Operation Eyewitness:

Operation: Eye Witness D. Rudd Wise, 2001 *Operation: Eyewitness* D. Rudd Wise, 2006-01-12 Jess E Hanes a middle aged treasure hunter finds himself at the wrong place at the wrong time at the Casablanca airport in Morocco He is the lone witness of an assassination of a high government official which plunges him into an international tangle of drug running arms smuggling romantic involvement and investigations by such agencies as Interpol and the CIA Eyewitness Testimony Elizabeth F. Loftus, 1996 Every year hundreds of defendants are convicted on little more than the say so of a fellow citizen Although psychologists have suspected for decades that an eyewitness can be highly unreliable new evidence leaves no doubt that juries vastly overestimate the credibility of eyewitness accounts It is a problem that the courts have yet to solve or face squarely In *Eyewitness Testimony* Elizabeth Loftus makes the psychological case against the eyewitness Beginning with the basics of eyewitness fallibility such as poor viewing conditions brief exposure and stress Loftus moves to more subtle factors such as expectations biases and personal stereotypes all of which can intervene to create erroneous reports Loftus also shows that eyewitness memory is chronically inaccurate in surprising ways An ingenious series of experiments reveals that memory can be radically altered by the way an eyewitness is questioned after the fact New memories can be implanted and old ones unconsciously altered under interrogation These results have important implications for court reform police interrogation methods defense strategy and many other aspects of criminal and civil procedure *Eyewitness Testimony* is a powerful book that should be required reading for trial lawyers social psychologists and anyone who considers the chilling prospect of confronting an eyewitness accusation in a court of law Criminal Investigation Steven G. themselves questioning not just the mysteries of the cosmos but the very boundaries of human knowledge Through research and a commitment to untangling fact from fiction this book presents a comprehensive exploration healing and closure for all those affected by this calamity Stories separate myth from reality and ultimately find the answers that have remained elusive for too long *Grunts* John C.
