Nursing Home Negligence:

Nursing Home Negligence Margaret C. Jasper, 2003 Unfortunately abuse and neglect in the nursing home setting has become a widespread problem *Nursing Home Negligence* presents an overview of the nursing home system in America including types of nursing homes the level of care offered and information on selecting an appropriate facility This book also explores the problem of nursing home negligence and abuse and the ways to recognize and address these problems The legislation developed to prevent nursing home neglect and abuse is also discussed including the legal rights of the nursing home resident and the remedies available under the law The Legal Almanac series serves to educate the general public on a variety of legal issues pertinent to everyday life and to keep readers informed of their rights and remedies under the law Each volume in the series presents an explanation of a specific legal issue in simple clearly written text making the Almanac a concise and perfect desktop reference tool All volumes provide state by state coverage Selected state statutes are included as are important case law and legislation charts and tables for comparison *Nursing Home Litigation* Ruben J. Krisztal, Stephen Appelbaum, 2003 The litigation of neglect and abuse of the elderly in assisted living and nursing home facilities is unlike any other personal injury litigation The second edition of *Nursing Home Litigation Pretrial Practice and Trials* has been significantly expanded and will provide you with a detailed step by step look at how nursing home cases should be handled The book's chapters are organized in a way that will help you with your case from pretrial to trial The first chapter will give you tips and techniques for writing the demand letter The following chapters provide insight for both the plaintiff's attorney and defense attorney on topics such as interviewing older witnesses preparing staff for deposition demonstrative evidence voir dire opening and closing arguments Also included is a FREE CD ROM of actual depositions of nurses administrators directors of nursing and upper management in nursing homes **Stop Nursing Home Abuse and Neglect Before It Starts** Debra D. Savage, 2011-01-12 In *Stop Nursing Home Abuse and Neglect Before It Starts* Debra Savage speaks not only to caregivers and receivers but also to the families spouses and children of nursing home patients She addresses the growing phenomenon of abuse and neglect in nursing homes across the United States and what families can do to prevent it Savages mission is to help others become informed family advocates to help prevent our loved ones and family members from becoming victims of abuse or neglect while others turn their backs and do or say nothing She aims to help other families who have loved ones in nursing homes or those who are considering placing their family members in nursing homes by providing consumers with accurate and detailed information along with resources should a loved one or someone they know become a victim of nursing home neglect or abuse This no nonsense guide provides vital information that will assist families in making the toughest decision of their lives while providing the steps to take to insure that their time in the nursing home is positive **Litigating the Nursing Home Case** James T. O'Reilly, 2009 *Maltreatment of Patients in Nursing Homes* Diana Harris, Harold G Koenig, 2012-10-12 Abuse although often not detected or reported existed in every

facility we surveyed It is a serious problem Old weak and often cognitively impaired nursing home patients can be easy targets for physical psychological material and financial mistreatment at the hands of those entrusted with their care safety and well being Maltreatment of Patients in Nursing Homes There Is No Safe Place examines the dark side of nursing homes where not every employee has the commitment of Mother Theresa This groundbreaking book applies criminological theory to help develop practical methods of controlling abuse and presents the results of the first and only nationwide study on the theft of patients belongings a form of abuse too often ignored by the nursing home industry Maltreatment of Patients in Nursing Homes surveys employees administrators and family members of patients in 47 nursing homes throughout the United States Their responses provide invaluable insights on a wide range of topics including the social and psychological factors that cause different types of abuse characteristics of nursing home patients and employees the bureaucracy of nursing homes victimization rates workforce issues of nursing home aides and federal regulations for nursing homes The information gained from the surveys forms the basis for detailed recommendations for creating a safer environment and reducing all forms of abuse including theft prevention training programs background checks and improved screening of potential employees education and advocacy for current staff and the reform of federal regulations Maltreatment of Patients in Nursing Homes examines types of physical abuse restraints sexual abuse neglect the who what and why of nursing home theft types of financial abuse trust accounts bank accounts improper charges for services and drugs identity theft types of psychological abuse abandonment segregation childlike treatment verbal abuse effects of psychological abuse depression learned helplessness psychiatric disorders reasons for abuse by employees staff turnover job burnout job dissatisfaction caregiver stress One of the few books to deal with abuse of the elderly outside a domestic setting Maltreatment of Patients in Nursing Homes There Is No Safe Place interprets and analyzes abuse to provide new ways of thinking about this growing problem and new methods of preventing it from growing any more widespread Florida Nursing Home Negligence Byron S.
