Birth of a Nation J. L. Rose,2011-05-04 In order to understand the dynamics of religion covert politics it is imperative that one understands the origin purpose and or intent of the same Human behavior when left unchecked results in a variety of cultures religions that rule our everyday affairs which is the central theme of this book This book goes into the origin evolution of the human race and the reason for its negative tendencies Our behavior is the product of our thinking though to some degree our being can be attributed to our environment If our anatomy is not properly evolved developed the same will affect our psychology remember our brain receives its nourishment from our blood Over the years there has been speculations as to origin of man and his religion politics The content of this book will lay to rest some of the ignorance brought about by contemporary culture religion an ever present ignorance One must always bear in mind that all religions only seek to glorify and glamorize the culture and nature of its creators and protractors The so called New Testament is only a tool used by the wealth robbers to justify the New World Order the critical thinkers must therefore guard themselves and their progeny against this political religious machine that once rolling is unrelenting in its pursuit for wealth and power Every war ever visited by the human race has been stimulated by the afore mentioned greed You reader will also see a comparative analysis of the original Egyptian language and the so called English Roman Arabic and many of the worlds dominating languages
