**OOPS!** David P. Barash,2023-08-15 Travel through history and around the world to learn about the greatest mistakes blunders and bloopers of all time Everyone makes mistakes and nearly everyone likes to know about them especially when made by someone else The Worst Blunders of All Time Shocking Tales from Pandora s Box to Putin s Invasion presents some of our most notable blunders from the silly to the consequential from ancient history to current events It offers the pleasure of Schadenfreude and of an easy going reading experience as well as here and there some learning opportunities The reader will see when relatively big things have gone wrong and couldn t be called back such as iconic mythical blunders like Pandora opening that troublesome box and Eve taking her ill advised bite to great historical oops such as Napoleon s invasion of Russia in 1812 as well as some less monumental but nonetheless exemplary mistakes such as the Curse of the Bambino when the Boston Red Sox sold Babe Ruth at the time a pitcher to the New York Yankees

These and other exemplary oops are presented in a light hearted way with some exceptions being catastrophic current catastrophes such as Trump s egregious mishandling of the COVID 19 pandemic Author David P Barash will take readers from the tragic to the whimsical with the latter represented by for example Wrong Way Corrigan an early twentieth century aviator who thought he was flying nonstop from New York to California but confused by a heavy fog ended up in Ireland Pointing out these and other mistakes will be an exercise in Monday morning quarterbacking and 20 20 hindsight Thus The Worst Blunders of All Time shall backstrapolate looking in the rear view mirror at mistakes made by others The Worst Blunders of All Time is neither an advice book nor a series of cautionary tales It s an easy and accessible read especially useful as therapy in these difficult times However its nonetheless accurate and informative giving rise to some potentially useful take home messages keyed to its material Ideally we should all benefit from our own mistakes making lemonade out of lemons while also following Eleanor Roosevelt s advice Learn from the mistakes of others You cannot live long enough to make them all yourself *me, Me, ME. Oops! Why not?* Theira Añez Ferrer, Theira, Delia Añez Ferrer, 2013-02 Life is a strategy at all levels and your life is your personal project and what a nice one it is If you dont take the risk to search and find answers if you never dare yourself to do anything that feels uncomfortable you will never know ever The things you didnt do because you labelled them crazy or ridiculous all the unreachable goals you created in your mind those are the things you will regret all the what ifs of your life You can change all that you now have that one chance to shout out loud Oh yes I can Thats the stuff that shapes your future the stuff that makes history the stuff that brings nothing but satisfaction I did it I transformed my life it wasnt always easy but I wouldnt have it any other way the tears the pain the fun It is never too late to have a sexy glamorous and fun filled life while being effective productive and practical By following my rules youll see that they actually complement each other very well indeed So here they are My sexy little secrets The sexy rules Theira Añez Ferrer, 2013-02 Author of Cadenas Invisibles Email [sexyliferules@yahoo.com](mailto:sexyliferules@yahoo.com) Also available online [Oops!
