Open Path Christian Missionaries 15151914:

An Open Path Jack Beeching,1982 *Missionary Practices and Spanish Steel* Andrew L. Toth,2012-10 The work and ministries of the Roman Catholic friars who gave their lives both as martyrs for the cause of their church and in years of hard and often thankless labor are the inspiration and basis for *Missionary Practices and Spanish Steel* a theological and practical narrative that seeks to remember and understand their accomplishments in Christian mission Missionary and theologian Andrew L Toth investigates the roots of Christian mission as it developed into the field of Christian missiology in the chaotic terrible and incredibly diverse three hundred year Spanish conquest of North America indigenous nations Through his research Toth shows that in the great majority of the cases studied the friars accomplished their goals to transform these native cultures into their own Spanish culture to account them as Roman Catholic Christians This study us more than just a history of the friars missionary movement Toth not only explores how Spanish Catholic missionaries approached their work but also asks to what extent their approach conformed to a particular theological perspective Toth rounds out his argument by speculating on what the friars can teach us about the role of missionaries today Comprehensive and thought provoking *Missionary Practices and Spanish Steel* offers a new perspective on the current missionary movement by looking through the lens of the past *The Portable Seminary* David Horton,2018-08-21 Take Your Theological Education to the Next Level Deepen your biblical and theological knowledge without the time expense and formality of seminary In this extensively updated book discover all the major topics in a typical seminary master s program authoritatively taught by respected professors authors and leaders This introduction to a biblical studies degree is ideal for the layperson or anyone in vocational ministry who lacks the time or finances to attend classes who lives where formal training is unavailable or whose previous education is primarily secular Study what you want when you want Subjects include systematic theology surveys of the Old and New Testaments apologetics world religions church history homiletics leadership Christian education and more *The Age of Wars of Religion, 1000-1650* Cathal J. Nolan,2006-04-30 The Age of Wars of Religion saw navies armies armed merchant companies and mercenaries battle one another and local potentates in many lands and along numerous shores Wars of religion were fought in and between all the major religions and civilizations from Europe to China in Africa and in the isolated Americas mixing motives of knightly idealism mercenary greed and competing claims of divine sanction This unparalleled work traces the extraordinary upheavals of the period in military technology competing theologies and civilizational change that were brought about by or impinged upon military conflict It offers nearly 2 000 discrete but cross referenced entries on cultural military religious and political history as well as geography biography and military literature Close to 2 000 entries offer detailed information on the major events places battles figures technologies and ideas one must know to begin to make sense of the past six centuries of global conflicts Though especially ferocious and intense the Wars of Reformation and Counter Reformation fought by Europeans from the 15th through 17th centuries were hardly unique in

world or military history The Byzantine Empire bastion of Christian Orthodoxy staggered to the tortuous end of its long conflict with the Ottoman Empire the Great Power of the Sunni Muslim world The Ottomans in turn were still engaged in an equally ancient intra Muslim war between Sunnis and Shi ites In India the Hindu Rajputs and Marathas and also the Sikhs organized armies around religious communities to throw off the Muslim Yoke Mughul Empire and also fought against Christian invaders from Europe As for the isolated Americas ideas of divine kingship sustained by powerful priesthoods and religious warfare also prevailed as exemplified by the Inca and Aztec empires **A History of the Church in Africa** Bengt Sundkler, Christopher Steed, 2000-05-04 Bengt Sundkler's long awaited book on African Christian churches will become the standard reference for the subject *Colonialism & Modernity* Paul Gillen, Devleena Ghosh, 2007 Few books tell such a broad global history using an interdisciplinary approach that blends historical and cultural scholarship Author based at UTS

Civil Societies and Social Movements Ronnie D. Lipschutz, 2017-03-02 This volume offers an historical and comparative overview of the literature theory practices and critiques of what has been variously labelled global or transnational civil society which includes a broad range of non state actors political social and economic The volume includes an introductory essay that historicizes and problematizes the relationship of society to state and market and contextualizes the pieces in the volume while locating the literature in relationship to international relations political science and sociology
