

OPERATION MILLENNIUM

'Bomber' Harris's Raid on Cologne, May 1942

ERIC TAYLOR

Foreword by General Adolf Galland

Operation Millennium Bomber Harrib Raid On Cologne May 194

Ralph Barker (Flight-Lieutenant.)

Operation Millennium Bomber Harrib Raid On Cologne May 194:

Under a Bomber's Moon Stephen Harris, 2011-01-11 They were the best of enemies dedicated skilled and deadly In the night skies above wartime Germany an RAF navigator air bomber from New Zealand and a Luftwaffe pilot seek out their targets testing the gap between success and their own destruction as they cross each other's paths The odds are heavily against either of them making it through the war but as this sobering realisation displaces their initial exuberant sense of adventure both come to see in their youthful sacrifice the survival of all they hold dear UNDER A BOMBER'S MOON reaches across the divide of years of geography of nationality to tell their story largely in their own words describing both the breathtaking clashes in the air and the camaraderie humour patriotism and personal tragedies that became their war Stephen Harris began his journey of discovery because he wanted to know the truth of his great uncle Colwyn Jones's fate With Col's vividly written letters and diary as a starting point he set out to discover what really happened on the night Col's extraordinary luck ran out Little did he know that his quest would lead him to a meeting with a former Luftwaffe pilot who was pitted against his great uncle in the skies over Germany Otto Heinrich Fries proved to be both engaging and articulate eventually allowing Harris to tell his story in this book The result is a unique and personal account of two highly successful airmen from opposing sides

Operation Millennium Eric Taylor, 2004 Operation Millennium was an extraordinary feat of organization involving 1 048 bombers over 6 000 aircrew and 53 British airfields To ensure the success of this first strike of the Allied blitz maximum effort was the order and the Royal Air Force waged a merciless campaign against any airmen who showed faltering commitment ruthlessly trying them by court martial as lacking moral fiber In this impressive and uncompromising picture of the war in the skies the atmosphere of night bomber stations is vividly recalled the comradeship the courage lightly worn the pity and the fear The raid on Cologne is remembered by the crews of Bomber Command and the unfortunate citizens of Cologne who endured the catastrophic rain of steel The author has interviewed Britons and Germans aggressors and victims and their eyewitness accounts testify to the horror and heroism on both sides of this unprecedented raid

Operation Millenium Eric Taylor, 1987 *Dictionary of Aviation* Anthony Robinson, 1984 En historisk gennemgang af personer fly og operationer der har markeret udviklingen i luftkrigsfrelsen *The Air Force Law Review*, 1989 *The Thousand Plan* Ralph Barker, 1965 *Cologne, the First 1000-bomber Raid* Charles Messenger, 1982 *The Story of the First Thousand Bomber Raid on Cologne* Ralph Barker, 1965

Operation Millennium Eric Taylor, 2007 Operation Millennium was the terrible culmination of months of pressure from Bomber Harris to get this new and deadly strategy accepted It was an extraordinary feat of organization involving 1048 bombers over 6000 aircrew and 53 British airfields To ensure success maximum effect was the order The Royal Air Force waged a campaign against any airmen who showed faltering commitment ruthlessly trying them by court martial Eric Taylor has interviewed Britons and Germans whose eyewitness accounts testify to the horror and heroism on both sides

Bombing Germany: The Final Phase Tony

Redding,2015-02-28 During 1942 and 1943 the striking power of RAF Bomber Command was transformed by the arrival of heavy bombers advanced navigation and blind bombing systems and new tactics to concentrate the bombers over the target and swamp the German defences By October 1944 most of Germany s cities were in ruins yet the bombing continued to intensify reaching unprecedented levels in the final seven months of the air campaign The value of further area raids was questioned during the opening months of 1945 yet the Allies destroyed the remaining cities in a bid to hasten the end of the war The handful of German cities still largely unscathed in early February 1945 included Dresden which was obliterated on 13 February Ten days later the South German city of Pforzheim was destined to suffer the same fate This book commemorates the efforts of the aircrew members who risked their lives consolidating a host of intriguing first hand accounts It also considers Pforzheim as a representative community under National Socialist rule The city s survivors remember the horror of the raid and its aftermath including eventual occupation by French Colonial troops and subsequently American forces Tony does an admirable job of presenting historical context when considering actions in times of extreme trauma and his narrative offers an intriguing engaging and poignant evocation of the closing months of Bomber Command s war

The Thousand Plan. The Story of the First Thousand Bomber Raid on Cologne. [With Plates, Including Portraits and Facsimiles and Maps.]. Ralph Barker (Flight-Lieutenant.),1965
