Landscapes of Christianity Frederick A. Stoutland, Sr., 2006 A major shame in contemporary Christianity is the large number of ordinary Christians who are biblically illiterate This robs them of their inheritance as believers and makes their witness to others often weak In response Landscapes of Christianity unpacks the history and truths of our Faith logically and powerfully answering virtually every question ordinary church goers ask or are too embarrassed to ask for fear of being labeled ignorant of Scripture Already praised by leaders in churches across America this book offers a fascinating glimpse into God s redemptive plan for people discussing intelligently clearly and impartially the debated issues that have separated Christians for centuries Furthermore it addresses from the Bible some of the great issues of this day as they relate to homosexuality among the clergy abortion and the death of other innocents euthanasia and the relevance of Scripture in contemporary society John MacArthur world renowned Bible teacher says I am stunned at the excellence and comprehensiveness I can only pray that the Lord will find many uses for it Others call the book compelling and required reading for anyone who wants to have a fuller grasp of Christianity without denominational bias

Are You Practicing Christianity? A. Christian, 2004-11 This book is written to glorify God and to help people walk closer to the Lord and become Kingdom laborers It gives insight about practical reasons for implementing our Christian faith in our day to day lives The book is written for all levels of faith from non believers to mature Christians It looks at why our American culture has moved from a God fearing nation to a secular one It also discusses relevant topics and issues in the church in our culture and in individual lives The primary focus is helping Christians to see things from Gods perspective to walk closer to the Lord and to have an active faith It will also help readers understand that God has a relationship with nations as well as individuals We must pray read and meditate on Gods ways in the Holy Bible to develop a more personal and intimate relationship with the Lord

The God Who Hears W. Bingham Hunter, 1986-05-16 Why does God answer some prayers but not others Why should I pray if God already knows what I need W Bingham Hunter explores these and other mysteries of prayer in light of God s character

The Encyclopedia of Practical Christianity Robert A. Morey, 2003-11 What does God want you to know be and do as an individual family church and nation This question occupies the Bible from Genesis to Revelation Indeed you could divide all the verses in the Bible into four groups These are verses that address Individual Families Churches Nations

Christianity Plain and Simple Bobbie Gannon, 2014-03-07 Jesus was God in the flesh He was just as human as you and I Hebrews 4 15 16 states For we do not have a High Priest who is unable to empathize with our weaknesses but we have One who has been tempted in every way just as we are yet He did not sin Let us then approach God s throne of grace with confidence so that we may receive mercy and find grace to help us in our time of need One who was not fully human could never truly be an example for those of us who were bound to our human nature God understanding just how disconnected

own heart **The Bible Blueprint: A Guide to Better Understanding the Bible from Genesis to Revelation** Christine Paxson, Rose Spiller, 2021-08-17 Have you ever wanted to read the Bible but found it intimidating Have you ever read parts or all of the Bible but come away more confused than ever Does it seem like there are contradictions in the Bible Why is there an Old Testament and a New Testament Does the Old Testament even matter to Christians today How do the sixty six books of the Bible fit together Is there an overarching theme If you have asked yourself any of these questions or others you are not alone The Bible Blueprint divides the entire Bible chronologically into six easy to read parts It provides a basic understanding of Scripture as a complete story that links all the various books together It gives an overview of each book touching on highlights and some of the amazing and significant events in each without the reader getting bogged down in the more difficult sections There is no substitute for the actual Bible it is not only fascinating it is the life giving life saving life transforming Word of God so The Bible Blueprint is not a replacement for the Bible but it will whet your appetite to dig deeper into God's Book for yourself while giving you the confidence to do so *Battle of the Gods* Robert A. Morey, 1989 The first major book that exposes process theology as a heretical revival of pantheistic religion Dr Morey gives a solid exegetical and philosophical refutation of process thought and Neo Processionism such as the open view of God It is recommended by Walter Martin D James Kennedy John Ankerberg Norman Giesler etc **The Quest For Truth** Michael Dedivonai, 2012-08-30 This book is for the reader who takes interest in an age old issue that remains contemporary with every succeeding generation When how and why we are here are questions that have caused countless generations of thinkers and laymen alike to intuitively seek at the very least the semblance of an answer to questions that have become more of an outlook than a science and in turn spring up among the problems of modern life as opposed to allowing for a resolution to that which was intended to clarify instead of further complicate Free from the shackles and bias imposed by the various schools of religious scientific and philosophical thought the examinations offered herein are rooted in systematic analyses of the scientific philosophical ethical social and finally the religious which in turn allows for the explanation and justification of concepts that enable the reader to adopt a perspective relevant to the distinctions of absolute truth and relativistic assumptions Our age is accurately referred to as the age of advancement and technology and for good reason The rapid pace of progression over the last century in the life sciences has contributed to a broadened understanding of knowledge itself and its relation to the psychological and sociological aspects of our existence As a result of the significant expansion of the sciences the desire for an understanding of self and simply of why has in many ways been diluted thus negating the never ending questions that once tugged at man's conscious in the middle of the night for thousands of years Today's amazing achievements have laid the foundation for a whole series of newer problems and questions that threaten mankind as never before The medical and biological sciences have enabled us to have a life expectancy beyond that of prior generations however coupled with that are the problems of population explosion which in the not too distant future will give

rise to serious concerns We have the ability to harness the power of the atom yet along with it comes the ability to destroy all that we hold sacred Taking into consideration the advanced age we live in how does one account for the remarkable complexity extant throughout the known universe Is one to assume that our consciousness coupled with our overwhelming sense of purpose can be attributed solely to random chance alone The law of causation deals with the need for a preceding event leading to the outcome and despite the fact that this scientific age has left its handprint on every facet of life today it has failed to satisfy the innate question of simply why Strongman's His Name...What's His Game? Jerry Robeson,Carol Robeson,2000-01-01 How to Wage Spiritual Warfare in the Last Days An important spiritual law was revealed by Jesus in Luke 11 21 22 and Matthew 12 29 How can one enter into a strongman s house and spoil his goods except he first bind the strongman And then he will spoil his house Now instead of binding symptoms we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible If God names them they are real and He has given us dominion over them through the Name of Jesus In easy to understand language this book Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18 18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan s hassles so that we can reach this world for Christ Strongman s His Name What s His Game offers a scriptural balanced and uplifting approach to present day spiritual warfare An Introduction to Biblical Ethics David W.
