Opposition Failure In One Party Dominant Japan:

Democracy Without Competition Ethan Scheiner, 2002

Opposition Politics in Japan Stephen Johnson, 2013-09-13

The Liberal Democratic Party in Japan remained in power continuously between 1955 and 1993. In this groundbreaking study of the dominance of the LDP in Japanese politics over the last forty years, *Opposition Politics in Japan* examines the challenges which were mounted against this regime and explores why they failed. The subjects covered include opportunities for a united opposition during the 1970s, ideological, organisational and electoral aspects of the opposition's lack of response to such opportunities and the causes of opposition fragmentation. The book also looks at attempts at coalition, the influence of the trade unions, the importance of organisational factors and the influence if any of the opposition's Marxist tendencies. A highly original and thorough exploration of the issues, *Opposition Politics in Japan* is essential reading for all those interested in Japanese politics.

Democracy Without Competition in Japan Ethan Scheiner, 2006

This book explains why no opposition party has been able to offer itself as a sustained challenger in Japan.

Critical Readings on the Liberal Democratic Party in Japan Robert Pekkanen, 2018-10-02

This work collects decades of the best published scholarship in English on the unequivocally most successful political party in Japanese history, the Liberal Democratic Party (LDP). Governing Japan for almost the entirety of the post-war period, the LDP also has a claim to be the most successful political party in any post-war democracy. Seminal articles in this collection explore the key aspects of the LDP: the party's evolution since its founding in 1955; key facets of the LDP's internal organization, including factions and *koenkai*; the LDP in policy making, including its relationship with the bureaucracy and interest groups, as well as its policy making committee apparatus and party leadership, including the premierships of Junichiro Koizumi and Shinzo Abe.

Why Dominant Parties Lose Kenneth F.

Greene, 2007-09-03. Why have dominant parties persisted in power for decades in countries spread across the globe? Why did most eventually lose? *Why Dominant Parties Lose* develops a theory of single party dominance, its durability and its breakdown into fully competitive democracy. Greene shows that dominant parties turn public resources into patronage goods to bias electoral competition in their favor and virtually win elections before election day without resorting to electoral fraud or bone crushing repression. Opposition parties fail because their resource disadvantages force them to form as niche parties with appeals that are out of step with the average voter. When the political economy of dominance erodes, the partisan playing field becomes fairer and opposition parties can expand into catchall competitors that threaten the dominant party at the polls. Greene uses this argument to show why Mexico transformed from a dominant party authoritarian regime under PRI rule to a fully competitive democracy.

Modern Japan Louis G. Perez, R. W. Purdy, 2024-05-30

Organized by theme, this comprehensive encyclopedia examines all aspects of life in Japan, from geography and government to food and etiquette and much more. Japan, or the Land of the Rising Sun, is home to more than 126 million people, nearly 10 million of whom live in Tokyo alone. How did this tiny island nation become such a powerhouse in the 21st century and where will it go from here?

Modern Japan examines history and contemporary life through thematic entries organized into chapters covering such topics as geography history government and politics economy religion and thought social classes and ethnicity gender marriage and sexuality education language etiquette literature and drama art and architecture music and dance food leisure and sports and media and popular culture Each chapter contains an overview of the topic and alphabetized entries on examples of each theme A chronology covers from prehistoric times to the present and special appendices offer profiles of a typical day in the life of representative members of Japanese society key facts and figures about Japan and a holiday chart This volume is ideal for students researching Japan as well as general readers interested in learning more about the country Collected Writings of J. A. A. Stockwin J.A.A. Stockwin,2004-03 The volume opens with a detailed autobiographical sketch of the author's original meeting with Japan which began in 1961 after taking up a post at ANU Canberra the result of a successful response to an advert in the Manchester Guardian After twenty one years in Australia Arthur Stockwin moved back to the UK to take the chair of the then recently established Nissan Institute of Japanese Studies He was to be in post there also for twenty one years his retirement coinciding with publication of his Dictionary of the Modern Politics of Japan Routledge 2003

Dynasties and Democracy Daniel M. Smith,2018-07-03 Although democracy is in principle the antithesis of dynastic rule families with multiple members in elective office continue to be common around the world In most democracies the proportion of such democratic dynasties declines over time and rarely exceeds ten percent of all legislators Japan is a startling exception with over a quarter of all legislators in recent years being dynastic In Dynasties and Democracy Daniel M Smith sets out to explain when and why dynasties persist in democracies and why their numbers are only now beginning to wane in Japan questions that have long perplexed regional experts Smith introduces a compelling comparative theory to explain variation in the presence of dynasties across democracies and political parties Drawing on extensive legislator level data from twelve democracies and detailed candidate level data from Japan he examines the inherited advantage that members of dynasties reap throughout their political careers from candidate selection to election to promotion into cabinet Smith shows how the nature and extent of this advantage as well as its consequences for representation vary significantly with the institutional context of electoral rules and features of party organization His findings extend far beyond Japan shedding light on the causes and consequences of dynastic politics for democracies around the world **East Asian Perspectives on Political Legitimacy** Joseph Chan,Doh Chull Shin,Melissa S. Williams,2016-11-17 What makes a government legitimate Why do people voluntarily comply with laws even when no one is watching The idea of political legitimacy captures the fact that people obey when they think governments actions accord with valid principles For some what matters most is the government's performance on security and the economy For others only a government that follows democratic principles can be legitimate Political legitimacy is therefore a two sided reality that scholars studying the acceptance of governments need to take into account The diversity and backgrounds of East Asian nations provides a

particular challenge when trying to determine the level of political legitimacy of individual governments This book brings together both political philosophers and political scientists to examine the distinctive forms of political legitimacy that exist in contemporary East Asia It is essential reading for all academic researchers of East Asian government politics and comparative politics The Post-war Roots of Japanese Political Malaise Dagfinn Gatu, 2015-06-12 Writings on post war Japanese politics have tended to take for granted the dominance of the Liberal Democratic Party LDP as inevitable without questioning how this came about This book analyses the nature of Japanese party politics over the first four decades following the Second World War assessing how the chief contenders the conservative LDP and the socialists JSP Japan Socialist Party competed in terms of their strengths and weaknesses relative to the other Throughout it addresses the questions How effectively were the parties strengths harnessed How did they alter over time To what extent was the winning formula challenged Did the loser have access to strengths with a major potential and if so why did these remain underdeveloped It extends widely to include discussion of the political system the social and economic environment in which parties operated internal party matters especially factions personal support groups special interest groups and the role of government bureaucracy It shows why the Liberal Democratic Party was dominant why the Japan Socialist Party remained out of power and how successive prime ministers conducted policymaking in ways which often resulted in the bureaucracy taking the lead Overall the book shows how precedents for the political system and for policymaking were set in this important period precedents which continue and which have contributed significantly to the present conservative stance on many key issues **Local Politics and National Policy** Ken Victor Leonard Hijino, 2017-04-28 This book is about why and how central and local governments clash over important national policy decisions Its empirical focus is on the local politics of Japan which has significantly shaped and been shaped by larger developments in national politics The book argues that since the 1990s changes in the national political arena fiscal and administrative decentralization as well as broader socio economic developments have led to a decoupling of once closely integrated national and local party systems in Japan Such decoupling has led to a breakdown of symbiotic relations between the centre and regions In its place are increasing strains between national and local governments leading to greater intra party conflict inter governmental conflicts and more chief executives with agendas and resources increasingly autonomous of the national ruling party Although being a book primarily focused on the Japanese case the study seeks to contribute to a broader understanding of how local partisans shape national policy making The book theorizes and investigates how the degree of state centralization vertical integration for party organizations and partisan congruence in different levels of government affect inter governmental relations Japan s experience is compared with Germany Canada and the UK to explore sources of multi level policy conflict Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Global Encyclopedia of Public Administration, Public Policy, and Governance Ali

Farazmand,2023-04-05 This global encyclopedic work serves as a comprehensive collection of global scholarship regarding the vast fields of public administration public policy governance and management Written and edited by leading international scholars and practitioners this exhaustive resource covers all areas of the above fields and their numerous subfields of study In keeping with the multidisciplinary spirit of these fields and subfields the entries make use of various theoretical empirical analytical practical and methodological bases of knowledge Expanded and updated the second edition includes over a thousand of new entries representing the most current research in public administration public policy governance nonprofit and nongovernmental organizations and management covering such important sub areas as 1 organization theory behavior change and development 2 administrative theory and practice 3 Bureaucracy 4 public budgeting and financial management 5 public economy and public management 6 public personnel administration and labor management relations 7 crisis and emergency management 8 institutional theory and public administration 9 law and regulations 10 ethics and accountability 11 public governance and private governance 12 Nonprofit management and nongovernmental organizations 13 Social health and environmental policy areas 14 pandemic and crisis management 15 administrative and governance reforms 16 comparative public administration and governance 17 globalization and international issues 18 performance management 19 geographical areas of the world with country focused entries like Japan China Latin America Europe Asia Africa the Middle East Russia and Eastern Europe North America and 20 a lot more Relevant to professionals experts scholars general readers researchers policy makers and manger and students worldwide this work will serve as the most viable global reference source for those looking for an introduction and advance knowledge to the field **Electoral Systems and Political**

Context Robert G. Moser,Ethan Scheiner,2012-09-28 Electoral Systems and Political Context illustrates how political and social context conditions the effects of electoral rules The book examines electoral behavior and outcomes in countries that use mixed member electoral systems where voters cast one ballot for a party list under proportional representation PR and one for a candidate in a single member district SMD Based on comparisons of outcomes under the two different rules used in mixed member systems the book highlights how electoral systems effects especially strategic voting the number of parties and women s representation tend to be different in new democracies from what one usually sees in established democracies Moreover electoral systems such as SMDs are usually presumed to constrain the number of parties irrespective of the level of social diversity but this book demonstrates that social diversity frequently shapes party fragmentation even under such restrictive rules **Power in Contemporary Japan** Gill Steel,2016-06-27 This book discusses Japanese conceptions of

power and presents a complex nuanced look at how power operates in society and in politics It rejects stereotypes that describe Japanese citizens as passive and apolitical cemented into a vertically structured group oriented society and shows how citizens learn about power in the contexts of the family the workplace and politics As Japan grapples with the consequences of having one of the oldest and most rapidly ageing populations in the world it is important for social scientists

and policy makers worldwide to understand the choices it makes Particularly as policy makers have once again turned their attention to workers the roles of women families and to immigrants as potential solutions to the perceived problem of maintaining or increasing the working population These studies show the ebb and flow of power over time and also note that power is context dependent actors can have power in one context but not another *Japan Decides 2012* R. Pekkanen,S. Reed,E. Scheiner,2013-07-25 The 2012 election in Japan ejected the governing DPJ and returned the LDP overwhelmingly to power while brand new parties pulled in millions of voters This book explains what happened why it happened and what it means International experts analyze the election results parties strategies gender issues policy implications and more

Japan Decides 2014 Robert J. Pekkanen,Ethan Scheiner,Steven R. Reed,2016-01-26 Collecting original and high quality analysis by top scholars from Japan the United States Australia and Europe this volume analyzes the results of the 2014 election examining each of the major political parties central policy issues campaign practices and considers how the results were used as a mandate for massive policy reform

Japan's Politics and Economy Marie Söderberg,Patricia Nelson,2009-12-16 For some time Japan has been under fire for adjusting too slowly to new realities While this criticism may be valid on some levels Japan has been transforming in tandem with both regional and global forces However these changes have been largely overshadowed by the immense changes in Asia including the rise of China the 1997 Southeast Asian financial crisis and North Korea s development of nuclear weapons Has Japan the world s second largest economy only been muddling through In this volume the contributors show that although the challenges faced are great Japan is changing in areas ranging from political leadership education policy official development assistance peace building and security to defence production business associations and innovation policy The book analyses processes of change focusing on the dynamics of change rather than structural change or institutional change per se from four levels the individual domestic regional and global Forces from outside Japan such as a changing world order and changes in power relationships in Asia have driven change along with pressures emerging within Japan such as the increasing power of public opinion and competitiveness within markets This book will be of interest to scholars and students of Japanese and Asian Studies Politics International Relations Globalization Business and Economics

Japan Decides 2017 Robert J. Pekkanen,Steven R. Reed,Ethan Scheiner,Daniel M. Smith,2018-05-30 This third volume in the Japan Decides series remains the premier venue for scholarly research on Japanese elections Putting a spotlight on the 2017 general election the contributors discuss the election results party politics coalition politics with Komeito the cabinet constitutional revision new opposition parties and Abenomics Additionally the volume looks at campaigning public opinion media gender issues and representation North Korea and security issues inequality immigration and cabinet scandals With a topical focus and timely coverage of the latest dramatic changes in Japanese politics the volume will appeal to researchers and policy experts alike and will also make a welcome addition to courses on Japanese politics comparative politics and electoral politics Party System

Institutionalization in Asia Allen Hicken, Erik Martinez Kuhonta, 2015 This book provides a comprehensive empirical and theoretical analysis of the development of parties and party systems in Asia The studies included advance a unique perspective in the literature by focusing on the concept of institutionalization and by analyzing parties in democratic settings as well as in authoritarian settings The countries covered in the book range from East Asia to Southeast Asia to South Asia

The SAGE Handbook of Modern Japanese Studies James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University

Opposition Failure In One Party Dominant Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Opposition Failure In One Party Dominant Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Opposition Failure In One Party Dominant Japan has opened up a world of possibilities. Downloading Opposition Failure In One Party Dominant Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Opposition Failure In One Party Dominant Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Opposition Failure In One Party Dominant Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Opposition Failure In One Party Dominant Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Opposition Failure In One Party Dominant Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Opposition Failure In One Party Dominant Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Opposition Failure In One Party Dominant Japan Books

What is a Opposition Failure In One Party Dominant Japan PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Opposition Failure In One Party Dominant Japan PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Opposition Failure In One Party Dominant Japan PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Opposition Failure In One Party Dominant Japan PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Opposition Failure In One Party Dominant Japan PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
