Historical Dictionary of Sexspionage Nigel West,2009-01-22 In a surprising number of espionage cases sex has played a significant role often only in the background possibly as a reason why a particular individual has lived beyond his means and is in desperate need of cash FBI agent Earl Pitts sold secrets to the Soviets to ease his financial burdens which came from his habitually heavy use of male and female prostitutes Yuri Nosenko collaborated with the CIA after having misappropriated KGB funds to entertain expensive women while on official duties in Geneva and Aleksandr Ogorodnik of the Soviet foreign ministry was persuaded to become a spy by his pregnant Spanish lover an agent recruited by the CIA In the realm of human behavior sex can be the catalyst for risky or reckless conduct The Historical Dictionary of Sexspionage explores this behavior through a chronology an introduction a bibliography and hundreds of cross referenced dictionary entries on the secret agencies operations and events From Delilah s seduction of Samson in 1161 BC to State Department official Donald Keyser s conviction of passing secrets to Isabelle Cheng a Taiwanese intelligence officer in 2007 Nigel West recounts the history of sexspionage *My Double Life 2* Nicholas Hagger,2015-06-07 In *My Double Life 1* Nicholas Hagger told of his four years service and double life as an undercover British intelligence agent during the Cold War there revealed for the first time Lost in a dark wood like Dante following his encounters with Gaddafi s Libya and the African liberation movements he found Reality on a Mystic Way of loss purgation and illumination perceived the universe as a unity and had 16 experiences of the metaphysical Light In *My Double Life 2* he continues the story He received new powers coped with fresh ordeals acquired three schools renovated a historic house and had 76 further experiences of the metaphysical Light He founded a new philosophy of Universalism and new approaches to contemporary history international statecraft and world literature He produced nearly 1 500 poems over 300 classical odes five verse plays two poetic epics over a thousand short stories and 40 books that include innovative literary historical and philosophical works His vision of Universalism in seven disciplines is like a rainbow with seven bands overarching seven hills He produced nearly 1 500 poems over 300 classical odes five verse plays

Cold War Counterfeit Spies Nigel West, 2016-10-14 The Cold War with its air of mutual fear and distrust and the shadowy world of spies and secret agents gave publishers the chance to produce countless stories of espionage treachery and deception What Nigel West has discovered is that the most egregious deceptions were in fact the stories themselves In this remarkable investigation into the claims of many who portrayed themselves as key players in clandestine operations the author has exposed a catalogue of misrepresentations and falsehoods Did Greville Wynne really exfiltrate a GRU defector from Odessa Was the frogman Buster Crabb abducted during a mission in Portsmouth Harbour Did the KGB run a close guarded training facility as described by J Bernard Hutton in *School for Spies* which was modelled on a typical town in the American mid west so agents could be acclimatised to a non Soviet environment With the help of witnesses with first hand experience and recently declassified documents Nigel West answers these and other fascinating questions from a time when secrecy and suspicion allowed the truth to be concealed *The Second World War*, 1985 **The British Library General Catalogue of Printed Books 1976 to 1982** British Library, 1983 **Encyclopedia of Cold War Espionage, Spies, and Secret Operations** Richard Trahair, 2012-01-10 The only comprehensive and up to date book of its kind with the latest information **The Unvanquished** Patrick K. O'Donnell, 2024-05-07 From the bestselling author of *The Indispensables* the unknown and dramatic story of irregular guerrilla warfare that altered the course of the Civil War and inspired the origins of America's modern special operations forces The Civil War is most remembered for the grand battles that have come to define it Gettysburg Antietam Shiloh among others However as bestselling author Patrick K O'Donnell reveals in *The Unvanquished* a vital shadow war raged amid and away from the major battlefields that was in many ways equally consequential to the conflict's outcome At the heart of this groundbreaking narrative is the epic story of Lincoln's special forces the Jessie Scouts told in its entirety for the first time In a contest fought between irregular units the Scouts hunted John Singleton Mosby's Confederate Rangers from the middle of 1863 up to war's end at Appomattox With both sides employing pioneering tradecraft they engaged in dozens of raids and spy missions often perilously wearing the other's uniform risking penalty of death if captured Clashing violently on horseback the unconventional units attacked critical supply lines often capturing or killing high value targets North and South deployed special operations that could have changed the war's direction in 1864 and crucially during the Appomattox Campaign Jessie Scouts led the Union Army to a final victory They later engaged in a history altering proxy war against France in Mexico earning seven Medals of Honor many Scouts mysteriously disappeared during that conflict taking their stories to their graves An expert on special operations O'Donnell transports readers into the action immersing them in vivid battle scenes from previously unpublished firsthand accounts He introduces indelible characters such as Scout Archibald Rowland Scout leader Richard Blazer Mosby the master of guerrilla warfare and enslaved spy Thomas Laws O'Donnell also brings to light the Confederate Secret Service's covert efforts to deliver the 1864 election to Peace Democrats through ballot fraud election interference and attempts to destabilize a population fatigued by a seemingly

forever war Most audaciously the Secret Service and Mosby s Rangers planned to kidnap Abraham Lincoln in order to maintain the South s independence A little known chronicle of the shadow war between North and South rich in action and offering original perspective on history *The Unvanquished* is a dynamic and essential addition to the literature of the Civil War
