Eugene O'Neill Remembered Brenda Murphy, George Monteiro, 2017 Eugene O'Neill Remembered is a collection of reminiscences by O'Neill's contemporaries, friends and family that illuminate the life of one of America's most significant playwrights

Jason Robards Remembered Eugene O'Neill Society, 2002-04-03 Jason Robards won consecutive Oscars as best supporting actor for the films All the President's Men 1977 and Julia 1978 but he is particularly remembered for having created central roles in the later plays of Eugene O'Neill. This tribute honors Robards in two parts. Part One presents recent interviews of the late actor as well as articles by Arthur and Barbara Gelb which appeared in the New York Times on the occasions of the American premier of Long Day's Journey into Night 1956 and of the successful production of A Moon for the Misbegotten with Colleen Dewhurst 1974. Sheila Hickey Garvey writes of the 1956 production of Iceman and gives a brief history of Robards' work with the Circle in the Square Theatre, the theatre that began the Off Broadway theatrical movement of the 1950s. Stephen A. Black, Michael Manheim and Edward Shaughnessy write of seeing Robards perform in O'Neill plays. The O'Neill bibliographers Madeline Smith and Richard Eaton analyze the effect Robards' performances have had on subsequent performances and on scholarship about O'Neill's later plays. Zander Brietzke writes about the problem of performing O'Neill in the post-Robards era. Part Two contains more personal recollections of Jason Robards. Several of Robards' theatrical colleagues, Arvin Brown, Zoe Caldwell, Douglas Campbell, Blythe Danner, George Grizzard, the playwright A. R. Gurney, Shirley Knight, Paul Libin, Theodore Mann, Christopher Plummer, Kevin Spacey and Eli Wallach recall their times with the actor. Wendy Cooper, president of the Eugene O'Neill Foundation, writes of Robards' help to save O'Neill's Bay Area home, Tao House. Lois McDonald and Sally Thomas Pavetti write of Robards' visits to Monte Cristo Cottage, O'Neill's boyhood home in New London, Connecticut. George Beecroft, Richard Allan Davison and Daniel Lerner recall seeing some memorable Robards performances and Margaret and Ralph Randal recall two meetings with Robards. Also included are particularly fine obituary and memorial notices by Kevin Spacey, Joe Morgenstern and Charles Saydah and a tribute by Jason Robards' colleagues at The Roundabout Theatre.

Charlie Chaplin and His Women Irwin Guzov, 2001-09 This book is a novelistic description of Chaplin's tortured relations with women, starting with his insane mother. Rebuffed by his first love, a fifteen-year-old girl, he spends his whole life seeking someone who resembles his teenage sweetheart. Like Nabokov's antihero Humbert in Lolita, Nabokov had Chaplin in mind when he wrote his novel; he lusts after young girls. He pursues Mildred Harris, an actress, when she was but sixteen and marries her only when she tells him that she is pregnant. He divorces her after she gives birth to a malformed baby who doesn't survive. His next willing inamorata is Lita Grey, age sixteen, whom he reluctantly marries when her family threatens him with a charge of statutory rape. During his marriages to Mildred Harris and others and also between marriages, he provides the country's newspaper reporters with ample opportunities to write

about his escapades with stars such as Marion Davies the mistress of the famous publisher William Randolph Hearst Pola Negri Louise Brooks and Paulette Goddard all known stars of the 1920 s and 1930 s They are but a few of the women linked to his name in the daily headlines of the nation s newspapers In the 1940 s he becomes involved in an internationally publicized paternity suit brought on by an ostensibly disturbed and alcoholic girl named Jane Barry He finally takes up with Oona O Neil then age seventeen he was fifty four and marries her against the advice of saner heads

When Charlie Met Joan Diane Kiesel, 2025-02-11 Charlie Chaplin the silent screen s Little Tramp was beloved by millions of movie fans until he starred in a series of salacious real life federal courtroom dramas The 1944 trial was described by ace New York Daily News reporter Florabel Muir as the best show in town The leading lady was a woman under contract to his studio red haired ingénue Joan Barry Chaplin s protégée and former mistress Although he beat the federal criminal trial Chaplin lost a paternity case and had to pay child support despite blood type evidence that proved he was not the child s father A decade later during the Cold War the U S government used the Barry trials as an excuse to bar the left leaning sexually adventurous British born comic from the country he had called home for forty years Not only did these trials have a lasting impact on law they also raise concerns about the power of celebrity Cold War politics the media frenzy surrounding high profile court proceedings and the sorry history of the casting couch When *Charlie Met Joan* examines these trials from the perspective of both parties asking whether Chaplin was unfairly persecuted by the government because of his left leaning political beliefs or if he should have been held more accountable for his cavalier treatment of Barry and other women in his life

By Women Possessed Arthur Gelb, Barbara Gelb, 2016-11-01 Celebrated for their books on Eugene O'Neill and enjoying access to a trove of previously sealed archival material the Gelbs deliver their final volume on the stormy life and brilliant oeuvre of this Nobel Prize winning American playwright This is a tour through both a magical moment in American theater and the troubled life of a genius Not a peep show or a celebrity gossip fest this book is a brilliant investigation of the emotional knots that ensnared one of our most important playwrights Handsome charming when he wanted to be O'Neill was the flame women were drawn to all that is except his mother who never let him forget he was unwanted *By Women Possessed* follows O'Neill through his great successes the failures he was able to shrug off and the long eclipse a twelve year period in which despite the Nobel nothing he wrote was produced But ahead lay his greatest achievements *The Iceman Cometh* and *Long Day's Journey into Night* Both were ahead of their time and both received lukewarm receptions It wasn't until after his death that his widow the keeper of the flame began a fierce and successful campaign to restore his reputation The result is that today just over 125 years after his birth O'Neill is a towering presence in the theater his work always in performance here and abroad still electrifying audiences Perhaps of equal importance he is the acknowledged father of modern American theater the man who paved the way for the likes of Arthur Miller Tennessee Williams Edward Albee and a host of others But as Williams has said at a cost O'Neill gave birth to the American theater and died for it

Eugene O'Neill's Creative Struggle Doris

Alexander,2010-11 In Eugene O'Neill's *Creative Struggle* Doris Alexander gives us a new kind of inside biography that begins where the others leave off. It follows O'Neill through the door into his writing room to give a blow-by-blow account of how he fought out in his plays his great life battles: love against hate, doubt against belief, life against death, to an ever-expanding understanding. It presents a new kind of criticism showing how O'Neill's most intimate struggles worked their way to resolution through the drama of his plays. Alexander reveals that he was engineering his own consciousness through his plays and solving his life problems while the tone, imagery, and richness of the plays all came out of the nexus of memories summoned up by the urgency of the problems he faced in them. By the way of O'Neill, this study moves toward a theory of the impulse that sets off a writer's creativity and a theory of how that impulse acts to shape a work not only in a dramatist like O'Neill but also in the case of writers in other mediums and even of painters and composers. The study begins with *Desire Under the Elms* because that play's plot was consolidated by a dream that opened up the transfixing grief that precipitated the play for O'Neill, and it ends with *Days Without End* when he had resolved his major emotional/philosophical struggle and created within himself the voice of his final great plays. Since the analysis brings to bear on the plays all of his conscious decisions, ideas, theories, as well as the life and death struggles motivating them, documenting even the final creative changes made during rehearsals, this book provides a definitive account of the nine plays analyzed in detail: *Desire Under the Elms*, *Marco Millions*, *The Great God Brown*, *Lazarus Laughed*, *Strange Interlude*, *Dynamo*, *Mourning Becomes Electra*, *Ah, Wilderness*, and *Days Without End*, with additional analysis of plays written before and after.

The Cinderella Test: Would You Really Want the Shoe to Fit? Vera Sonja Maass,2009-06-24 A leading psychologist looks at the pitfalls women face when like the fairytale Cinderella they focus on pleasing others and conforming to stereotypes instead of expressing their individuality. In this thought-provoking volume, clinical psychologist Vera Maass examines the negative side of the glory of Cinderella's promise that women buying into the myth's demand for conformity risk losing their individuality and sacrificing their personal goals. Think the tale is too old or too innocent to be relevant? See television's *The Bachelor*. Based on Maass' extensive psychotherapy work and interviews, *The Cinderella Test: Would You Really Want the Shoe to Fit?* provides answers and strategies to issues raised by clients in therapy and women in the community at large, women of all ages and backgrounds. Maass also integrates stories of women throughout history who broke through limits placed upon them by sociocultural expectations and achieved richer, more fulfilled lives. An eye-opening look at the choices and challenges faced by women today, *The Cinderella Test* shows the dangers of trying to make the foot fit the slipper and why, and how Cinderella herself should be doing the testing.

[More of a Long Story](#) Sheila O'Neill,2008 The author recalls growing up with her father, Shane, the disowned son of playwright Eugene O'Neill.
