Operation Peace For Galilee The Israeli Plo War In Lebanon:

Operation Peace for Galilee Richard A. Gabriel, 2024-06-04 The first book about the 1982 war in Lebanon Operation Peace for Galilee is based on hundreds of interviews with the soldiers of both sides the guerrillas who fought in it and the civilians caught in the middle Much of the detail is drawn from in depth conversations with the major Israeli commanders who planned and fought the battles Author and former soldier Richard Gabriel traveled every major route of advance taken by the Israeli army and visited the sites of important battles including Tyre Sidon the Beirut Damascus highway the Bekaa Valley and Beirut Materials notes and articles dealing with matters of national security are routinely submitted to Israeli censors but Gabriel was able to circumvent this process His is therefore the only analysis which considers the Israeli Defense Force s successes and failures in the war in Lebanon and the problems resulting from the major expansion of the IDF since the 1973 war

The War for Lebanon, 1970-1983 Itamar Rabinovich, 2019-06-30 In this timely and significant book an eminent scholar recounts the history of modern and contemporary Lebanon a history marked by continuing strife and tragedy A judicious account of Lebanon s sustained domestic conflict this book analyzes the exacerbating effects that foreign intervention and occupation have had on the Lebanese political order Itamar Rabinovich opens with a chapter explaining the paradoxical nature of the Lebanese state He follows the events of a particularly important twelve year period through four distinct stages the collapse of the Lebanese political system between 1970 and 1975 the civil war of 1975 1976 the lingering crisis of the years 1976 1982 and the war of 1982 Bringing the story up to date he devotes a chapter and a postscript to events since September 1982 Grounding his interpretation and narrative firmly in a historical perspective Rabinovich provides an unbiased treatment of the perceptions and intentions of the participants a rarity in books on this subject He sorts out the rich mix of domestic regional and international political figures and uses a variety of Arab and Israeli sources to clarify military moves political ties and diplomatic initiatives The author offers a thorough review of the internecine rivalries between different religious groups political factions economic interests and the international allies and opponents with longstanding stakes in Lebanon His explanation of the delicate balancing and counterbalancing required of any Lebanese regime trying to establish order between these antagonistic elements helps to clarify the basic causes of the current crisis Writing from a solid background in modern Middle Eastern studies Rabinovich
