Open My Eyes, Open My Soul Yolanda King, Elodia Tate, 2004 A collection of stories and poetry which celebrate the common humanity of the world

Coretta Scott King Laura T. McCarty, 2009-04-30 Coretta Scott was committed to social justice long before she met and married Martin Luther King Jr She shared in all the dangers that King's prominence in the civil rights movement brought and she saw herself as full partner in the movement Yet she generally remained in the background supporting King's work and caring for their children until his assassination transformed her into a movement leader in her own right founder of the King Center leader of a mass demonstration for a renewed national commitment to nonviolent social change force behind the establishment of the national holiday bearing her husband's name This book follows the trajectory of Coretta Scott King's tumultuous life at the heart of the most important American social movement of the 20th century

Coretta Scott King's Tumultuous Life Laura T. McCarty, 2009-04-30 Coretta Scott was committed to social justice long before she met and married Martin Luther King Jr She shared in all the dangers that King's prominence in the civil rights movement brought and she saw herself as full partner in the movement Yet she generally remained in the background supporting King's work and caring for their children until his assassination transformed her into a movement leader in her own right founder of the King Center leader of a mass demonstration for a renewed national commitment to nonviolent social change force behind the establishment of the national holiday bearing her husband's name This book follows the trajectory of Coretta Scott King's tumultuous life at the heart of the most important American social movement of the 20th century

Behind the Public Veil Lewis V. Baldwin, 2016-06-03 What was Martin Luther King Jr really like In this groundbreaking volume Lewis V Baldwin answers this question by focusing on the man himself Drawing on the testimonies of friends family and closest associates this volume adds much needed biographical background to the discussion as Baldwin looks beyond all of the mythic messianic and iconic images to treat King in terms of his fundamental and vivid humanness Special attention is devoted to King's personal insecurities and struggles his humility and affinity to common people his delight in pleasant and passionate conversation his insatiable love for the precious but ordinary things of life his robust appetite for artfully prepared and delicious soul food his enduring appreciation for music and dance his cheerful and playful attitude and spirit his abiding interest in games and sports and his amazing gift of wit humor and laughter King emerges here as an ordinary human being who enjoyed and celebrated life to the fullest but was never bigger than life Here we see the personal qualities of King as a real fleshly human being and also as a man shaped by his social and cultural experiences and locations This book reclaims the man behind the mythology

Recruiting and Retaining Culturally Different Students in Gifted Education Donna Y. Ford, 2021-09-09 One pervasive educational issue is the national underrepresentation of Black and Hispanic students in gifted education Virtually every school district is grappling with having too few students from these groups identified as gifted and served in gifted classes and programs Recruiting and Retaining Culturally Different Students in Gifted Education addresses this long standing national problem through the dual lens of recruitment and retention The focus is on how to equitably recruit screen refer and or assess culturally different students and just as importantly to retain them Recruitment and retention require providing academic cultural and social supports to culturally different students and ensuring that educators are willing and able to address issues and barriers No time is better than now to address and correct the underachievement albatross and the focus on recruitment and retention holds the greatest promise Nominated for a 2014 NAACP Image Award in the Outstanding Literary Work Instructional Category *Ebony* , 2004-01 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine

Strategic Realization of Millennium Development Goals Ezechi Chukwu PhD, 2013-11 The efforts to improve on the conditions of human life by individuals private and public sector is doubtless a continuous process In any case peace and security are necessary conditions for any meaningful sustainable human development To that effect both the League of Nations formed in 1919 after the World War I and the United Nations Organization created in 1945 after the World War II are geared towards global peace and security as requisites to worthy conditions of human life The Millennium Development Goals MDGs which was established by the UN in the year 2000 is symbolic of an enhanced commitment towards the betterment of man in the 21st Century The present work is an attempt to take a general look at the MDGs so far The book underscores however the fact that progress has been actually made in some of the eight targeted areas of the goals so far Having said that the MDGs are

confronted with some challenges and fundamental gaps Some of these gaps exist because of the non inclusion of certain key elements into the goals In this vein the philosophy and works of Fr Prof Emmanuel M P Edeh could offer a veritable approach for the actualization of the MDGs in general For close to three decades Edeh has contributed enormously in MDGs related programme and his modus operandi continues to remain efficacious and sustainably functional Hence the need for its consideration for the strategic realization of the MDGs

Margaret Cho Caroline Tiger,2009 From her first moment onstage as a teenager with her high school improv group Margaret Cho knew that performing was her destiny It didn t matter if she became rich or famous she knew that being onstage and making people laugh would make her happy At age 16 she began doing standup at the comedy club above her parents bookstore in San Francisco In 1994 Cho landed a sitcom All American Girl about a rebellious daughter in a conservative Korean American household Though it made television history as the first sitcom to feature a mostly Asian cast the show was short lived and its failure hit Cho hard In her early twenties she struggled with body image issues low self esteem and drug and alcohol addiction Ultimately Cho rebuilt her confidence and decided to use her comedy as a cathartic vehicle to help others Since then she has launched several wildly popular comedy tours written a few books and built a huge fanbase Read about how this brash trail blazing talent became in the words of the Washington Post the patron saint of anyone who has ever felt like an outsider
