Osborne's, in Gray's Inn, and Will Continue Selling Till Lady Day [25 March] 1751* Thomas Osborne,1751 The Bookseller ,1876 Love and Friendship in the Western Tradition James McEvoy,2023-08-18 Love and Friendship in the Western Tradition comprises a collection of essays written over a 25 year period by the late Rev Professor James McEvoy on the theme of friendship The book traces the genesis and development of philosophical treatments of friendship from Greek philosophy through the Middle Ages to modern and postmodern philosophy The collection s three major concerns are 1 the history of philosophical discussions of friendship 2 the role of friendship in the cultivation of the philosophical life 3 the marginalization of friendship as a theme for philosophical reflection and practice in the modern period As the author was primarily a medievalist a great deal of the focus of the essays is on the development of the theme of friendship in the Middle Ages in the thought of Augustine Aquinas Aelred of Rievaulx Henry of Ghent Robert Grosseteste etc However this focus while a value in itself also serves to connect philosophical perspectives on friendship from before and after the middle ages It connects to the time before inasmuch as much of the work done on friendship in the Middle Ages is anchored in interpretations of Aristotle and Plato and it connects to the time after by providing a counterpoint to the modern paradigm of what constitutes the philosophical life The collection combines historical with thematic approaches to scholarship on this issue and is one of the only books of its kind to do so It is perhaps unique in its historical sweep and will prove to be a canonical source for further research on this topic **Johann Jakob Wettstein's Principles for New Testament Textual Criticism** Silvia Castelli,2020-08-17 In Johann Jakob Wettstein s Principles for New Testament Textual Criticism Silvia Castelli investigates the genesis development and legacy of Wettstein s criteria for evaluating New Testament variant readings Wettstein s guidelines the Animadversiones et cautiones are the first well organized essay on New Testament text critical methodology first published in the Prolegomena to his New Testament in 1730 and republished with some changes in 1752 In his essay Wettstein presents a new text critical method based on the manuscripts evidence and on the critic s judgment Moving away from the authority invested in established

printed editions Wettstein's methodology thus effectively promotes and enhances intellectual freedom The second part of this volume offers a critical text and an annotated English translation of Wettstein's text critical principles **A catalogue of the libraries of ... sir Luke Schaub ... and of several noblemen and gentlemen.
