The Death Penalty and Sex Murder in Canadian History Carolyn Strange, 2020-10-01 From Confederation to the partial abolition of the death penalty a century later defendants convicted of sexually motivated killings and sexually violent homicides in Canada were more likely than any other condemned criminals to be executed for their crimes Despite the emergence of psychiatric expertise in criminal trials moral disgust and anger proved more potent in courtrooms the public mind and the hearts of the bureaucrats and politicians responsible for determining the outcome of capital cases Wherever death has been set as the ultimate criminal penalty the poor minority groups and stigmatized peoples have been more likely to be accused convicted and executed Although the vast majority of convicted sex killers were white Canada s racist notions of the Indian mind meant that Indigenous defendants faced the presumption of guilt Black defendants were also subjected to discriminatory treatment including near lynchings In debates about capital punishment abolitionists expressed concern that prejudices and poverty created the prospect of wrongful convictions Unique in the ways it reveals the emotional drivers of capital punishment in delivering inequitable outcomes *The Death Penalty and Sex Murder in Canadian History* provides a thorough overview of sex murder and the death penalty in Canada It serves as an essential history and a richly documented cautionary tale for the present

The World's Most Mysterious Murders Patricia Fanthorpe, 2003-06-01 Reading of murder stimulates a powerful response We are repelled by the horror of it but simultaneously our natural curiosity is strongly

aroused We want to know who did it and why Most unsolved murders have no apparent motives or too many motives The murders of Sir Harry Oakes in 1943 one of the richest men in Canada and Christine Demeter found dead in a blood soaked garage in Mississauga in 1973 remain unsolved In fact history is full of unsolved murders Who killed King William Rufus Edward II and the Princes in the Tower Who was Jack the Ripper Was James Hanratty really guilty of killing Michael Gregson These mysteries and more are contained in **The World's Most Mysterious Murders** **Cold Case Canada: Unsolved Murders** Growthlyfe, 2025-03-28 Cold Case Canada Unsolved Murders Chilling Cases That Still Haunt The Nation Canada often perceived as a peaceful nation has been home to some of the most shocking and perplexing disappearances and unsolved murders in history Cold Case Canada Unsolved Murders Chilling Cases That Still Haunt The Nation delves deep into cases that have unfortunately gone cold some for decades and attempts to unravel the circumstances that surround each one It explores the situation that surrounded each victim at the moment they disappeared and brings to light any evidence that was left behind What common patterns emerge among Canada's most infamous unsolved cases And how is it possible that the families have gone without justice for so long But crime doesn't exist in isolation Cold Case Canada Unsolved Murders Chilling Cases That Still Haunt The Nation examines the far reaching impact of these cases on Canadian society media and culture How does sensationalized reporting shape public perception What role does the justice system play in either deterring or enabling these crimes From moral panics to lasting legal reforms this book uncovers how the echo of unsolved cases ripples through communities leaving behind a legacy of fear fascination and change Are you ready to explore the truth behind the horror **The Suicide Murders** Howard Engel, 2015-08-18 Ontario PI Benny Cooperman is on the case of a suspicious suicide in this convincingly complex mystery with an ironic sense of humor Kirkus Reviews starred review Myrna Yates shows up at Benny Cooperman's office asking him to check up on her husband the contractor Chester Yates who she believes is having an affair It seems like an open and shut case until Cooperman finds out that the straying spouse has committed suicide Something doesn't add up Mr Yates bought a 10 speed bicycle just 2 hours before he killed himself Could this suicide in fact be murder The Jewish detective's got a whole new case on his hands one in which the suspicions of a wife turn out to be much darker than anyone could have imagined Cooperman's a detective with flair Kinder and gentler than your average PI and ironically squeamish about violence he's the creation of author Howard Engel a master of the crime genre whose enthusiastic fans have included Ruth Rendell Donald E Westlake Julian Symons and Tony Hillerman Engel's readership spans 13 countries including Japan England Germany Italy Spain Denmark the United States and his native Canada The Suicide Murders is the first book in the Benny Cooperman Mysteries but you may enjoy reading the series in any order Homicide Investigation John J. Miletich, 2003 Professionals in law enforcement and those considering law enforcement as a career students of sociology psychology criminal justice and law and criminology courses and readers of true crime literature will find this book an engaging and informative reference **BOOK JACKET** **The Sex Slave Murders**

Textures of Terror is a gripping first person story of women violence and migration out of Guatemala and how the United States is implicated. Accompanying Jorge Vel squez in a years long search for answers after the brutal murder of his daughter Claudina Isabel Victoria Sanford explores what it means to seek justice in postconflict countries where violence never ended. Through this father s determined struggle and other stories of justice denied Textures of Terror offers a deeper understanding of US policies in Latin America and their ripple effect on migration. Sanford offers an up close appraisal of the inner workings of the Guatemalan criminal justice system and how it maintains inequality patriarchy and impunity. Presenting the stories of other women who have suffered at the hands of strangers intimate partners and the security forces this work reveals the deeply gendered nature of power and violence in Guatemala. *Cold North Killers* Lee Mellor, 2012-03-03

Profiles Canadian serial killers including analyzing their crimes childhoods and inevitable downfalls. **The Encyclopedia of Serial Killers** Michael Newton, 2006-02 The Encyclopaedia of Serial Killers Second Edition provides accurate information on hundreds of serial murder cases from early history to the present. Written in a non sensational manner this authoritative encyclopaedia debunks many of the myths surrounding this most notorious of criminal activities. New major serial killers have come to light since the first edition was published and many older cases have been solved such as the Green River Killer or further investigated like Jack the Ripper and the Zodiac Killer. Completely updated entries and appendixes pair with more than 30 new photographs and many new entries to make this new edition more fascinating than ever. New and updated entries include Axe Man of New Orleans BTK Strangler Jack the Ripper Ciudad Juarez Mexico John Allen Muhammad and Lee Boyd Malvo the Sniper Killers Gary Leon Ridgway the Green River Killer and Harold Frederick Shipman. **Re-Imagining Ukrainian-Canadians** Rhonda L. Hinthier, Jim Mochoruk, 2011-02-26 Ukrainian immigrants to Canada have often been portrayed in history as sturdy pioneer farmers cultivating the virgin land of the Canadian west. The essays in this collection challenge this stereotype by examining the varied experiences of Ukrainian Canadians in their day to day roles as writers intellectuals national organizers working class wage earners and inhabitants of cities and towns. Throughout the contributors remain dedicated to promoting the study of ethnic hyphenated histories as major currents in mainstream Canadian history. Topics explored include Ukrainian Canadian radicalism the consequences of the Cold War for Ukrainians both at home and abroad the creation and maintenance of ethnic memories and community discord embodied by pro Nazis Communists and criminals. Re-Imagining Ukrainian Canadians uses new sources and non traditional methods of analysis to answer unstudied and often controversial questions within the field. Collectively the essays challenge the older essentialist definition of what it means to be Ukrainian Canadian. **Chronicles of a Rochester Major Crimes Detect** Patrick Crough, 2021-07-26 A longtime Rochester New York police detective tells the behind the scenes stories of four of his most memorable cases. Patrick Crough served more than twenty years as a Monroe County Major Crimes detective where he investigated some of the region s most tragic crimes. They include horrifying acts like that of a Valentine s Day killing rampage that left four people dead as

well as the case against Ed Laraby the serial rapist who terrorized women in Rochester and Monroe County But there are also stories of heroism and bravery strangers coming to the aid of those in peril parents who laid down their lives to save their children and the team of people who put violent criminals behind bars In these pages Crough details four of his most memorable cases in which he was forced to confront evil and chose to pursue truth **Steeltown Blues** Richard Mousseau,2017-04-12 Only two boys from Steeltown have survived The past has affected their lives Living and working in a steel mill town is the cause of past and future events in their lives Salami is unable to settle down to a married life and is too eager to follow the free spirit of his friend Boo Leaving town seems to be their only way out an escape To escape from what or whom There are those who wish to even up past scores They are willing to follow to extremes in order to inflict terror and pain on Salami and Boo To what end is in store for two friends wishing only to escape the confines of working in a steel mill Will they be able to escape those Steeltown Blues Quotes My hopes for the boys were dashed during the reading of the last few pages I felt hurt and angry when I read about Boo and Salami boys I enjoyed following page after page Through the whole book I felt as if I were travelling and living the excitement and disappointments of life alongside of the boys

Sisters Or Strangers Franca Iacovetta,Frances Swyripa,Marlene Epp,2004-01-01 Spanning two hundred years of history from the nineteenth century to the 1990s Sisters or Strangers explores the complex lives of immigrant ethnic and racialized women in Canada The volume deals with a cross section of peoples including Japanese Chinese Black Aboriginal Irish Finnish Ukrainian Jewish Mennonite Armenian and South Asian Hindu women and diverse groups of women including white settlers refugees domestic servants consumer activists nurses wives and mothers The central themes of Sisters or Strangers include discourses of race in the context of nation building encounters with the state and public institutions symbolic and media representations of women familial relations domestic violence and racism and analyses of history and memory In different ways the authors question whether the historical experience of women in Canada represents a sisterhood of challenge and opportunity or if the racial class or marginalized identity of the immigrant and minority women made them in fact strangers in a country where privilege and opportunity fall according to criteria of exclusion Using a variety of theoretical approaches this collaborative work reminds us that victimization and agency are never mutually exclusive and encourages us to reflect critically on the categories of race gender and the nation **Encyclopedia of**
