Political Unrest In Upper Canada 1815 1836:

Political unrest in Upper Canada, 1815-1836 Aileen Dunham, 1975 Political Unrest in Upper Canada, 1815-1836
Aileen Dunham, 1927 First published in 1927 this account of the political struggles of Upper Canada prior to the Rebellion of 1837 remains a classic piece of Canadian historical scholarship **Political Unrest in Upper Canada, 1815-1836** Aileen Dunham, 1963 **Rebellion of 1837 in Upper Canada** Colin Read, 1985-09-15 This volume presents a broad documentary coverage of the rebellions and material on areas of Upper Canada not directly threatened by them A judicious reading should provide a sound knowledge of the uprisings Rebellion of 1837 in Upper Canada Champlain Society, Ontario Heritage Foundation, 1985 This volume presents a broad documentary coverage of the rebellions and material on areas of Upper Canada not directly threatened by them A judicious reading should provide a sound knowledge of the uprisings Historical Essays on Upper Canada Bruce G. Wilson, J.K. Johnson, 1989-06-15 This collection of articles provides a fresh look at the multifaceted history of Upper Canada As well as new perspectives on themes in economic social and political history essays are included on topics of concern to contemporary scholars such as nation Popular Politics and Political Culture in Upper Canada, 1800-1850 Carol Wilton, 2000 In *Popular Politics and Political Culture in Upper Canada 1800 1850* Carol Wilton shows us that ordinary Canadians were much more involved in the political process than previous accounts have led us to believe They demonstrated their interest in politics and their commitment to a particular viewpoint by active participation in the petitioning movements that were an important element of provincial political culture **Idea of Loyalty in Upper Canada, 1784-1850** David Mills, 1988 Loyalty evolved as the central political idea in Upper Canada during the first half of the nineteenth century It formed the basis of political legitimacy and acceptance into provincial society David Mills examines the evolution and development of the concept of loyalty placing special emphasis on the contribution of moderate reformers Statistical Account of Upper Canada Robert Gourlay, 1794-01-01 This account was compiled originally in 1822 to promote an immigration scheme for Upper Canada but its disclosures of backward development and governmental mismanagement made it the focal point of a violent controversy *Political Unrest in Upper Canada, 1815-36* Aileen Dunham, 1927 United Empire, 1927 *A City in the Making* Frederick Henry Armstrong, 1988-12 *A City in the Making* examines certain of the events that took place in the nineteenth century Toronto paying particular attention to those who carved a thriving metropolis out of the frontier post that was the town of York *The Republic of Canada Almost* Patrick Richard Carstens and Timothy L, 2013 The history of Canada since post War of 1812 to Confederation in 1867 is an interesting chapter and not a well known part of our history The provinces of Quebec and Ontario were ruled by non elected powers who controlled the governments In Lower Canada Quebec it was the Chateau Clique and in Upper Canada it was the Family Compact who provided the fuel for the Rebellions of 1837 38 To find the stories behind the story we started searching for roadside markers historical plaques monuments cemeteries and the tombstones to the fallen the battlefields and those who

fought and those who were key players in the rebellion We are telling readers why Canada was Almost The Republic of Canada and why the Americans who fought and those who lost their lives fighting to add the Canadas to the United States of America Two Worlds William Westfall,1990-09 Religion was at the heart of Ontario life for many years In Two Worlds Westfall examines the origin character and social significance of the powerful and distinctive Protestant culture that grew and flourished in Southern Ontario in the mid Victorian period **The Last Plague** Mark Osborne Humphries,2013-01-11 The Spanish influenza of 1918 was the deadliest pandemic in history killing as many as 50 million people worldwide Canadian federal public health officials tried to prevent the disease from entering the country by implementing a maritime quarantine as had been their standard practice since the cholera epidemics of 1832 But the 1918 flu was a different type of disease In spite of the best efforts of both federal and local officials up to fifty thousand Canadians died In The Last Plague Mark Osborne Humphries examines how federal epidemic disease management strategies developed before the First World War arguing that the deadliest epidemic in Canadian history ultimately challenged traditional ideas about disease and public health governance Using federal provincial and municipal archival sources newspapers and newly discovered military records as well as original epidemiological studies Humphries sweeping national study situates the flu within a larger social political and military context for the first time His provocative conclusion is that the 1918 flu crisis had important long term consequences at the national level ushering in the modern era of public health in Canada *This Side of Heaven* Norman N. Feltes,1999-01-01 What motivated a group of men in southwestern Ontario to enter the Donnelly farmhouse in 1880 and bludgeon the family to death Feltes rigorously Marxist approach situates the murders in a compelling web of economic social and geographical structures **Political Unrest in Upper Canada, 1815-1836** A. Dunham,1924 Political Corruption in Canada Kenneth Gibbons,1976-01-15 Canadians assume that their politicians and institutions are relatively free of the corruption they associate with other nations The editors of this volume argue that this questionable supposition is based on scant evidence and very little serious analysis **Getting it Wrong** Paul Romney,1999-01-01 This provocative book explains how divergent views of Canada s past have sown dissension between Qu b cois and other Canadians disclosing a lost middle ground between the Canadian nationalist and Qu bec nationalist visions of Canadian history **The English Historical Review** Mandell Creighton,Justin Winsor,Samuel Rawson Gardiner,Reginald Lane Poole,Sir John Goronwy Edwards,1928
