## **Operations Management Contemporary Concepts And Cases With Student Cd Rom:**

**Operations Management: Contemporary Concepts and Cases** Roger Schroeder, 2007-11-12 Operations Management Contemporary Concepts and Cases is an ideal book for the instructor seeking a short text with cases This book employs a cross functional perspective appealing to non majors and practical for use in an MBA level course in operations management The size and price of the book also make the text attractive for the cross functional curriculum where students are required to purchase more than one text The cases offer variety in length and rigor and several are from Harvard and Darden This mix makes the book appropriate for both undergraduates and MBA students *Operations Management* Roger G.

Schroeder, 2007 This text presents a number of case studies in operations management of varying length and rigor with several of the cases originating from Harvard and Darden The student CD ROM packaged with the book is an interactive learning tool and brings the material to life Operations Management Roger G. Schroeder, Schroeder Roger, 2000-06

Operations Management Contemporary Concepts and Cases is the first of its kind and meets a growing need in the market More professors are searching for a text that contains both text and cases They are also searching for a shorter and flexible text which allows them to assign additional readings cases or simulations With the emergence of team taught and cross functional programs Roger Schroeders book is a perfect fit as the book integrates cross functional coverage and examples in every chapter The size and price of the book also make it attractive for the cross functional curriculum since those courses often require the student to purchase more than one text The cases offer variety in length and rigor with several of the cases being from Harvard and Darden This variety makes the book appropriate for both undergraduates and MBA students The student CD ROM which is packaged with the book is an interactive learning tool and brings the material to life

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
