**Annual Report of the Attorney General of the United States** United States. Department of Justice, 1986 *Cocaine Production in the Andes* United States. Congress. House. Select Committee on Narcotics Abuse and Control, 1989 **Police Militarization** Frederick W. Turner II, Bryanna Fox, 2018-12-11 This Brief examines the militarization of law enforcement in the United States through the lens of the stakeholders primarily responsible for implementing funding and enacting the practice Largely a result of policies such as the war on drugs war on terror and the 1033 program there has been a gradual but dramatic rise in the use of military grade weapons equipment and tactics used by police agencies across the United States This Brief examines the level of support for various aspects of police militarization by lawmakers police executives and local police officers and how their opinions may differ based upon their current position or demographic features using a series of analyses and propensity score matching techniques This Brief also provides an overview of some of the key policy changes responsible for police militarization and provides insights into the views held by policymakers and law enforcement on various aspects of the practice The results indicate that while many responsible for this shift are in favor of paramilitary procurement programs there are differing opinions on key issues such as oversight and use of military grade weapons equipment and paramilitary tactics This work will be of interest to researchers in criminology and criminal justice particularly those with an interest in policing studies as well as related fields such as public policy public administration
