

THE POLITICS OF MARGINALITY

Course, then, designed to highlight issues of marginalization
and to understand the contemporary situation

and David Day

1907-1914 and 1914-1918

Politics Of Marginality Race The Radical Right And Minorities In Twentieth Century Britain

Geoffrey Short, Carole Ann Reed

Politics Of Marginality Race The Radical Right And Minorities In Twentieth Century Britain:

The Politics of Marginality Tony Kushner, Kenneth Lunn, 2012-11-12 Immigration to Britain has rarely achieved the levels experienced by the US but it is nevertheless true of all periods that immigrants refugees and sojourners have been continually present While we may have the beginnings of a history of immigration ethnicity and race in Britain there is a lack of historiographical awareness in the subject The essays in this collection ranging from specific case studies to broad themes are an attempt to provide a basis for future discussion

The Internment of Aliens in Twentieth Century Britain David Cesarani, Tony Kushner, 2013-02-01 These essays reveal the role of British intelligence in the roundups of European refugees and expose the subversion of democratic safeguards They examine the oppression of internment in general and its specific effect on women as well as the artistic and cultural achievements of internees

Health and Society in Twentieth Century Britain Helen Jones, 2014-01-14 Few things tell us more of a nation's general well being than the development of the life expectancy of its citizens the rising standards of health that they come to demand and how evenly that improvement is shared throughout society Helen Jones examines the record of twentieth century Britain in these respects She has much heartening progress to record yet stark inequalities remain Her book is thus both a review of and contribution to the current debates over gender class and ethnic inequalities in standards of health in Britain today

Christian and Jewish Women in Britain, 1880-1940 Anne Summers, 2016-12-21 This book offers an entirely new contribution to the history of multiculturalism in Britain 1880-1940 It shows how friendship and co-operation between Christian and Jewish women changed lives and as the Second World War approached actually saved them The networks and relationships explored include the thousand plus women from every district in Manchester who combined to send a letter of sympathy to the Frenchwoman at the heart of the Dreyfus Affair the religious leagues for women's suffrage who initiated the first interfaith campaigning movement in British history the collaborations often problematic on refugee relief in the 1930s the close ties between the founder of Liberal Judaism in Britain and the wife of the leader of the Labour Party between the wealthy leader of the Zionist women's movement and a passionate socialist woman MP A great variety of sources are thoughtfully interrogated and concluding remarks address some of the social concerns of the present century

British Fascist Antisemitism and Jewish Responses, 1932-40 Daniel Tilles, 2014-11-20 This book explores the use of antisemitism by Britain's interwar fascists and the ways in which the country's Jews reacted to this examining the two alongside one another for the first time and locating both within the broader context of contemporary events in Europe Daniel Tilles challenges existing conceptions of the antisemitism of Britain's foremost fascist organisation the British Union of Fascists He demonstrates that it was a far more central aspect of the party's thought than has previously been assumed This in turn will be shown to be characteristic of the wider relationship between interwar European fascism and antisemitism a thus far relatively neglected issue in the burgeoning field of fascist studies Tilles also argues that the BUF's leader Sir Oswald Mosley far from being a

reluctant convert to the anti Jewish cause or simply a cynical exploiter of it as much of the existing scholarship suggests was aware of the role antisemitism would play in his fascist doctrine from the start and remained in control of its subsequent development These findings are used to support the notion that contrary to prevailing perceptions Jewish opposition to the BUF played no part in provoking the fascists adoption of antisemitism Britain s Jews did nevertheless play a significant role in shaping British fascism s path of development and the wide ranging and effective anti fascist activity they pursued represents an important alternative narrative to the dominant image of Jews as mere victims of fascism

Racial Science and British Society, 1930-62 G. Schaffer,2008-09-02 From 1930 62 the idea of race was studied across a range of academic disciplines This book explores expert thinkings on race in the period and explains the relationship between scientific racial research social policy and attitudes regarding immigration ultimately offering new insight into the evolving understanding of the idea of race

Conservatism for the democratic age David Thackeray,2016-05-16 This book offers a new interpretation of the Conservative party s revival and adaptation to democratic politics in the early twentieth century We cannot appreciate the Conservatives unique success in British politics without exploring the dramatic cultural transformation which occurred within the party during the early decades of the century This was a seminal period in which key features of the modern Conservative party emerged a mass women s organisation a focus on addressing the voter as a consumer targeted electioneering strategies and the use of modern media to speak to a mass audience This book provides the first substantial attempt to assess the Conservatives adaptation to democracy across the early twentieth century from a cultural perspective and will appeal to academics and students with an interest in the history of political communication gender and class in modern Britain

The National Council for Civil Liberties and the policing of interwar politics Janet Clark,2017-10-03 Issues around the policing of public order and political expression are as topical today as in the past and are likely to remain so in the future Janet Clark explores the origins of the National Council for Civil Liberties the precursor to Liberty that emerged in 1934 in protest at the policing of political extremes The book deals with police attempts to discredit the NCCL and the use of intelligence to perpetuate a view of the organisation as a front for the Communist Party It also examines the state and police responses to this organised criticism of police powers This book is essential reading for students and lecturers studying British social history the development of civil liberties and of policing in Britain as well as anyone interested in this enduring topic Included is a foreword by Clive Emsley Emeritus Professor in History at the Open University and widely regarded as the doyen of police history

Jewish Edinburgh M.D. Gilfillan,2019-02-27 This first full length history of the Jews of Edinburgh chronicles their immigration to Scotland s capital city from Russia during the 1880s in the wake of Tsarist persecution and examines their reception by native Scots Smaller than its Glasgow counterpart the Jewish community in Edinburgh took on greater national significance in part through the career of Scotland s Rabbi Dr Salis Daiches of the Edinburgh Hebrew Congregation The community would also contribute Scotland s first Jewish member of

parliament as well as the first Jewish president of the Scottish Football League

British Jewry, Zionism, and the Jewish State, 1936-1956 Stephan Wendehorst, 2012 Stephan E C Wendehorst explores the relationship between British Jewry and Zionism from 1936 to 1956 a crucial period in modern Jewish history encompassing both the shoah and the establishment of the State of Israel He attempts to provide an answer to what at first sight appears to be a contradiction the undoubted prominence of Zionism among British Jews on the one hand and its diverse expressions ranging from aliyah to making a donation to a Zionist fund on the other Wendehorst argues that the ascendancy of Zionism in British Jewry is best understood as a particularly complex but not untypical variant of the 19th and 20th century s trend to re imagine communities in a national key He examines the relationship between British Jewry and Zionism on three levels the transnational Jewish sphere of interaction the British Jewish community and the place of the Jewish community in British state and society The introduction adapts theories of nationalism so as to provide a framework of analysis for Diaspora Zionism Chapter one addresses the question of why British Jews became Zionists chapter two how the various quarters of British Jewry related to the Zionist project in the Middle East chapter three Zionist nation building in Britain and chapter four the impact of Zionism on Jewish relations with the larger society The conclusion modifies the original argument by emphasising the impact that the specific fabric of British state and society in particular the Empire had on British Zionism

Periodizing Secularization Clive D. Field, 2019-10-31 Moving beyond the now somewhat tired debates about secularization as paradigm theory or master narrative *Periodizing Secularization* focuses upon the empirical evidence for secularization viewed in its descriptive sense as the waning social influence of religion in Britain Particular emphasis is attached to the two key performance indicators of religious allegiance and churchgoing each subsuming several sub indicators between 1880 and 1945 including the first substantive account of secularization during the fin de si cle A wide range of primary sources is deployed many of them relatively or entirely unknown and with due regard to their methodological and interpretative challenges On the back of them a cross cutting statistical measure of active church adherence is devised which clearly shows how secularization has been a reality and a gradual not revolutionary process The most likely causes of secularization were an incremental demise of a Sabbatarian culture coupled with the associated emergence of new leisure opportunities and transport links and of religious socialization in the church at home and in the school The analysis is also extended backwards to include a summary of developments during the eighteenth and early nineteenth centuries and laterally to incorporate a preliminary evaluation of a six dimensional model of diffusive religion demonstrating that these alternative performance indicators have hitherto failed to prove that secularization has not occurred The book is designed as a prequel to the author s previous volumes on the chronology of British secularization Britain s Last Religious Revival 2015 and Secularization in the Long 1960s 2017 Together they offer a holistic picture of religious transformation in Britain during the key secularizing century of 1880 1980

An Immigration History of Britain Panikos Panayi, 2014-09-11 Immigration ethnicity multiculturalism and racism have

become part of daily discourse in Britain in recent decades yet far from being new these phenomena have characterised British life since the 19th century While the numbers of immigrants increased after the Second World War groups such as the Irish Germans and East European Jews have been arriving settling and impacting on British society from the Victorian period onwards In this comprehensive and fascinating account Panikos Panayi examines immigration as an ongoing process in which ethnic communities evolve as individuals choose whether to retain their ethnic identities and customs or to integrate and assimilate into wider British norms Consequently he tackles the contradictions in the history of immigration over the past two centuries migration versus government control migrant poverty versus social mobility ethnic identity versus increasing Anglicisation and above all racism versus multiculturalism Providing an important historical context to contemporary debates and taking into account the complexity and variety of individual experiences over time this book demonstrates that no simple approach or theory can summarise the migrant experience in Britain *British Fascism, 1918-39* Thomas Linehan, 2000 This clear balanced survey provides an accessible guide to the essential features of British fascism in the inter war period with a special attention to fascism and culture The book explores the various definitions of fascism and analyzes the origins of British fascism fascist parties groups and membership and British fascist anti-Semitism

"Totally Un-English"? Richard Dove, 2005 The internment of enemy aliens by the British government in two world wars remains largely hidden from history British historians have treated the subject if at all as a mere footnote to the main narrative of Britain at war In the Great War Britain interned some 30 000 German nationals most of whom had been long term residents In fact internment brought little discernible benefit but cruelly damaged lives and livelihoods breaking up families and disrupting social networks In May 1940 under the threat of imminent invasion the British government interned some 28 000 Germans and Austrians mainly Jewish refugees from the Third Reich It was a measure which provoked lively criticism not least in Parliament where one MP called the internment of refugees totally un-English The present volume seeks to shed more light on this still submerged historical episode adopting an inter disciplinary approach to explore hitherto under researched aspects including the historiography of internment the internment of women deportation to Canada and culture in internment camps including such notable events as the internment revue *What is Life* *Life Below Stairs: The Real Lives of Servants, the Edwardian Era to 1939* Pamela Horn, 2012-09-15 A fascinating glimpse of life below stairs This book tells the stories of the lives the people who lived and worked there *Issues in Holocaust Education* Geoffrey Short, Carole Ann Reed, 2017-07-05 This original contribution to understanding the nature of Holocaust education in schools tackles an issue that has gained significant interest over the past decade and is of increasing relevance due to a growing intolerance across Europe and elsewhere The authors examine a range of issues including the need for Holocaust education the factors that facilitate or inhibit its evolution and the indifferent response of the antiracist movement to the attempted annihilation of European Jewry The empirical content sheds light on the attitudes and practices of teachers and on the prospects of drawing

on the Holocaust to further the goal of participatory democracy The themes and illustrative research are discussed in the context of developments in two locations the United Kingdom and Canada and the findings will be germane to an international audience The volume will prove invaluable to academics and policy makers concerned with social policy sociology education and history as well as to teachers of the Holocaust [Regulation of Migration](#) Anita Böcker,1998

Alice's Book Karina Urbach,2022-05-12 A remarkable and important story BBC Radio 4 Woman s Hour Unputdownable Urbach has also retold the tragic Holocaust story in quite unforgettable lines A N Wilson In a remarkable new book Alice s granddaughter Karina a noted historian has traced what happened to her family but also what happened to the cookbook Daniel Finkelstein This fascinating book by Alice s granddaughter Karina Urbach shines a spotlight on this lesser known aspect of Nazi looting The Times A gripping piece of 20th century family history but also something much more original a rare insight into the Aryanisation of Jewish authored books during the Nazi regime Financial Times What happened to the books that were too valuable to burn Alice Urbach had her own cooking school in Vienna but in 1938 she was forced to flee to England like so many others Her younger son was imprisoned in Dachau and her older son having emigrated to the United States became an intelligence officer in the struggle against the Nazis Returning to the ruins of Vienna in the late 1940s she discovers that her bestselling cookbook has been published under someone else s name Now eighty years later the historian Karina Urbach Alice s granddaughter sets out to uncover the truth behind the stolen cookbook and tells the story of a family torn apart by the Nazi regime of a woman who with her unwavering passion for cooking survived the horror and losses of the Holocaust to begin a new life in America Impeccably researched and incredibly moving Alice s Book sheds light on an untold chapter in the history of Nazi crimes against Jewish authors As this engaging memoir makes clear the theft of the cookbook remained for Alice s entire life the symbol of everything that had been taken from her TLS Translated from the German by Jamie Bulloch *Life Below Stairs: The Real Lives of Servants, 1939 to the Present* Pamela Horn,2014-03-15 The real lives of servants in the second half of the twentieth century [British Fascism, 1918-1939](#) Thomas Linehan,2021-07-08 A major new and balanced study of British Facism which surveys the development of British fascism between 1918 and 1939 Provides an accessible guide to the essential features of British fascism in the interwar period Considers a previously under researched area of British fascism namely fascism and culture Explores the various definitions of fascism before moving on to analyse the origins of British fascism the fascist parties and groups fascism and culture the membership and British fascist antisemitism
