## **Oppositional Imagination Feminism Critique And Political Theory:**

**The Oppositional Imagination** Joan Cocks,2013 **The Oppositional Imagination (RLE Feminist Theory)** Joan Cocks,2012-11-27 The *Oppositional Imagination* draws together elements from Marxism analytical philosophy post structuralism and post colonial criticism to analyse the elusive interplay of culture and power It focuses its attention on cultural domination opposition and evasion in the realm of sex and gender Joan Cocks reflects on questions crucial to both political theorists and feminists the relationship between political theory and practical life the possibility of bringing together a philosophical and a literary language to comprehend and evoke concrete experience and the reconciliation of radical political commitment with an appreciation of shades of grey in the social world She explores the variety of ways in which power and eroticism intersect the liberating and tyrannical impulses of marginal cultures and the place of the loyalist the eccentric the critic the traitor and the rebel in the sexual struggle The *Oppositional Imagination* reaffirms the centrality of political theory and feminist practice while at the same time challenging certain of their key principles in thought provoking ways *The Oppositional Imagination* ,2013 The *Oppositional Imagination* draws together elements from Marxism analytical philosophy post structuralism and post colonial criticism to analyse the elusive interplay of culture and power It focuses its attention on cultural domination opposition and evasion in the realm of sex and gender Joan Cocks reflects on questions crucial to both political theorists and feminists the relationship between political theory and practical life the possibility of bringing together a philosophical and a literary language to comprehend and evoke **Routledge Library Editions: Feminist Theory** Various,2021-08-07 Routledge Library Editions Feminist Theory brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from *The Liberation of Women* to *Feminists and State Welfare* from *Married to the Job* to *Julia Kristeva* this set provides in one place a wealth of important reference sources from the diverse field of gender studies **Nonviolence in Political Theory** Ian Attack,2012-07-30 Develops a coherent theory of nonviolent political action in the context of Western political theory Ian Attack identifies the contribution of nonviolence to political theory through connecting central characteristics of nonviolent action to fundamental debates about the role of power and violence in politics This in turn provides a platform for going beyond historical and strategic accounts of nonviolence to a deeper understanding of its transformative potential From Mahatma Gandhi and Martin Luther King to toppled communist regimes in Eastern Europe and pro democracy movements in Serbia Georgia and Ukraine nonviolent action has played a significant role in achieving social and political change in the last century The Arab Spring revolutions particularly those in Tunisia and Egypt and the Occupy movement in the US and UK demonstrate that nonviolence continues to be a vital feature of many campaigns for democracy human rights and social justice **Why Don't You Just Talk to Him?** Kathleen R. Arnold,2015-08-03 *Why Don't You Just Talk to Him* looks at the broad political contexts in which violence specifically domestic violence occurs Kathleen Arnold argues that liberal and

Enlightenment notions of the social contract rationality and egalitarianism the ideas that constitute norms of good citizenship have an inextricable relationship to violence According to this dynamic targets of abuse are not rational make bad choices are unable to negotiate with their abusers or otherwise violate norms of the social contract they are thus second class citizens In fact as Arnold shows drawing from Nietzsche and Foucault's theories of power and arguing against much of the standard policy literature on domestic violence the very mechanisms that purportedly help targets of domestic abuse actually work to compound the problem by exacerbating or ignoring the power differences between the abuser and the abused The book argues that a key to understanding how to prevent domestic violence is seeing it as a political rather than a personal issue with political consequences It seeks to challenge Enlightenment ideas about intimacy that conceive of personal relationships as mutual equal and contractual Put another way it challenges policy ideas that suggest that targets of abuse can simply choose to leave abusive relationships without other personal or economic consequences or that there is a clear and consistent level of help once they make the choice to leave Asking Why Don't You Just Talk to Him is in reality a suggestion riven with contradictions and false choices Arnold further explores these issues by looking at two key asylum cases that highlight contradictions within the government's treatment of foreigners and that of long term residents These cases expose problematic assumptions in the approach to domestic violence more generally Exposing major injustices from the point of view of domestic violence targets this book promises to generate further debate if not consensus *Congress of Wo/men* Elisabeth Schussler Fiorenza, 2021-03-16 Reframing Ideas about Feminist Theory and Theology for the 21st Century In Congress of Wo men Religion Gender and Kyriarchal Power leading feminist scholar Elisabeth Sch ssler Fiorenza challenges the tendency in feminist theory to leave behind religion a space of struggle resistance and social transformation as a place for feminist politics She also confronts the tendency of religious feminists to view women as if they are all the same or to limit them to complementary roles with men Presenting an alternative vision for global justice within the landscape of neoliberal kyriarchy Sch ssler Fiorenza calls upon religious and non religious feminists to engage in transformation through struggle friendship and community Further this groundbreaking book's nal chapter opens up the discussion for future feminist work drawing the reader into an imagined community of feminist readers with whom the reader can agree or disagree but nevertheless struggle alongside to imagine a more just world **Luce Irigaray** Margaret Whitford, 2014-02-25 An ideal introduction to Irigaray's whole corpus which includes previously untranslated texts

Changing the World Stacey Young, 2014-01-02 Changing the World draws on feminist publishing postmodern theory and feminist autobiography to powerfully critique both liberal feminism and scholarship on the women's movement arguing that both ignore feminism's unique contributions to social analysis and politics. These contributions recognize the power of discourse, the diversity of women's experiences and the importance of changing the world through changing consciousness. Young critiques social movement theory and five key studies of the women's movement arguing that gender oppression can be understood only in relation to race, sexuality, class and ethnicity and that feminist activism has always gone beyond the realm of public policy to emphasize improving women's circumstances through transforming discourse and consciousness. Young examines feminist discursive politics, critiques social science methodology and proposes an alternative approach to understanding the women's movement.

**Feminism in the Study of Religion** Darlene Juschka, 2001-08-02 Written by feminist scholars over a period of nearly thirty years, the selected readings are wide ranging in content, offer a multi-ethnic and multi-cultural perspective and reflect the work of scholars working within religious studies as well as other disciplines. The introductory essays link the sections and are packed with useful information on resources, issues and the current debates. The book illustrates how debates about feminism within the study of religions have been impacted by broader theoretical discussions and provides evidence that feminist scholars working on religion have made their own contribution to feminist theory.

The New Civil Rights Research Benjamin Fleury-Steiner, Laura Beth Nielsen, 2006 Bringing together some of the most innovative and important research on civil rights law and legality, this book draws on narratives of individuals to provide a rich understanding of what happens when law interacts with other competing systems. The collection moves beyond the traditional polarizing debates and presents a constitutive approach to rights that is not reducible to a simple for or against rights formula.

**Black Women, Writing and Identity** Carole Boyce-Davies, 2002-09-11 Black Women Writing and Identity is an exciting work by one of the most imaginative and acute writers around. The book explores a complex and fascinating set of interrelated issues, establishing the significance of such wide-ranging subjects as re-mapping, re-naming and cultural crossings, tourist ideologies and playful world travelling, gender, heritage and identity, African women's writing and resistance to domination, marginality, effacement and decentering, gender, language and the politics of location. Carole Boyce-Davies is at the forefront of attempts to broaden the discourse surrounding the representation of and by black women and women of colour. Black Women Writing and Identity represents an extraordinary achievement in this field, taking our understanding of identity, location and representation to new levels.

**Men Writing the Feminine** Thais E. Morgan, 1994-08-04 What happens when a male author writes the feminine? Can a male author completely identify with a woman? Or does a male author always write through a woman's voice for purposes of his own? This fascinating collection explores these and other questions about gender and writing from a wide range of

theoretical perspectives including psychoanalysis semiotics deconstruction feminism postmodernism and discourse analysis The introductory essay provides an overview of current issues and methodologies in gender theory while the 11 essays in the book discuss novels and poems from the seventeenth century to the present by British American and French male writers who speak as through or like the feminine Authors considered in this book include George Herbert William Wordsworth John Hawkes Denis Diderot Paul Verlaine Randall Jarrell John Berryman William Faulkner Thomas Pynchon Jacques Derrida and Jacques Lacan The collection ends with a piece on the future of men in feminism a discussion of women s and gay and lesbian studies and a debate on future directions in gender theory Also included is a selected bibliography of recent books of interest to scholars and students working on literature theory and gender

*Men Writing the Feminine* is designed for use in advanced undergraduate and graduate courses It addresses men as well as women and promotes dialogue about the variety of gender positions represented in literature and theory

*The Coupling Convention* Ann DuCille,1993 Much more than a period study The Coupling Convention spans the years from 1853 to 1948 and addresses the vital questions of gender sexuality race and the marriage tradition in black women s fiction

*Disputed Subjects (RLE Feminist Theory)* Jane Flax,2012-11-12 Incorporating autobiography as well as reflections on relations between mothers and daughters psychoanalysis feminist theorizing race and modernist political theories and philosophies renowned feminist theorist Jane Flax brings together eight of her most recent essays in Disputed Subjects Indisputably required reading Lively sophisticated and challenging discussions at the crucial intersection of feminist psychoanalytic and political ideas Jane Flax allows her own multiple and conflicting identities into open dialogue and the result is a promontory on the postmodern landscape Kenneth J Gergen Jane Flax is one of the most challenging women writing today It is the well informed voice of sanity balance and courage Phyllis Grosskurth Jane Flax s bold new book challenges orthodoxies in feminism psychoanalysis and postmodernism By questioning the questions that have been taken to define these fields she demonstrates once again the originality of her thinking Alison M Jaggar
