Life-study of Ephesians Witness Lee,2023-09-27 The subject of the book of Ephesians is the church There are seven aspects of the church revealed in Ephesians The church is the Body the new man the kingdom the family the dwelling place the bride and the warrior If we put together all these seven aspects of the church we see a wonderful picture of the church as the Body to express Christ as the new man taking Christ as the person as the kingdom with rights and responsibilities as the family with life and enjoyment as God s dwelling place for God to live in as the bride for Christ s satisfaction and as the warrior for fighting the battle and defeating the enemy so that God can accomplish his eternal purpose This is the church The Life study of Ephesians also gives a clear view of the contents of the book of Ephesians In chapter one of Ephesians we have the blessings God s selection predestination sonship holiness redemption sealing pledging and much more Then we shall see the prayer of the Apostle for a spirit of wisdom and revelation

to know the hope of God's calling to see the glory of God's inheritance among His saints and to realize the greatness of the power that has been wrought in Christ to produce the Body. Then in chapter two we see the production of the church, the nature of the church, the vision of the church, the building of the church, and the function of the church. In chapter three we see the revelation of the mystery and the ministry of the stewardship concerning the church. Following this we see Paul's prayer for the strengthening of our inner man so that Christ may make His home in our heart that we might be filled with all the fullness of God. This causes us to have the practical experience of Christ. Then as revealed in the last three chapters we shall know how to walk on earth to bear responsibility and to fight the battle for God's purpose. This is the content of the book of Ephesians.

Looking upon the Heart Pete Carlson, MFT, 2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper

and decision maker and therefore the overall determiner of the whole person's behavior, personal growth and spiritual maturity. We are to embrace a complete understanding of the biblical heart, its five dispositions, in order to overcome psychological, behavioral and relational dysfunction and sin. Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts. As a result of Looking upon the Heart, the Lord reigns and leads us to a life of victory in Jesus.
