The Cracked Bell Tristram Riley-Smith,2010-03-18 In this groundbreaking book Tristram Riley Smith charts the cultural landscape of a conflicted America in the opening decade of the 21st Century and addresses two key questions Why is it that a nation that is so clear about its destiny leaves the world confused about its direction of travel and why is it that a people intent on the pursuit of happiness appears so unsettled Delving beneath the chaotic surface of American society Riley Smith exposes the enduring fault lines in the cultural bedrock In doing so he offers up a panoramic snapshot of American society flash lit by the thunderbolts of 9 11 Hurricane Katrina the 2008 Credit Crash and the inauguration of President Obama The Cracked Bell gets to the heart of what it means to live in Obama s America addressing questions of identity and power belief and value liberty and law innovation and tradition commerce and consumption nature and civilization war and peace

Congressional Trade Votes Robert E. Baldwin,Christopher S. Magee,2000 The unwillingness of the US House of Representatives to renew fast track authority in 1997 and 1998 means that further trade liberalization for the United States is likely to slow down or grind to a halt since negotiators elsewhere know that any agreements reached could be modified by the US Congress This political impasse raises several overarching questions Does the status of fast track represent a temporary or a permanent setback in the postwar trend toward freer trade Is it due simply to lax efforts in mobilizing groups that support trade liberalization or is US trade policy becoming more protectionist More generally what were the most important economic and social factors shaping congressional voting on trade legislation in the 1990s How do these factors differ for the various trade bills Congress considered over this period Baldwin and Magee attempt to answer these questions by analyzing three key trade bills NAFTA in 1993 the legislation implementing the Uruguay Round agreements in 1994 and the House bill seeking to renew fast track authority in 1998 The authors provide a brief legislative history of each and then outline a conceptual framework for their analysis Focusing on district and state economic conditions ideological leanings and campaign contributions they find both predictable and surprising relationships in the data
