Open Heart, Clear Mind Thubten Chodron, 1994 The Three Principles of the Path Gelek Rimpoche, 1994-09-21 The Three Principles of the Path was written by Je Tsongkhapa 1357-1419 one of the greatest lamas in the history of Tibet In fourteen stanzas the entire path to enlightenment is explained summarized in three main features i.e. the need for a determination to be free the need to develop altruism and insight in the true nature of reality Gelek Rimpoche's commentary is both practical and modern revealing the deeper layers of this poetic text together with tips on how to meditate on its meaning *The 50/75/100 Solution* Bryan Falchuk, 2019-10-09 In any difficult relationship whether professional romantic family friendship or some other type of relationship there are two sides to the story What if there was a way to rid any relationship from its dysfunction even if you think you aren't the cause of it Seeing not just your role in the problem but your ability to change the role of the other side of the equation is powerful That's the 50/75/100 Solution Learn how to be the source of the solution if you aren't the source of the problem *Gateway to the Spiritual Path* , **Don't Believe**

Everything You Think Thubten Chodron, 2013-01-08 It can be hard for those of us living in the twenty first century to see how fourteenth century Buddhist teachings still apply When you're trying to figure out which cell phone plan to buy or brooding about something someone wrote about you on Facebook lines like While the enemy of your own anger is unsubdued

though you conquer external foes they will only increase can seem a little obscure Thubten Chodron's illuminating explication of Togmay Zangpo's revered text *The Thirty seven Practices of Bodhisattvas* doesn't just explain its profound meaning in dozens of passages she lets her students and colleagues share first person stories of the ways that its teachings have changed their lives Some bear witness to dramatic transformations making friends with an enemy prisoner of war finding peace after the murder of a loved one while others tell of smaller lessons like waiting for something to happen or coping with a minor injury

Foundations of the Path Bhikshuni Thubten Chodron, 2015-01-01 In the early eleventh century the Indian Buddhist master Atisha condensed essential points from the sutras and ordered them into the text *Lamp of the Path* These were then expanded upon in the fourteenth century by the Tibetan Buddhist master Lama Tsongkhapa into the text *The Great Exposition on the Gradual Path to Enlightenment Lamrim* Chenmo Venerable Thubten Chodron taught on this text over several years at Dharma Friendship Foundation and related these practical teachings to our daily lives These ebooks are lightly edited transcripts of those teachings They have been organized and formatted by Lai Wee Chiang This first volume contains teachings on a Introduction to the Lamrim b How the Teachings Should Be Studied and Taught c Mind Rebirth Cyclic Existence and Enlightenment d The Six Preparatory Practices e How to Rely on a Spiritual Mentor f Precious Human Life

Awakening the Kind Heart Kathleen McDonald, 2010-05-10 Everyone appreciates kindness A smile a few friendly words a show of concern when we're troubled or feeling unwell an offer of help gestures of kindness like these brighten our day and ease whatever sadness we may feel in our hearts Feeling that someone cares fulfills a very deep need that we all have And just as we appreciate other people being kind to us others appreciate it when we are kind to them That is why it is important to learn to be kind because it will help make our relationships and interactions with others more satisfying and less problematic But it's not always easy to be kind Sometimes our hearts are filled with anger jealousy or pride and being kind is the last thing we feel like doing Or we get so caught up in our work and responsibilities that we find no time to think of others and their needs no time to be kind and gentle However these problems can be remedied The Buddhist tradition offers a wealth of methods

that can be used to overcome whatever prevents us from being kind and gentle Some of these methods are explored and explained in this book in a way that will allow you to practice them in your daily life Awakening the Kind Heart offers powerful and inviting meditation techniques to activate the heart of kindness within us all a modern and motivating interpretation of traditional and powerful practices
