer's many escapades is by turns nostalgic satiric wise and hilarious. While this novel is often considered mainly as the precursor to Twain's great work *The Adventures of Huckleberry Finn* it is abundantly worth considering for its own deft and loving transformation of autobiography into fiction. In addition to the full text of the novel based on the first American edition complete with a selection of the original illustrations by True Williams this Broadview edition provides a wide range of appendices that place the novel in the context of 1840s rural America as well as 1870s literary America. These include materials on the composition and marketing of Tom Sawyer selections from other boy books of the period and historical documents relating to temperance children's literature and schools.

A History of American Literature: Later national literature: pt. 3, 1921
