My Village In Italy:

Italy, My Beautiful Obsession Arden Fowler, 2005 Italy My Beautiful Obsession An American Italophile Falls in Love is a travel memoir based on the author's many decades of visiting Italy. Fowler's extensive art and music education as well as her experience as an artist and performer enable her to bring Italy's very appearance and treasured heritage vividly to mind. The book starts with her first arrival in Italy as a young woman and having to deal with the bureaucracy a tale amusingly told in order to get married in Rome in 1951. It is based on her meticulously detailed private journals. This book is insightful, informative, innovative, and entertaining. The author explores every aspect of Italian life and culture as she experienced it, delving into analyzing and revealing the essence of what makes Italy the destination of choice for so many people. She covers subjects from the country's topography to its food, its architecture, and its language to its awesome culture, its wonderful people, and more. This highly readable book appeals to those experienced travellers who have already been to Italy, know they love it, and never tire of reading about it. It also appeals to those considering vacationing in Italy, whetting the appetite to visit more than just the few highlights afforded by packaged tours. Everything in the book is seen and described through the author's personal prism. Neither a guide book nor a cook book, *Italy My Beautiful Obsession* contains elements of both presented in a most enjoyable way.

ITALY from I to Y? James De Franco, 2014-03-31 The decision to write a book about my observation of people and events in my life journey from my native Italy to Australia was taken when coming out of my work life. I was suddenly made aware that the tools of literacy required were somewhat different from the tools of my trade where sharpness was essential as bluntness was for the book. I apologize on behalf of my tools while I defend the message they convey. I love both Italy and Australia. But being born in a particular part of the world should not impede or curtail our criticism of it. Man's history is a tragic testimony of that where sons and daughters have continued conflicts initiated by their fathers with their own criticism muted by the unquestioned love for the parent couple. Father Land thus sadly neglecting the apolitically stateless Mother Nature.
