

The Lord Will Preserve His People *Isa 25:4-5*

(2) The refuge.

Throughout the centuries, God has kept His church in spite of the attacks of Satan (*Matt. 16:18*) and

He will deliver His church from the wrath to come (*1 Thes 1:10; 5:9*).

When “**the day of the Lord**” comes to this godless world, God will see to it that the Jewish remnant will be preserved.

*“Hide yourselves for a little while until his wrath has passed by. See, the LORD is coming out of his dwelling to punish the people of the earth for their sins”
(Isa. 26:20-21 NIV).*

Brinkerhoff, 2009-03-02 In the first full length scholarly study of the increasingly important phenomenon of digital diasporas Jennifer M Brinkerhoff examines how immigrants who still feel a connection to their country of origin use the internet She argues that digital diasporas can ease security concerns in both the homeland and the host society improve diaspora members quality of life in the host society and contribute to socio economic development in the homeland Drawing on case studies of nine digital diaspora organizations Brinkerhoff s research supplies new empirical material regarding digital diasporas and their potential security and development impacts She also explores their impact on identity negotiation arguing that digital diasporas create communities and organizations that represent hybrid identities and encourage solidarity identity and material benefits among their members The book also explores these communities implications for policy and practice **An Exposition of the Old Testament ...** By John Gill.
