Nurses Love Affair:

The Young Nurse (A Gay Love Story) Raiden King, My marriage to my wife ended once the kids left the house All of a sudden we didn't know each other We divorced It was amicable It's not exactly a new story Here I am forty three and in shape Not to get too cocky but let's just say I'm the kind of man my age who is very eligible The problem Every woman I've dated I've had no interest in What exactly is wrong with me Then I got sick I had to stay in the hospital That's where I met Taden my young handsome male nurse And everything in my life changed He asked if I needed help getting into the shower and he helped me undress His touch lingered on my skin like electricity But I'm not gay I'm attracted to women So why do I find myself thinking about Taden every waking minute Why do I fantasize about him in my dreams And why do I desperately want to tell him so he can touch me again The Young Nurse is a steamy explicit stand alone M/M gay romance book that depicts a budding passionate and unexpected love a man learning new things about his sexuality pain temptation and a happy ending

Avalanche: A Love Story Julia Leigh, 2016-08-01 An intensely personal narrative of loss hope and longing for a child In this brave and lucid account Julia Leigh broaches a challenging life event often left undiscussed how the struggle to have a child can take an agonizing toll Leigh's experience at the vanguard of medical science is acutely rendered physically and emotionally transmitting what it feels like to so desperately wish for a child while knowing that the odds are stacked against you From the daily shots she puts herself through at home to hopes raised and dashed and finally to the decision to stop treatment Avalanche bears witness to Leigh's raw desire suffering strength and in the end transformation a shift to a different kind of love The reader looks behind the scenes of a clinic and discovers how things really work reality is a far cry from the slick marketing of the billion dollar infertility industry As for so many women Leigh's treatment failed but her ghost child lingers in memory

The Nurses Alexandra Robbins, 2016-04-19 A New York Times bestseller A funny intimate and often jaw dropping account of life behind the scenes People Nurses is the compelling story of the year in the life of four nurses and the drama unsung heroism and unique sisterhood of nursing one of the world's most important professions nurses save lives every day and one of the world's most dangerous filled with violence trauma and PTSD In following four nurses Alexandra Robbins creates sympathetic characters while diving deep into their world of controlled chaos It's a world of hazing nurses eat their young Sex not exactly like on TV but surprising just the same Drug abuse disproportionately a problem among the best and the brightest and a constant temptation And bullying by peers by patients by hospital bureaucrats and especially by doctors an epidemic described as lurking in the shadowy dark corners of our profession The result is a page turning shocking look at our health care system

A Love Affair with Cancer John W. Pattison, 2006-08 For anyone a cancer diagnosis elicits fear and an explosion of emotion John W. Pattison presents a unique and fascinating insight into the trials and tribulations of a cancer patient and the permanent psychological legacy they must accept A love affair with cancer is a scintillating exploration of the mind of a young immature adolescent who is gripped by the deathly hold

of cancer and its mind numbing consequences A true yet poignant and tearful story but also funny and inspirational Everyone needs inspiration in life and John was no different Throughout his journey his was music and a band called Hawkwind and who remained a constant driving force during his troubled cancer journey His fate was woven into the tapestry of life On more than one occasion he was forced to confront his own mortality yet he made something of an unexpected recovery but only eight years after that recovery he is devastated by the news that all parents fear his daughter has terminal leukaemia leaving him once again to walk the long lonely road of emotional turbulence However despite the opinion of the medical experts Donna goes into a spontaneous remission to become an international swimmer A unique chronicle unlike any other cancer story ever told Cancer took hold of his life and manipulated it into what he has become today a clinical nurse specialist in haematology caring for other individuals with the same cancers that he and Donna had suffered many years earlier it truly is a love affair with cancer A story of heart warming exuberance that will stimulate every emotion **A**

Rosaria, 2022-07-21 This is a dissertation that focuses on the nurse in connection with the child and family It also explores the numerous descriptions of the nurse in Greek art along with the investigation of Greek classical literature and the inscriptions to ascertain and present the position and characteristics of the nurse as a contribution to the private life of the Greeks The subject here dealt with is viewed solely from the social standpoint though the writer recognizes its value from the literary and psychological sides [A Nurse's Story](#) Tilda Shalof, 2010-02-05 The team of nurses that Tilda Shalof found herself
