**Homeri Opera** Homer, David B. Monro, 1920 *Performing Homer: The Voyage of Ulysses from Epic to Opera* Wendy Heller, Eleonora Stoppino, 2019-07-23 The epic poems the Iliad and the Odyssey attributed to Homer are among the oldest surviving works of literature derived from oral performance Deeply embedded in these works is the notion that they were intended to be heard there is something musical about Homer's use of language and a vivid quality to his images that transcends the written page to create a theatrical experience for the listener Indeed it is precisely the theatrical quality of the poems that would inspire later interpreters to cast the Odyssey and the Iliad in a host of other media novels plays poems paintings and even that most elaborate of all art forms opera exemplified by no less a work than Monteverdi's *Il ritorno di Ulisse in patria* In *Performing Homer The Voyage of Ulysses from Epic to Opera* scholars in classics drama Italian literature art history and musicology explore the journey of Homer's Odyssey from ancient to modern times The book traces the reception of the Odyssey through the Italian humanist sources from Dante Petrarch and Ariosto to the treatment of the tale not only by Monteverdi but also such composers as Elizabeth Jacquet de la Guerre Gluck and Alessandro Scarlatti and the dramatic and poetic traditions thereafter by such modern writers as Derek Walcott and Margaret Atwood *Epic Performances from the Middle Ages Into the Twenty-first Century* Fiona Macintosh, Justine McConnell, Stephen

Harrison, Claire Kenward, 2018 Greek and Roman epic poetry has always provided creative artists with a rich storehouse of themes this volume is the first systematic attempt to chart its afterlife across a range of diverse performance traditions with analysis ranging widely across time place genre and academic and creative disciplines **The Houstiliad** Michael Lieberman, 2015-12-01 In this savage yet beautiful book length poem Michael Lieberman captures the rage of men in modern society He reimagines the characters of Homer's Iliad recasts them and sets them in conflict in today's Houston Unflinching is its descriptions of violence The Houstiliad implicitly contrasts the rage of Homer's Achilles which was specific and focused with the free floating rage of contemporary men Though unsparing in its descriptions Lieberman's portrait is leavened by

lovely lyric passages reflection and humor For those who care about the complicated role of men in modern society this book is revelatory without promising an easy path to redemption or honor Achilles wrath is where our tale begins then spools out venom and men s mortal sins It s tempered true yet riffs on Homer s style suffused with guile grit and mordant wile Men savage men in violent travails though in the end it s humor that prevails Alphabetical and Analytical Catalogue of the New York Society Library New York Society Library,1850

**Piety and Politics** Dale Launderville,2003 Ancient kings who did not honor the gods overlooked an indispensable means for ruling effectively in their communities In many traditional societies royal authority was regarded as a divine gift bestowed according to the quality of the relationship of the king both to God or the gods and to the people The tension and the harmony within these human and divine relationships demanded that the king repeatedly strive to integrate the community s piety with his political strategies This fascinating study explores the relationship between religion and royal authority in three of history s most influential civilizations Homeric Greece biblical Israel and Old Babylonian Mesopotamia Dale Launderville identifies similar contrasting and analogous ways that piety functioned in these distinct cultures to legitimate the rule of particular kings and promote community well being Key to this religiopolitical dynamic was the use of royal rhetoric which necessarily took the form of political theology By examining a host of ancient texts and drawing on the insights of philosophers poets historians anthropologists social theorists and theologians Launderville shows how kings increased their status the more they demonstrated through their speech and actions that they ruled on behalf of God or the gods Launderville s work also sheds light on a number of perennial questions about ancient political life How could the people call the king to account Did the people forfeit too much of their freedom and initiative by giving obedience to a king who symbolized their unity as a community How did the religious traditions serve as a check on the king s power and keep alive the voice of the people This study in comparative political theology elucidates these engaging concerns from multiple perspectives making *Piety and Politics* of interest to readers in fields ranging from biblical studies and theology to ancient history and political science

**The Singer Resumes the Tale** Albert Bates Lord,1995 Edited by Mary Louise Lord after the author s death *The Singer Resumes the Tale* focuses on the performance of stories and poems within settings that range from ancient Greek palaces to Latvian villages Lord expounds and develops his approach to oral literature in this book responds systematically for the first time to criticisms of oral theory and extends his methods to the analysis of lyric poems He also considers the implications of the transitional text a work made up of both oral and literary components Elements of the oral tradition the practice of storytelling in prose or verse the art of composing and transmitting songs the content of these texts the kinds of songs composed and the poetics of oral literature are discussed in the light of several traditions beginning in the ancient world through the Middle Ages to the present Throughout the central figure is always the singer Homer the Beowulf poet women who perform lyric songs tellers of folktales singers of such ballads as Barbara Allen bards of the Balkans all play prominent roles in Lord s book as they have played central roles in the creation of

this fundamental literature      **A Subject-index to the Books in the Library of the Law Society of Upper Canada at Osgoode Hall** Law Society of Upper Canada. Library,1900      *A catalogue of new and second-hand books* George Offor,1816      **P. Vergili Maronis Opera** Virgil,1875      **The New Grove Book of Operas** Stanley Sadie,1996 This book combines meticulous scholarship with a lightness of touch that will delight the opera goer The fascinating illustrations bring an amusing dimension showing how opera has been staged from its beginnings to modern deconstructed productions The operas are listed in alphabetical order In addition to a full synopsis of every plot there is a cast list and a note of the singers in the original production as well as information about the origins of the work and its literary and social background Each contribution concludes with a brief comment on its place in operatic history There is also a listing by composer a glossary and indexes of the names of operatic characters and the first lines of arias so if you are not sure which opera Gilda or Agathe sings in or are apt to confuse Vespina with Despina your problem is quickly solved      *Hommage à Milman Parry* Françoise Létoublon,Helma Prof. Dik,2023-07-17      **Finding List of Books & Pamphlets: Embracing belles-lettres (poetry, drama, romance, literary history and criticism, essays, oratory, humor, satire, etc.) together with language, bibliography and general reference books** Buffalo. Public Library,1886      **Spirit and Reason** Dale Launderville,2007 Ezekiel s symbolic thinking is an integrative rationality in which reason is regarded as operating within the heart through the empowerment and guidance of the Spirit      *Classified Catalogue of the Saint Louis Mercantile Library* St. Louis Mercantile Library Association,1874      **Classified Catalogue of the Library, with Index of Authors** Saint Louis (Mo.). Mercantile Library,1874      **Book-auction Records** Frand Karslake,1903 A priced and annotated annual record of London New York and Edinburgh book auctions      **Book-auction Records** ,1903      *Catalogue of the London Library* London Library,Robert Harrison,1875
