Nursing As An Aesthetic Praxis:

Nursing as an Aesthetic Praxis Marina Tucakovic Ph D.,2005-02-08 Nursing as an Aesthetic Praxis is a work into how we be approached through narratives of nursing As an inquiry it is both phenomenological and metaphysical as they relate to being Being is unfolded as a process by which and through which we create and recreate ourselves for the purpose of consciously knowing that which we already are Dis ease is positioned as one result of how we be in this process that as an act of ongoing creation can be recreated To come to this place of knowing is to begin to know Love In this way Nursing as an Aesthetic Praxis is really a love story a story about a way to love that when known by nurses will enable nursing to be an art of healing

Nursing as an Aesthetic Praxis Marina Tucakovic,2005 From The Cotton Patch To The Country Club is about investing but with a different slant It treats all of life as an investment and starts with the early age of a man born in the state of Mississippi Poverty stricken undernourished ill clothed limited education half blind and from a broken home he started at the bottom of the economic scale How he over came overwhelming odds to become a top manager in an aerospace company and go on to become an affluent investor in real estate stocks bonds mutual funds treasury notes and certificates of deposit is a remarkable story With that success came the rewards of the good life for he and his wife They have traveled extensively owned fine homes and luxury automobiles They live a life he never dreamed of when he was an overall clad boy picking cotton in Mississippi Best of all it s true
