**Emotional Labour in Health Care** Catherine Theodosius,2008-06-30 Do nurses still care In today s inflexible fast paced and more accountable workplace where biomedical and clinical models dominate health care practice is there room for emotional labour Based on original empirical research this book delves into personal accounts of nurses emotion expressions and experiences as they emerge from everyday nursing practice and illustrates how their emotional labour is adapting in response to a constantly changing work environment The book begins by re examining Arlie Hochschild s sociological notion of emotional labour and combines it with Margaret Archer s understanding of emotion and the inner dialogue In an exploration of the nature of emotional labour its historical and political context and providing original but easily recognisable typology Catherine Theodosius emphasises that it is emotion complex messy and opaque that drives emotional labour within health care She suggests that rather than being marginalised emotional labour in nursing is frequently found in places that are hidden or unrecognised By understanding emotion itself which is fundamentally interactive and communicative she argues that emotional labour is intrinsically linked to personal and social identity The suggestion is made that the nursing

profession has a responsibility to include emotional labour within personal and professional development strategies to ensure the care needs of the vulnerable are met This innovative volume will be of interest to nursing health care and sociology students researchers and professionals *AIIMS NORCET 2024 - Nursing Officers Recruitment Common Entrance Test (Preliminary & Main) - 20 Practice Tests* EduGorilla Prep Experts, Best Selling Book for AIIMS NORCET with objective type questions as per the latest syllabus given by the All India Institute Of Medical Sciences AIIMS AIIMS NORCET Preparation Kit comes with 20 Tests Prelims Mains with the best quality content Increase your chances of selection by 16X AIIMS NORCET Prep Kit comes with well structured and 100% detailed solutions for all the questions Clear exam with good grades using thoroughly Researched Content by experts **Manual for the Medical Department** United States.
