The Ninefold Path Anthony Alioto, 2012-10-01 Anthony Alioto was diagnosed with end stage renal disease in 1993 and was forced to go on dialysis for several years before receiving a successful kidney transplant in 2000 In *The Ninefold Path* he invites readers to join him on a harrowing personal journey through a labyrinth of tests what can I expect meetings with medical staff surgeries and near death experiences He spares no detail in his desire to provide a guide for others living with a chronic disease and their families and friends on how to navigate the oftentimes rough waters of modern medicine *The Ninefold Path* is for all of those wearily traveling through chronic illnesses and for those by their sides wondering what to do it is a celebration of the extraordinary individuals in medicine who relieve the suffering of strangers each and every day In cataloging detail there is inspiration plus a call to compassion and serenity A Note to the Reader from *The Ninefold Path* The reader can expect to encounter a very personal and human account of chronic illness sometimes painful sometimes hilarious and then at times simply absurd but hopefully also moving One need not search for profound insights recipes therapy or sage advice It is my hope that you will come away with a feeling a sense of being there maybe a kind of liberation from the merely personal as Einstein phrased it and a new appreciation for what others endure daily Even in the midst of suffering physical pain and mental anguish a person may yet gain the freedom to live a life of celebration joy compassion and serenity Zen Master Kyong Ho once said Don't hope for life without problems An easy life results in a judgmental and lazy mind
