## **Operation Rescue A Challenge To The Nations Conscience:**

**Operation Rescue** Philip F. Lawler,1992      Direct Action L.A. Kauffman,2017-02-19 What happened to the American left after the Sixties This engrossing account traces the evolution of disruptive protest over the last forty years to tell a larger story about the reshaping of American radicalism showing how the direct action blockades occupations and campaigns of recent activist movements have functioned as laboratories for political experimentation and renewal Propelled by more than a hundred candid interviews conducted over a span of decades this elegant and lively history showcases the voices of key players in an array of movements environmentalist anti nuclear anti apartheid feminist LGBTQ anti globalization racial justice anti war and more across an era when American politics shifted to the right and issue and identity based organizing eclipsed the traditional ideologies of the left As Kauffman a longtime movement insider examines how groups from ACT UP to Occupy Wall Street to Black Lives Matter have used direct action to catalyze change against long odds she details the profound influence of feminism and queerness on radical political practice and how enduring divisions of race have shaped the landscape of activism Written with nuance and humor and revealing deep connections between movements usually viewed in isolation Direct Action is essential reading for anyone interested in understanding how protest movements erupt and how they can succeed      Millennialism and Violence Michael Barkun,2012-12-06 As the world approaches the year 2000 many societies are experiencing an unprecedented growth in millenarian movements that anticipate an imminent and total transformation of the world Many of these movements have been associated with violence either as a means for producing change or as a response to confrontations with state authority This book draws together research on this topic from political science psychology sociology and history in an attempt to understand the relationship between millenarian movements and episodes of violence      *Abortion from the Religious and Moral Perspective:* George F. Johnston,2003-03-30 For approximately three decades the abortion debate has polarized America Views range from the extreme conservative position that all abortions are morally objectionable to the extreme liberal position that abortion throughout all nine months of pregnancy is acceptable In the middle are those who advocate laws limiting the number of valid reasons for abortion This comprehensive volume includes bibliographic citations that address the moral and religious aspects of abortion It covers such topics as the various arguments both for and against abortion the status of the fetus and overviews of several religions stances on abortion Citations also include references on how Christianity has influenced abortion politics and law discussions of Operation Rescue and official statements on abortion by the Catholic Church and several Protestant denominations Researchers as well as anyone interested in the moral and religious elements of abortion will find this resource invaluable It covers the literature on abortion and religion found in books essays journal articles academic dissertations and Web sites And unlike many of the available bibliographies this one focuses only on the religious and moral issues therefore providing greater depth on those two issues within one work      **The Making of Pro-life Activists** Ziad W. Munson,2010-07-15 How

do people become activists for causes they care deeply about Many people with similar backgrounds for instance fervently believe that abortion should be illegal but only some of them join the pro life movement By delving into the lives and beliefs of activists and nonactivists alike Ziad W Munson is able to lucidly examine the differences between them Through extensive interviews and detailed studies of pro life organizations across the nation Munson makes the startling discovery that many activists join up before they develop strong beliefs about abortion in fact some are even pro choice prior to their mobilization Therefore Munson concludes commitment to an issue is often a consequence rather than a cause of activism The Making of Pro life Activists provides a compelling new model of how people become activists while also offering a penetrating analysis of the complex relationship between religion politics and the pro life movement Policy makers activists on both sides of the issue and anyone seeking to understand how social movements take shape will find this book essential **Insurgent Terrorism** Gerald Cromer,2017-11-30 Terrorists engage in propaganda and rhetoric even though they prefer the power of deed over word They use a wide variety of mechanisms of moral disengagement to convince themselves of the rightness of their actions a necessary prerequisite for taking up arms The articles collected together in this excellent volume focus on the rhetoric and propaganda used by insurgent terrorists to justify their resort to violence The volume includes a thoughtful introduction which summarizes the main findings of the literature drawing attention to the many different kinds of terrorist propaganda and the underlying similarity between them **Pursuing Justice** Ralph A. Weisheit, Frank Morn,2014-07-07 Pursuing Justice Second Edition examines the issue of justice by considering the origins of the idea formal systems of justice current global issues of justice and ways in which justice might be achieved by individuals organizations and the global community Part 1 demonstrates how the idea of justice has emerged over time starting with religion and philosophy then moving to the justice as a concern of the state and finally to the concept of social justice Part 2 outlines the very different mechanisms used by various nations for achieving state justice including systems based on common law civil law and Islamic law with a separate discussion of the US justice system Part 3 focuses on four contemporary issues of justice war genocide slavery and the environment Finally Part 4 shows how individuals and organizations can go about pursuing justice and describes the rise of global justice This updated timely book helps students understand the complexities and nuances of a society s pursuit of justice It provides students with the foundations of global justice systems integrating Greek philosophies and major religious perspectives into a justice perspective and contributes to undergraduate understanding of international justice bodies NGOs and institutions New edition is completely updated and revised to achieve relevance for today s students Covers concepts of justice as well as ideas for pursuing and achieving justice Examines how our modern laws began and traces their evolution to today s laws Presents concepts and issues in justice studies as well as a comparison of several systems of law Teaching resources include discussion questions and real world examples **Reproduction and Society: Interdisciplinary Readings** Carole Joffe, Jennifer Reich,2014-09-04 A collection of essays framed with original introductions

Reproduction and Society Interdisciplinary Readings helps students to think critically about reproduction as a social phenomenon Divided into six rich and varied sections this book offers students and instructors a broad overview of the social meanings of reproduction and offers opportunities to explore significant questions of how resources are allocated individuals are regulated and how very much is at stake as people and communities aim to determine their own family size and reproductive experiences This is an ideal core text for courses on reproduction sexuality gender the family and public health

**Radical Religion and Violence** Jeffrey Kaplan, 2015-11-19 Jeffrey Kaplan has been one of the most influential scholars of new religious movements extremism and terrorism His pioneering use of interpretive fieldwork among radical and violent subcultures opened up new fields of scholarship and vastly increased our understanding of the beliefs and activities of extremists This collection features many of his seminal contributions to the field alongside several new pieces which place his work within the context of the latest research developments Combining discussion of the methodological issues alongside a broad array of case studies this will be essential reading for all students and scholars of extremism religion and politics and terrorism

Pluralism Comes of Age Charles H. Lippy, 2015-05-20 This acclaimed work surveys the varied course of religious life in modern America Beginning with the close of the Victorian Age it moves through the shifting power of Protestantism and American Catholicism and into the intense period of immigration and pluralism that has characterized our nation's religious experience

**Misunderstanding Cults** Benjamin Zablocki, Thomas Robbins, 2001-12-01 Misunderstanding Cults provides a uniquely balanced contribution to what has become a highly polarized area of study Working towards a moderate third path in the heated debate over new religious movements or cults this collection includes contributions from both scholars who have been characterized as anticult and those characterized as cult apologists The study incorporates multiple viewpoints as well as a variety of theoretical and methodological perspectives with the stated goal of depolarizing the discussion over alternative religious movements A prominent section within the book focuses explicitly on the issue of scholarly objectivity and the danger of partisanship in the study of cults The collection also includes contributions on the controversial and much misunderstood topic of brainwashing as well as discussions of cult violence children brought up in unconventional religious movements and the conflicts between alternative religious movements and their critics Unique in its breadth this is the first study of new religious movements to address the main points of controversy within the field while attempting to find a middle ground between opposing camps of scholarship

*Souls, Bodies, Spirits* Kerry N. Jacoby, 1998-04-23 Jacoby provides a comprehensive social history of the abortion abolition campaign from its beginnings following Roe v Wade through the 1996 elections She explores the abortion abolition effort historically sociologically theologically and politically arguing for a deepened understanding of American abortion opponents The history of the abortion abolition effort in America is examined through three different approaches to the understanding of collective behavior Beginning with the immediate post Roe period the movement is explored as a Catholic moral crusade and Jacoby

analyzes why Catholic Americans were particularly prone to such activity as well as why otherwise theologically compatible Protestants were not She then examines the effort as a major social movement beginning around 1980 Finally the late 1980s development of direct action activity most notably in the form of Operation Rescue is viewed in light of its connection to the theology and expectations of religious revivalism In her conclusions Jacoby provides a new model for understanding faith based political action Students teachers and the general public will find this book a thorough comprehensive and accessible examination of the movement     *The Anti-abortion Movement* Dallas A. Blanchard,1996 Blanchard then offers insightful annotations on a wide variety of essential resources including writings on major movement organizations anti abortion support and service organizations political activities and events movement tactics membership recruitment and training the movement and the media and the religious basis of the movement     **New Covenant** ,1992     *The Catholic Answer Book 2* Peter M. J. Stravinskias,1994 As a magazine The Catholic Answer has won awards and loyal readers with a simple formula Some of the best known Catholic writers in America explain difficult doctrines of the Church in lively readable essays Now the very best of those essays are here in permanent books each book filled with wise and entertaining chapters by a wide variety of favorite writers     *Crisis* ,1992 A journal of lay Catholic opinion     **Fidelity** ,1991     **Extension** ,1991     *Grand Illusions* George Grant,1993     **Abortion** Tamara L. Roleff,1997 Presents opposing viewpoints on the legality morality responsibility for and justification of abortion Includes critical thinking skills activities
