**Volume 1** Ralph D. Winter, 2004 *European Pentecostalism* William Kay, Anne Dyer, 2011-09-20 Starting from small numbers before 1914 the Pentecostal and charismatic movement now comprises nearly one third of the whole of the global Christian population Scholarly accounts of Pentecostal and charismatic congregations in various countries have been written but this book does something new It provides an interconnected account of Pentecostalism in Europe something never before been attempted because of the diversity of languages spoken across the continent This book shows how Pentecostalism spread from the north of Europe and how it fared during two horrific wars and under communist dictatorships In doing so it provides new theological historical and sociological information about Pentecostal churches in eastern and southern Europe about the Catholic Charismatic Movement and about the state of western groupings *Mission in Motion* Jay

Matenga, Malcolm Gold, 2016-08-25 Never before has the phenomenon of mission mobilization been so broadly researched In a vein similar to Too Valuable To Lose and Worth Keeping the World Evangelical Alliance Mission Commission commissioned a research team to investigate what motivates people into mission service from around the globe Mobilization practitioners recorded translated and transcribed hundreds of hours of interview dialogue that explored reasons for mission involvement from Eastern Europe Western Europe North and South America Oceania East Asia South Asia and East Africa The data was subsequently analyzed to draw out common themes and Mission In Motion presents the results of this research This book is the first definitive exploration of the recent history ministries and methods of mission mobilization The evangelical missions community is expending much energy and resource trying to raise up workers for the Lord s harvest but is it helping Are the means models methods and mechanisms being applied to this end effective What does influence people to greater involvement in mission whatever they understand mission to be Furthermore what hinders it In addressing these questions Mission In Motion allows the interviewed respondents to speak for themselves in an open and frank manner Some results confirm common beliefs but others may surprise you *From Nairobi to the World: David B. Barrett and the Re-imagining of World Christianity* Gina A. Zurlo, 2023-03-13 In 1982 David B Barrett released his 1 000 page World Christian Encyclopedia which presented a comprehensive quantitative assessment of World Christianity for the first time This book is the first historical project to analyze Barrett s archival materials which shed light not only on the production of the Encyclopedia but more importantly on the development of World Christianity as a discipline and the importance of both African Christianity and quantitative perspectives in its history This book captures innovations at the intersection of World Christianity mission

studies and the sociology of religion the kind of interdisciplinary research that makes World Christianity studies unique
