The Nature of a God-sent Revival Duncan Campbell,1980 *Nature of a God-Sent Revival* Duncan Campbell,1993-01-01 *Prayer That Ignites Revival* Joe Oden,2024-04-23 The Secret to Every Spiritual Awakening in History Today s standard for morality is whatever is right in your own eyes The world is experiencing moral decline cultural shifts away from God and hostility toward the things of God Through engaging stories and dynamic teaching evangelist and prayer leader Joe Oden reveals that passionate prayers and humble hearts from believers willing to partner with the Holy Spirit are what usher in great revival In these pages you will learn how to develop a lifestyle of consistent powerful prayer implement biblical and historical principles of revival cultivate personal habits that birth spiritual awakening release God s power to shift the atmosphere and shake the nations Today is your day to kneel humbly rise bravely and move boldly to see sweeping cultural revolution signs and wonders deliverance and the salvation of millions of souls that causes even skeptics to be in awe of God *Revival-God's Proven Method of Awakening His Church* Edgar Lewellen,2005-08 **Fresh Encounter** Henry T. Blackaby,Claude V. King,Richard Blackaby,2009 Revised with nearly half of its material newly written Fresh Encounter is a discussion of how God brings spiritual revival to individuals and the church **The Power of Surrender** Michael Catt,2010-03-01 Michael Catt senior pastor of Sherwood Baptist Church and executive producer of hit films Facing the Giants and Fireproof believes the word revival has been used in so many ways as to lose its meaning altogether The Power of Surrender his third book in the ReFRESH series after The Power of Desperation and The Power of Persistence reminds the church that revival really means 1 focusing on confession and cleansing 2 making repentance and restoration a priority and 3 walking in the fullness of the Holy Spirit and abiding in Christ Surrender is the key to revival which is the key to spreading the gospel Catt has witnessed the fruits of these disciplines at his congregation firsthand We are now seeing people walk through the baptismal waters People are being saved Members are inviting their lost friends and unchurched neighbors Attendance shot up Why Revival produces evangelism **God Sent Revival** John F. Thornbury,1977 Following the Great Awakening under the leadership of such men as jonathan Edwards and George Whitefield the close of the eighteenth century in America saw a second period of revival which was to last longer than the first and was brought about through the labours of many preachers less well known than their predecessors but following faithfully in their footsteps The outpouring of the Spirit of God upon virtually all evangelical denominations could be called waves of glory which rolled across hundreds of churches and communities Whole communities were transformed by the gospel virtually overnight One of the evangelists to emerge from this second period of revival was Asahel Nettleton There can be little doubt that he was one of the greatest evangelists in the history of the church Literally thousands were converted under his ministry and spurious converts were the exception rather than the rule This well written and well documented book tells the story of Mettleton s life He made mistakes and the author does not cover these up but he was a powerful preacher who sought to glorify God and

God blessed his ministry John Thornbury is pastor of Winfield Baptist Church Pennsylvania where he has ministered for the past twenty three years In recent years he has attained a doctorate at Drew University Madison New Jersey and his articles have been published in Eternity and other periodicals He is married with three children *New Testament Way to Revival* Jay Strack, 1989 The New Measures Ted A. Smith, 2007-04-30 The New Measures A Theological History of Democratic Practice brings thick cultural history to contemporary debates about religion and democracy Combining histories of performance space institutions and ideas this 2007 book tells the story of the new measures that circulated in the religious revivals of the 1820s and 30s and traces the role of these practices in the development of democratic culture in the United States The book borrows resources from Walter Benjamin and Theodor Adorno to remember the new measures from an eschatological point of view That eschatological perspective holds together close empirical studies and explicitly theological hopes The book's attention to detail moves it beyond abstraction and caricature to a more materialist political theology And its eschatological hope resists narratives of progress and decline to understand American democracy as both tangled in contradiction and caught up in redemption *Philostratus (Routledge Revivals)* Graham Anderson, 2014-06-17 This study of Philostratus first published in 1986 presents the Greek biographer's treatment of both sophists and holy men in the social and intellectual life of the early Roman Empire which also displays his own distinctive literary personality as a superficial dilettante and an engrossing snob Through him we gain a glimpse of the rhetorical schools and their rivalries as well as a bizarre portrayal of the celebrated first century holy man Apollonius of Tyana long loathed by his later Christian press as a Pagan Christ Rarely does a biographer's reputation revolve round the charge that he forged his principal source Graham Anderson's account produces new evidence which supports Philostratus' credibility but it also extends the charges of ignorance and bias in his handling of fellow sophists Philostratus is intended for any reader interested in the social cultural and literary history of the Roman Empire as well as the professional classicist **Describing the Hand of God** Robert Brennan, 2016-04-28 The question of divine agency in the world remains one important unresolved underlying obstacle in the dialogue between theology and science Modern notions of divine agency are shown to have developed out of the interaction of three factors in early modernity Two are well known late medieval perfect being theology and the early modern application of the notion of the two books of God's revelation to the understanding of the natural order It is argued the third is the early modern appropriation of the Augustinian doctrine of inspiration This assumes the soul's existence and a particular description of divine agency in humans which became more generally applied to divine agency in nature Whereas Newton explicitly draws the parallel between divine agency in humans and that in nature Darwin rejects its supposed perfection and Huxley raises serious questions regarding the traditional understanding of the soul This book offers an alternative incarnational description of divine agency freeing consideration of divine agency from being dependent on resolving the complex issues of perfect being theology and the existence of the soul In conversation with Barth's pneumatology this proposal is shown to

remain theologically coherent and plausible while resolving or avoiding a range of known difficulties in the science theology dialogue

The Lewis Awakening Duncan Campbell, 2017-09-29 The island of Lewis has been the scene of a very gracious movement of the Spirit The breath of revival has been felt and communities have been conscious of the mighty impact of God This island had in days past experienced seasons of refreshing from the presence of the Lord but of late years the stream of vital Christianity appeared to be running low In our day of spiritual superficiality and anemic Christianity characterized by sin infested pulpits and indifferent pews the subject of revival is nonetheless a popular one Few who talk of it however have the faintest idea what a real moving of God is all about Impressive financial holdings ornate edifices of worship statistical proofs of success and mind boggling technological sophistications merely mask the spiritual bankruptcy within the Church as a whole today We are indeed poor in spirit The real problem is we seem completely incapable of even beginning to recognize just how spiritually poor we have become We lean to our own understanding make peace with our pet sins deem ourselves to be rich and increased with goods and in need of nothing all the while piddling piously with ideas of revival But revival can never be piddled with It is very very costly Duncan Campbell in this heart stirring message of personal and corporate revival strikes the taproot of the genuine working of God among His people Such revival is rare priceless and exceedingly costly Campbell captures the spirit of God s desire to work and carefully delineates both God s sovereign moving and man s responsibility to respond to the promptings of the Spirit of God This world has witnessed God s sovereign dealings through the humblest of men often at the darkest hours in history We remember the rebirth of Martin Luther and the Reformation that followed The Puritans obeyed God s Word with abandonment in the midst of a wicked generation The Spirit moved mightily upon the congregation of the dry preacher Jonathan Edwards and affected an entire generation The eighteenth century saw the powerfully convicting work of God s Spirit in New England the nineteenth had its great New York prayer revival and the early twentieth century heralded a phenomenal spiritual awakening in Wales The cry of our day is Where is the Lord God of Elijah The question might better be asked Where are the Elijahs of the Lord God While there is much prayer today there is little of the humility behind it that characterized the life of Duncan Campbell Here is a message by this great servant of our century It is hot with the breath of God It needs to be read and reread upon our knees until it burns its way into the hearts of the people of God and out through our lives The truth is here to kindle the flame Are we ignitable May God once again drench us with the oil of the Spirit and set us ablaze

Edwards on the Will Allen C. Guelzo, 2008-03-17 Jonathan Edwards towered over his contemporaries a man over six feet tall and a figure of theological stature but the reasons for his power have been a matter of dispute Edwards on the Will offers a persuasive explanation In 1753 after seven years of personal trials which included dismissal from his Northampton church Edwards submitted a treatise *Freedom of the Will* to Boston publishers Its impact on Puritan society was profound He had refused to

be trapped either by a new Arminian scheme that seemed to make God impotent or by a Hobbesian natural determinism that made morality an illusion He both reasserted the primacy of God's will and sought to reconcile freedom with necessity In the process he shifted the focus from the community of duty to the freedom of the individual Edwards died of smallpox in 1758 soon after becoming president of Princeton as one obituary said he was a most rational and exemplary Christian Thereafter for a century or more all discussion of free will and on the church as an enclave of the pure in an impure society had to begin with Edwards His disciples the New Divinity men principally Samuel Hopkins of Great Barrington and Joseph Bellamy of Bethlehem Connecticut set out to defend his thought Ezra Stiles president of Yale tried to keep his influence off the Yale Corporation but Edwards's ideas spread beyond New Haven and sparked the religious revivals of the next decades In the end old Calvinism returned to Yale in the form of Nathaniel William Taylor the Boston Unitarians captured Harvard and Edwards's troublesome ghost was laid to rest The debate on human freedom versus necessity continued but theologians no longer controlled it In Edwards on the Will Guelzo presents with clarity and force the story of these fascinating maneuverings for the soul of New England and of the emerging nation **Books in Print** ,1991 *Republican Theology* Benjamin T. Lynerd,2014 Since the founding American evangelicals have espoused a civil religion that sees limited government as a condition for a thriving church This republican theology however also accentuates the church's capacity to elevate civic virtue How evangelicals navigate these sometimes contradictory imperatives forms the subtext of their participation in American politics *27 Servants of Sovereign Joy* John Piper,2022-09-02 From Bestselling Author John Piper 27 Biographies of Notable Figures from Church History including Augustine John Calvin and Martin Luther Throughout church history the faithful ministries of Christian leaders though full of struggle sin and weakness have magnified the worth and majesty of God Their lives and teachings are still profoundly relevant Their voices live on in the stories we read and tell today In this book John Piper celebrates the lives of 27 such leaders from church history offering a close look at their perseverance amidst opposition weakness and suffering Let the resilience of these faithful but flawed saints inspire you toward a life of Christ exalting courage passion and joy Written by Best Selling Author John Piper The author of more than 50 books including *Desiring God* *Don't Waste Your Life* *Providence* *The Supremacy of God in Preaching* *Expository Exultation* and *Why I Love the Apostle Paul* Short Biographies of 27 Inspiring Figures from Church History Features short biographies of Augustine John Calvin John Bunyan Martin Luther John Newton William Wilberforce and more Updated from 21 *Servants of Sovereign Joy* Includes new chapters about Martyn Lloyd Jones Jonathan Edwards Bill Piper J C Ryle Andrew Fuller and Robert Murray McCheyne **Helps to a Life of Holiness and Usefulness, Or Revival Miscellanies** James Caughey,1852
