Oops I Misplaced My Marriage:

Oops, I Lost My Sense of Humor Lois M. Santalo, Lois Wells Santalo, 2002-11 The doctor said Don't try it you could die on the operating table A scary thought but the alternative was worse waiting a few months for certain death The author decides to go with the riskier option which offers hope for the future In this poignant true story a woman reflects on her life loves family and marriage as she comes to terms with her mortality This memoir shows us older folks as we really are rather than as people perceive us Virginia Welsh teacher MAGNIFICENT The word flow is poetry I wonder if there's an editor with the courage to publish it Howard Fisher author of *Salome*

Oops! I Forgot My Wife Doyle Roth, 2004 How goes the husband so goes the marriage Do you agree With few exceptions a husband's loving leadership or lack of it sets the tone for the marriage The trouble is when it comes to loving leadership most guys draw a blank That's why this marriage book takes the form of a story In *Oops I Forgot My Wife* Doyle Roth puts thirty plus years of marriage counseling experience into the story of a guy named Mitch A guy who is so bad at husbanding he wakes up one morning king of an empty castle On the brink of divorce he learns what love really means Told through an exchange of emails Mitch's story is about real marriage flaws and all It's not pretty or sanitized but any man willing to examine his own heart will see the truth in it and benefit greatly from his story On the other hand husbands who are already perfect may know of some friend who could use a wake up call This book would make a perfect gift for that friend's wife

E. D. Arrington, 2005-12-01 Secrets lurked amongst the small intimate group of family and friends secrets they hoped and prayed would never be revealed But when Jackson Pryce is murdered in the wee hours on that frosty Christmas morning the secret he kept about his investigation of the underground world emerges Then Jackson's handwritten notes fall into the hands of Detective Clay Stephens his friend and former partner Determined to find Jackson's murderer no matter where or to whom the road leads one by one Clay shines a light on all of their secrets Yet only one secret would bring all of their fragile worlds crumbling down Only one secret would wreak havoc over all of their lives Only one secret would keep them all living on the edge In time only one secret would break through for all to see It was destined to happen the question is when where and how Would it be Bridgette's decision to keep secret the large sums of money she had quietly withdrawn from her personal bank account or that she sneaked off the Estate to spend an evening with the one friend her husband so desperately tried to keep away from his pregnant wife Would it be David's and Agnes's decision to keep the question of their daughter's paternity a secret or that Jackson the man Bridgette knew as Uncle Jack and loved like a father had shared much more with her mother than just a close friendship Would it be Jeremy's decision to keep hidden the sordid secret of his mother Diana Robinson alias Sara White by claiming his parents were dead or his night of lust and passion with his ex lover Fran McKenzie Would it be Megan's decision to keep hushed that she squandered away hundred of thousands of dollars from her trustfund in the casinos or waiting too late to disclose her relationship with another man Reginald Douglas
