Operation Snow Job:

The Prince of Providence Mike Stanton, 2004-07-13 COP Buddy I think this is a whorehouse BUDDY CIANCI Now I know why they made you a detective Welcome to Providence Rhode Island where corruption is entertainment and Mayor Buddy Cianci presided over the longest running lounge act in American politics In The Prince of Providence Pulitzer Prize winning journalist Mike Stanton tells a classic story of wiseguys feds and politicians on a carousel of crime and redemption Buddy Cianci was part urban visionary part Tony Soprano a flawed political genius in the mold of Huey Long and James Michael Curley His lust for power cost him his marriage his family and close friendships Yet he also revitalized the city of Providence where ethnic factions jostle with old moneyed New Englanders and black clad artists from the Rhode Island School of Design rub shoulders with scam artists from City Hall For nearly a quarter of a century Cianci dominated this uneasy melting pot During his first administration twenty two political insiders were convicted of corruption In 1984 Cianci resigned after pleading guilty to felony assault for torturing a man he suspected of sleeping with his estranged wife In 1990 in a remarkable comeback Cianci was elected mayor once again he went on to win national acclaim for transforming a dying industrial city into a trendy arts and tourism mecca But in 2001 a federal corruption probe dubbed Operation Plunder Dome threatened to bring the curtain down on Cianci once and for all Mike Stanton takes readers on a remarkable journey through the underside of city life into the bizarre world of the mayor and his supporting cast including Buckles Melise the city official in charge of vermin control who bought Providence twice as much rat poison as the city of Cleveland which was at the time four times as large and wound up increasing Providence s rat population During a garbage strike Buckles sledgehammered one city employee and stuck his thumb in another s eye Cianci would later describe this as great public policy Anthony the Saint St Laurent a major Rhode Island bookmaker and loan shark who tried to avoid prison by citing his medical need for forty bowel irrigations a day thus earning himself the nickname Public Enema Number One Dennis Aiken a celebrated FBI agent and public corruption expert who asked to be sent to the Louisiana of the North where he enlisted an undercover businessman to expose the corrupt secrets of Cianci s City Hall The Prince of Providence is a colorful and engrossing account of one of the most tragicomic figures in modern American life and the city he transformed *Operation Snow Job* Barbara Siegel, 1987 The Engineer, 1978 *Done with You* Whitley Cox, 2024-02-03 She already knows all of his secrets and that s what terrifies him the most Looking for one night to forget her problems Oona Young uses an alias and follows a handsome stranger back to his hotel room Their time together is brief but passionate and she leaves in the morning believing she ll never see him again Only when her newest patient is the same man who s seen all of her tattoos do things get awkward She s read his file and knows what he s dealing with Ethically she must refuse to treat him Forced into therapy before he can return to active duty as a police officer Aiden Lassiter has been on the waitlist to see Dr Young for months So imagine his frustration and shock when the woman who hasn t left his thoughts since that wild night he used a fake name is sitting in the

therapist's chair and refuses to treat him Things can't get any worse right Oh but they can and certainly do when he finally works up the courage to visit his estranged brother and Oona ends up beside him on the plane Little do either of them know they're in for one interesting Christmas keywords forced proximity enemies to lovers Christmas winter pole dancing cop PTSD bully false identity family drama angst *Police Practices and the Preservation of Civil Rights* United States

Davidson, 1991 Weaving together the histories of three distinct conflicts Phillip B Davidson follows the entire course of the Vietnam War from the initial French skirmishes in 1946 to the dramatic fall of Saigon nearly thirty years later His connecting thread is North Vietnamese General Vo Nguyen Giap a remarkable figure who with no formal military training fashioned a rag tag militia into one of the world's largest and most formidable armies By focusing on Giap's role throughout the war and by making available for the first time a wealth of recently declassified North Vietnamese documents Davidson offers unprecedented insight into Hanoi's military strategies an insight surpassed only by his inside knowledge of American operations and planning Eminently qualified to write this history Davidson who served as chief intelligence officer under Generals Westmoreland and Abrams tells firsthand the story of our tragic ordeal in Indochina and brings his unique understanding to bear on topics of continuing controversy offering a chilling account for example of when and where the U S considered using nuclear weapons The most comprehensive and authoritative history of the conflict to date Vietnam at War sparkles with a rare immediacy and brings to life in compelling fashion the war that tore America apart We witness the chaos in Saigon when fireworks celebrating the Tet holiday are suddenly transformed into deadly rocket and machine gun fire We sit in on high level meetings where General Westmoreland plans operations or simply engages in some tough headknocking with subordinates And in the end we learn that even the seemingly limitless resources of the U S military could not match the revolutionary grand strategy of the North Vietnamese With its easy movement from intimate memoir to trenchant military analysis from the conference rooms of generals to the battle scarred streets of Hue this is military history at its most gripping A monumental engrossing and unforgettable chronicle Vietnam at War is indispensable for anyone hoping to understand a conflict that still rages in the American psyche **Operation and maintenance** United States.
