

THE FOURTH DEADLY SIN

Delighting in the city, he strode down Second Avenue. Edward X. Delaney, retired now from New York's finest, knew he could never ever move away from the city he knew and loved so well.

The food summed it all up: the variety of delis, patisseries, ethnic grocers. Just shopping, now he had the time, was a pleasure to be savoured.

But it was that detailed knowledge of city and people that was about to bring him out of retirement.

Psychiatrist Dr Simon Ellerbee had been killed — beaten to death in his own fashionable consulting rooms. He and his beautiful wife came from old-money families with political clout and connections. The case was headline news, one that would make or break careers. A lot of people were getting jumpy and a lot of deeply disturbed patients had to be investigated.

Edward X. Delaney was needed once more.

Diekstra,2024-04-02 The late Middle English Weye of Paradys and its French source La Voie de Paradis use the theme of the allegorical journey to Paradise Essentially they are popular guides to confession adaptations for the layman of more specialized works in Latin such as Raymond of Pennafort's Summa de Poenitentia This edition presents critical texts of both The Weye of Paradys and La Voie de Paradis and analyzes the relations of the English text with its immediate French and distant Latin sources This work makes the English and French texts available in print for the first time and places them in the wider field of popular penitential literature **Policy and Planning as Public Choice** David Lewis,Fred Laurence
