

A person is shown from the chest down, wearing a dark suit, sitting at a wooden desk and using a laptop. The laptop screen is partially visible, showing a dark interface. Overlaid on the scene are several futuristic, glowing blue digital elements. On the left, there are three translucent blue panels with white line-art icons: a document with a magnifying glass, a bar chart, and a document with a checkmark. A hand is pointing at one of these panels, with a bright orange and yellow light effect at the point of contact. To the right of the hand, the text "Optical Character Recognition" is written in a large, bold, white sans-serif font. Behind the text, there are faint, concentric blue circles, suggesting a scanning or recognition process. The overall background is dark and moody, with the primary light sources being the laptop screen and the glowing digital overlays.
