Hughes, 2010 As religious believers feel themselves more threatened by the modern world they increasingly often turn to fundamentalism The fundamentalist insists that engaging with contemporary culture ends in the watering down of Christianity to suit the passing whims of the age Yet Gerard J Hughes argues in Fidelity without Fundamentalism that in fact being a faithful Christian involves avoiding fundamentalism Believers are sometimes encouraged to sweep under the carpet issues which it is thought they should be protected from for fear they might undermine their faith The longer term effect of this is not to preserve their faith but to corrode it Publisher s description **Why is Q Always Followed by U?** Michael Quinion, 2009-07-02 Long time word detective and bestselling author of Port Out Starboard Home Michael Quinion brings us the answers to nearly two hundred of the most intriguing questions he s been asked about language over the years Sent to him by enquiring readers from all around the globe Michael s answers about the meanings and histories behind the quirky phrases slang and language that we all use are set to delight amuse and enlighten even the most hardened word obsessive Did you know that Blighty comes from an ancient Arabic word Or that Liberace cried his way to the bank so many times people think he came up with the phrase That cloud nine started out as cloud seven in the speakeasies of 30s America And that the first person to have their thunder stolen was a dismal playwright from Drury Lane Michael Quinion s Why is Q Always Followed By U is full of surprising discoveries entertaining quotations and memorable information There are plenty of colourful stories out there but Michael Quinion will help you discover the truth that lies behind the cock and bull stories and make sure you re always linguistically on the ball **The British National**
