Family Shift shows parents how to realign their families with easy but critical steps to follow to start living intentionally. Author Rodney Gage and his wife Michelle saw a drift start to threaten their own family's well-being and set out to stop it in its tracks. They wanted to defy the alarming statistics of the decline of the family unit and share with families everywhere that they can learn to thrive as a family, not merely survive. Every family gets off track at some point, but that's not a major problem as long as you know your destination. Family Shift has families working together to create a family vision, mission statement, and core values. Family members will be better equipped to help one another navigate the unexpected twists and turns of life. Each chapter concludes with questions to answer as a family and additional resources to work through together.

Be Real Rick Bezet, 2014-04-01 We live in a world of fakers. Rather than being real with each other, we present a carefully crafted persona that hides our faults and magnifies our good qualities. But inside, we long to be loved, warts and all. We long to stop hiding from each other and especially from God. With candor and clarity, pastor Rick Bezet calls readers to a life built on authenticity, showing that the way to true freedom lies through reclaiming our hearts, reviving our souls, and renewing our minds in light of what God has done for us through Jesus Christ. Through biblical stories and often funny personal examples, Bezet encourages readers to live with passion, integrity, and perseverance. He releases readers from the spiritual death that comes with pretending and leads them into a new life characterized by transparency rather than fear.
