

Nursing Care during Labor and Birth

OBJECTIVES

After studying this chapter, you should be able to:

1. Analyze issues that may face the new nurse who cares for women during the intrapartum period.
2. Explain teaching guidelines for going to the hospital or birth center.
3. Describe admission and continuing intrapartum nursing assessments.
4. Describe common nursing procedures used when caring for women during the intrapartum period.
5. Identify nursing priorities when assisting the woman to give birth under emergency circumstances.
6. Relate therapeutic communication skills to care of the intrapartum woman and her significant others.
7. Apply the nursing process to care of the woman experiencing false or early labor.
8. Apply the nursing process to care of the woman and her significant others during the intrapartum period.

Go to your Student CD-ROM for Review Questions keyed to these Objectives.

DEFINITIONS

Abortion A pregnancy that ends before 20 weeks' gestation, either spontaneously (miscarriage) or electively. *Miscarriage* is a lay term for spontaneous abortion that is being more frequently used by health professionals.

Amniotomy Artificial rupture of the membranes (amniotic sac).

Caput Succedaneum Area of edema over the presenting part of the fetus or newborn that results from pressure against the cervix (usually called *caput*).

Crowning Appearance of the fetal scalp or presenting part at the vaginal opening.

EDD Abbreviation for *estimated date of delivery*; also may be abbreviated *EDB* (estimated date of birth).

Episiotomy Incision of the perineum to enlarge the vaginal opening.

Ferning Microscopic appearance of amniotic fluid resembling fern leaves when the fluid is allowed to dry on a microscope slide; also called *fern test*.

Gravida A pregnant woman; also refers to a woman's total number of pregnancies, including the one in progress, if applicable.

Multipara A woman who has given birth after two or more pregnancies of at least 20 weeks' gestation; also informally used to describe a pregnant woman before the birth of her second child.

Nitrazine Paper Paper used to test pH; helps determine whether the amniotic sac has ruptured.

Nuchal Cord Umbilical cord around the fetal neck.

Nullipara A woman who has not completed a pregnancy to at least 20 weeks' gestation.

Para A woman who has given birth after a pregnancy of at least 20 weeks' gestation; also designates the number of a woman's pregnancies that have ended after at least 20 weeks' gestation. (A multifetal gestation, such as twins, is considered one birth when calculating parity.)

Primipara A woman who has given birth after a pregnancy of at least 20 weeks' gestation; also used informally to describe a pregnant woman before the birth of her first child.

Nursing Care During The Labor Process Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nursing Care During The Labor Process has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nursing Care During The Labor Process has opened up a world of possibilities. Downloading Nursing Care During The Labor Process provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nursing Care During The Labor Process has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nursing Care During The Labor Process. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nursing Care During The Labor Process. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nursing Care During The Labor Process, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nursing Care During The Labor Process has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
