Simataa,2012-05-10 This special and remarkable book The Seventh day Sabbath and its Redemptive Function in Gods Everlasting Covenant of Grace by A M Simataa addresses topical issues in the Bible quite pertinent to the 21st Century Christianity The author takes a defensive approach of the gospel and brings to the surface some of the least understood teachings of the Bible Although written from a Seventh day Adventists perspective people of differing religious background and persuasions will find this book very instructive If you have been looking for a book that pains takingly discusses the Gospel seriously and biblically this is the book you have been searching for Some of the topics featured in the book include The Truth about the Bible Sabbath The Judgment of the Living Heavenly New Jerusalem The Marriage Supper of the Lamb and the Rapture The Remnant Church in the Parables Mr A M Simataa teaches at a High School in Windhoek Namibia He likes sharing the Gospel with others and spends some of his spare time witnessing to others The central role of the Seventh day Sabbath in the Redemption of our race is the least understood topic in the Bible today Most believers have even dismissed its relevance to todays Christianity However the truth is that the Sabbath is at the heart of Christs work to save human beings in accordance with Gods plan The Sabbath is so central to the work of atonement that Christ is referred to in the Bible as the Lord of the Sabbath The issue of the Sabbath will become pertinent as we near the End and every human being will be required to take a stand in the conflict involving the Sabbath question This book will plant your feet on a solid foundation

people of God against cultural assimilation and spiritual idolatry not to stimulate end times speculation The Revelation is a sustained attack against diluted discipleship with an unrelenting focus on the immediacy of God's presence in the totality of life Nothing escapes the gaze of Christ

Washington, 2017-07-05 The Metaphysics of Love develops the existential metaphysics of St Thomas Aquinas applying it to explore the ontological structure of the human person Published first in 1962 this book demonstrates the fertility of Thomistic metaphysics and the enduring influence of Thomism on Western philosophy It uncovers the ecstatic structure of human existence in dialogue with philosophers ranging from Plato Aristotle and Aquinas to Kant Hegel Heidegger Tillich Zubiri and Ortega y Gasset as well as theologians and historians Romano Guardini Hilaire Belloc and Eric Voegelin Philosophical and theological examinations of love have in various ways raised the following question how can love of self eros be harmonized with love of others agape These types of love represent two drives Wilhelmsen argues that in the end must be seen as aspects of existence itself Moral and psychological problems of love turn out to be manifestations of metaphysical issues While different cultures have emphasized one of these drives or the other a healthy culture will not completely forget either Cultures differ in the way they emphasize one or the other or flee from one or the other These dimensions of human existence provide the framework for a person's love of self neighbour and God This volume is part of Transaction's Library of Conservative Thought series

A Muted Imam Khalid A. Wasi, 2015-06-18 One of the markers of globalization is that most Western societies have become diverse and pluralism is the new challenge With Islam and Muslims receiving so much media coverage it begs the question of nativity and the evolution of Islam as it should be interpreted from a Westerner's experience and perspective There are many mosques and communities filled with immigrant Muslims Naturally they have brought along their own culture and religious practices We must contextualize the value of the immigrant experience The book Muted Imam although speaking of events in Bermuda sheds light on what should be an inherent right of expression in every part of the world It speaks of Islam coming out of environments as opposed to being parachuted in This is the story of a man who climbs through isms and ideology to discover truth There are some axiomatic questions posed in the book that may help shed the notion of Islam as a cultural phenomenon while placing man and human consciousness at the center of the universe and the purpose of being The book emphasizes and re-emphasizes that attaining truth is the repository of the whole of humanity and it dispels the notion of the Quran belonging to a sect rather than to all of humanity Muted Imam strives to give young people the courage and inspiration needed to stand
