## **Open Secrets A Memoir Of Faith And Discovery:**

**Open Secrets** Richard Lischer, 2002-06-11 In the tradition of Garrison Keillor *Open Secrets* captures the friendships rivalries and rumors of small town life by chronicling the lives of the citizens of a small Midwestern community through the eyes of a young minister Fresh out of divinity school and bursting with enthusiasm Richard Lischer found himself assigned to a small conservative church in an economically depressed town in southern Illinois It s an awkward marriage at best a young man with a Ph D in theology full of ideas and ambitions determined to improve his parish and bring it into the twenty first century and a community that is as tightly sealed as a jar of home canned pickles In *Open Secrets* Lischer tells not only his own story but also the story of New Cana and its inhabitants With charm openness and humor Lischer brings to life the clash of cultures and personalities that marks his pastoral tenure including his own doubts as well as those of his parishioners that a twenty eight year old suburban raised liberal can deal with the troubled marriages alcoholism teen sex inadequate farm subsidies and other concerns of the conservative tightly knit community But the inhabitants of New Cana lovable deeply flawed imperfect people who stick together open their arms to him in their own way and the result is a colorful poignant comedy of small town life and all it has to offer

**Living Our Story** Larry A. Golemon, 2010-12-31 *Living Our Story* explores how good narrative work the retrieval construction and performance of valued stories takes place in ministry Authors Larry A Golemon Lee Ramsey N Graham Standish Tim Shapiro Carol Johnson Mike Mather Niles Elliot Goldstein and Diana Butler Bass examine this question from a variety of perspectives including the role of the pastor or rabbi as narrative leader the sacred and mundane stories that shape congregational life and identity storytelling as a means of community building and story sharing as a practice of hospitality Through the stories they themselves tell these authors show how stories witness to God s presence in the unfolding of human life and how the best leaders craft stories that reveal how God is at work among the people and inspire them to become a part of this larger story

*Starting with Spirit* Bruce G. Epperly, 2010-12-21 *Starting with Spirit* is a spiritual and professional resource for new pastors their family members and congregations as well as ministers in every season of ministry who seek to grow in vitality and skill in the ongoing adventure of ministry For more than thirty years Bruce Epperly has followed the call of the spirit moving through his vocations as a congregational pastor university chaplain seminary and university professor and seminary administrator Drawing on these experiences he addresses the new pastor s transition from seminary student to congregational leader pastoral authority the honeymoon boundaries death the pastor s spiritual life health and relationships the role of the associate pastor and continuing education

**1 & 2 Timothy and Titus** Thomas G. Long, 2016-01-28 Thomas G Long s insightful commentary on the Pastoral Epistles argues that these often neglected letters are urgently important for readers today Some of the issues faced by New Testament churches are ours as well the lure and peril of spirituality for Christians the character of authentic worship the qualities needed for sound leadership and the relationship between family life and the church Long s

interpretations of these books consider contemporary exegetical and theological outlooks and are presented through his seasoned homiletical and pastoral perspectives Pastors will be strengthened by Long's view that the Pastoral Epistles can refresh our memory about what really counts in the Christian community and how important trustworthy leaders are

**A Generous Presence** Rochelle Melander, 2006-08-28 A Generous Presence is a collection of story-driven essays about the philosophy, tools, and work of coaching that is designed to support all spiritual leaders in deepening and enriching their personal and professional relationships By practicing the coaching tools Rochelle Melander offers spiritual leaders will be better equipped to guide those they work with toward accepting the past, creating a life vision, and setting goals for the future Additionally, the tools provided in this book will help leaders understand themselves and enable them to strengthen their definitions for healthy living, raise their awareness about their own life and relationship skills, and improve their skills in relating to individuals and groups

The Pastor as Minor Poet M. Craig Barnes, 2008-12-30 Today's pastors often expected to be multitasking marvels who can make their churches successful are understandably confused about their role Craig Barnes contends that the true calling of a pastor is to help others become fully alive in Christ to be a minor poet or poet of the soul As such, pastors are to read the major poets of Scripture and history in light of the dust and grit of daily parish life The Pastor as Minor Poet eloquently calls pastors to search for a deeper understanding of what they see both in the text of Scripture and in the text of their parishioners' lives A critical part of this poetic vision involves discerning key subtexts beneath these texts, which allows pastors to preach the heart of the Word and to understand the hearts of their people Written with a seasoned pastor's depth of understanding and a poet's sensibility and sensitivity, this book will minister to and inspire pastors everywhere

Take My Hand: A Theological Memoir Andrew Taylor-Troutman, 2013-02-13 Take My Hand is an invitation to experience a year of preaching through the eyes of a first-year pastor Andrew Taylor Troutman reflects on his experience of ministry as a dynamic exchange between his theological education and the people in the pews Each chapter consists of Taylor Troutman's reflections about a particular aspect of living as a faith community and concludes with a sermon exploring similar themes and ideas As this book journeys through the Christian liturgical year, Taylor Troutman considers a wide range of contemporary church issues, including the role of children in worship and the communal practice of Sabbath He discusses topics as diverse as the Rapture, the death penalty, and church league softball Along the way, readers will laugh at Sunday morning bloopers, study biblical texts from new perspectives, wrestle with theological questions, and discover parallels between their own experience of faith and the life of this small rural congregation More than just a retrospective summary of events, Take My Hand poignantly illustrates how a pastor's work on Sunday morning grows out of his or her engagement with the hopes and fears of daily life and the inspiring faith of men, women, and children in a church The Group Study Edition encourages people of different ages and experiences to discuss and enjoy the book while applying insights to their own communities of faith

**Wandering Into Grace** Laurie Haller, 2020-02-18 Learn life lessons to wander

into grace as a way of life In *Wandering into Grace* Bishop Laurie Haller explores wandering as a way of life Through the narrative of her 2018 trekking trip in Nepal Haller shares her adventures alongside lessons for navigating difficult issues with grace learning to adapt in a changing world leading calmly using collective wisdom to solve problems serving others out of love and the value of rest in order to be fruitful in the long haul Through Haller's examination of experiences wandering high on the mountain she encourages readers to look to God as the creator sustainer and original wanderer who leads and guards their life story Product Features Author shares her story of discovery and hope on the high Himalayan trails of Nepal Readers learn life lessons through the lens of the author's wanderings Chapters explore six spiritual disciplines waiting negotiating sustenance loss rebuilding and rest

*Just Tell the Truth* Richard Lischer, 2021-02-23 What does it mean to live the Christian life with conviction Richard Lischer insists that Christians have a stake in the political and social conflicts that are dividing our culture In whatever circumstance Christians are obligated to tell the truth about what it means to be a follower of Jesus In *Just Tell the Truth* Lischer explores seasons of suffering hope and triumph in the light of the gospel Drawing upon Scripture and the lives of both well known and anonymous Christians he helps his readers imagine what truthful living looks like While remaining biblically and theologically rooted the sermons eloquently engage the present moment showing how Christian conviction has a place in the controversial realms of politics racial justice and the COVID 19 crisis The nourishing meditations in *Just Tell the Truth* align the rhythm of the gospel with the curvature of human experience empowering Christians to find the heart of God in what is too often a heartless world

**Preaching with Humanity** Geoffrey Stevenson, Stephen Wright, 2008 How can old fashioned preaching survive in today's culture How can we preach with humanity not to it or at it Whether you're a new enthusiast or an experienced practitioner this book will help you in the life long process of becoming a preacher with humanity

**Practicing the Present** John Koessler, 2019-06-04 The present is more than a place where the past comes to rest It is more than a staging ground for the future The present is where God shows up We live our lives in the present but often our minds are racing toward the future or overwhelmed by the past We want to change the past and control the future but usually all we really do is exhaust ourselves in the here and now Writing especially with church leaders in mind Dr John Koessler a former pastor and professor teaches you how to evade the tyranny of past regrets and future plans and meet God right where you are in the present

**Evangelical Calvinism** Myk Habets, Bobby Grow, 2012-06-08 In this exciting volume new and emerging voices join senior Reformed scholars in presenting a coherent and impassioned articulation of Calvinism for today's world Evangelical Calvinism represents a mood within current Reformed theology The various contributors are in different ways articulating that mood of which their very diversity is a significant element In attempting to outline features of an Evangelical Calvinism a number of the contributors compare and contrast this approach with that of Federal Calvinism currently dominant in North American Reformed theology challenging the assumption that Federal Calvinism is the only possible expression of orthodox Reformed theology This book

does not however represent the arrival of a new Calvinism or even a neo Calvinism if by those terms are meant a novel reading of the Reformed faith An Evangelical Calvinism highlights a Calvinistic tradition that has developed particularly within Scotland but is not unique to the Scots The editors have picked up the baton passed on by John Calvin Karl Barth Thomas Torrance and others in order to offer the family of Reformed theologies a reinvigorated theological and spiritual ethos This volume promises to set the agenda for Reformed Calvinist discussion for some time to come *Loving and Leaving a Church* Barbara Melosh, 2018-07-24 Barbara Melosh's story was a common one A second career seminarian she arrived at her first pastorate brimming with enthusiasm and high hopes The blue collar congregation to which she'd been called had a glorious past but an uncertain future Certain that she could turn around its slow yet undeniable slide into decline Melosh inaugurated a number of church growth and outreach programs Most of these efforts had little effect and the ones that did seem to work soon suffered reverse outcomes and eventual demise In the end Melosh had to conclude that the members of the congregation liked their church the way it was and that she could not drag them into a future they did not want Yet while the congregation failed to change itself Melosh notes it succeeded in changing her Simply put it made her a pastor At times heartbreaking and hilarious *Loving and Leaving a Church* offers a glimpse into the challenges and opportunities of ministry in a mainline church *We Preach Not Ourselves* Michael P. Knowles, 2008-04 Holds Paul up as a model of faithful and effective preaching to help pastors and seminarians evaluate their own preaching *The Tales that Bind* William Lowell Randall, Rosemary Clews, Dolores Furlong, 2015-02-05 Every year thousands of new practitioners in professions such as social work education medicine and the church leave the large urban centres where they received their training and go to work in small towns remote hamlets and other rural settings Often they find themselves unprepared for professional life in these communities Drawing on in depth interviews conducted with more than forty practitioners working in a range of professions and communities throughout rural New Brunswick *The Tales that Bind* presents a narrative approach to facing these challenges Using fictionalized vignettes and autobiographical sketches William Lowell Randall Rosemary Clews and Dolores Furlong argue that success as rural practitioners requires knowing the story whether that is personal communal or regional An accessible practical guide to using narrative techniques in practice *The Tales that Bind* is a unique resource for students teachers and professionals working in rural settings **With God in the Crucible** Peter Storey, 2010-09-01 Often the church is accused of being so embedded in the culture that effective prophecy leveled at the culture is impossible But this book illustrates that there was a time and a place where the church community was faithful to its mission as the body of Christ as church leaders led people lifted high the cross and they marched into the uncertainty that still prevails Here is a time and place where the call to risky discipleship was answered not with whimpers whines and excuses but with the power of faithful Christians living out their call This book illustrates what it can mean to faithfully answer the call to discipleship and God's service Many people wonder if they would be able to stand up for their faith if it

meant great personal sacrifice or the sacrifice of people they love They wonder what they would risk for their faith if anything In the United States where cost benefit analysis is a popular way to assess risk many Christians wonder if they might not have to stand alone because too many see the risks as too costly As suggested by the title this book draws upon a collection of sermons and addresses given by Peter Storey in a variety of contexts between 1966 and 1993 The original audiences ranged from the all white Central Methodist Church in Johannesburg to the South African Council of Churches to the nation of South Africa and to the world All of these sermons and addresses are directly related to specific historical events security police confrontations beatings and tear gassings in churches around the country of South Africa an imposed State of Emergency the murder of 14 year old Stompie Sepe by Winnie Mandela s thugs and the violent jockeying for power between Mandela s African National Congress Chief Mangosutho Buthe lizi s Inkatha Movement and F W de Klerk s regime The book offers the full perspective of what it means to speak truth empower people to stand for the truth and to pastor souls during times when living truth seems almost impossible Key Features 1 Foreword by Desmond Tutu 2 15 chapters each including a brief description of the original context the sermon and its connection with the present and a prayer 3 Epilogue by Will Willimon

*God's Country* Brad Roth, 2017-09-19 With the poetic force of Kathleen Norris and the pastoral warmth of Eugene Peterson Kansas pastor Roth sets forth a vision for vibrant rural churches for ministry in congregations that bear a profound sense of both loss and possibility and for harvesting fruits of transformation and renewal Rooted in stories from Scripture his own ministry and interviews with rural church leaders Roth offers a sturdy theological and practical alternative to church growth strategies that rely on success stories and flashy metrics Reclaiming God s vision for the rural church Roth writes means learning how to praise abide watch pray grow work the edges die befriend and dream In God s Country rediscover the stunning abundance of God s presence in rural communities Name the ways that the rural church testifies to God s glory and goodness Learn to live and love and minister right where you are no matter how small or unassuming it may seem Winner of the Award of Merit Christianity Today 2018 Book Awards The Church Pastoral Leadership category Free downloadable study guide available here

*Signs of Belonging* Mary E. Hinkle, 2003 Signs of Belonging Luther s Marks of the Church and the Christian Life explores Luther s teaching on the seven marks of the church possession of the Word Baptism Sacrament of the Altar Office of the Keys Office of Ministry Discipleship and the cross suffering on account of one s faith How do these marks define the corporate body of Christ and connect with the lives of individual Christians

*Sensing Jesus* Zack Eswine, 2012-11-30 This is a book about the behind the scenes reality of a life in ministry It tells you what Zack Eswine wishes somebody else would ve told him With over 20 years of experience in ministry Zack shares with incredible honesty about his own failures burnout and pain all the while addressing the complexities of leadership decisions church discipline family dynamics and so on Presenting sound pastoral theology couched in autobiographical musings and powerful prose this book offers a fresh and biblically faithful approach to the care of souls including your own

*Practicing Care in*

Rural Congregations and Communities Jeanne Hoefft, L. Shannon Jung, Joretta Marshall, 2013-07-01 Pastoral care in rural communities is different from care in other locales. Despite these differences, rural churches and communities also hold a particular wisdom from which the rest of the church might benefit. Small towns and rural areas have particular challenges, and in seeking to live out the Christian life in the midst of those local churches, have unique and useful insights into what it means to care for one another.
