**Parliamentary Opposition in Old and New Democracies** Ludger Helms, 2013-10-18 Previously published as a special issue of the Journal of Legislative Studies this volume offers a broad comparative assessment of the many faces of parliamentary opposition in different political legal and cultural settings Issues of political opposition and of parliamentary opposition in particular are at the very heart of the study of democratic processes in different parts of the world Written by leading scholars in the field this book looks both at the core features of the parliamentary opposition itself and its role in the legislative and wider political process This includes an inquiry into the manifold challenges that the parliamentary opposition in many countries has come to face in the more recent past in particular the rise of different non parliamentary opposition actors The countries covered in this volume include the old democracies of the Anglo Saxon world continental Europe and Japan and the new democracies and democratizing regimes in Central and Eastern Europe Latin America and South Africa Another chapter looks at the manifestations of parliamentary opposition within the multi level system of the European Union

Contemporary Austrian Politics Volkmar Lauber, 2019-09-17 Long characterized by stability even rigidity Austrian politics is becoming more dynamic and combative Tracing the disruption of the postwar pattern in Austria this book explores the recent dramatic evolution in Austria's political system The contributors examine the decline of the established Social Democratic and Conservative parties and c *Changing Party Systems in Western Europe* David Broughton, Mark Donovan, 1999-01-04 This is an analysis of the changing pressures and demands placed on party systems in 11 countries in Western Europe since 1945 This book includes studies of the party system in Britain France Italy and Germany as well as studies of Spain Portugal Ireland Sweden Austria Belgium and the Netherlands Five major themes are examined in each chapter First the broad development of the party system is accompanied by a discussion of how different party system typologies have been applied to each country Secondly a detailed discussion of the historical background to party system developments is provided dealing with the main divisions derived from the typology of Lipset and Rokkan Thirdly the most important contextual variables are considered in terms of the electoral environment within which the party system operates Next consideration is given to the degree of unfreezing of the party system since 1945 and the changing balance between

stability and change Finally major questions of change and adaptation are examined updating the text *The Vranitzky Era in Austria* Anton Pelinka, 2018-04-24 Franz Vranitzky the banker turned politician was chancellor during the ten years 1986-96 when the world dramatically changed in the aftermath of the cold war Among postwar chancellors only Bruno Kreisky held office longer The Austrian Social Democratic Party has been in power since 1970 Such longevity is unique in postwar European politics The dominance of Social Democracy in particular is noteworthy when compared to the general decline of traditional leftist politics in Europe The chapters in this volume try to assess Vranitzky's central role in recent Austrian and European history Richard Luther presents the general European political context in which Vranitzky operated Eva Nowotny Vranitzky's former principal foreign policy adviser and Austria's current ambassador to the United Kingdom analyzes his struggle over joining the European Union as well as Austria's security dilemmas following the cold war Fritz Plasser looks at the changing electoral behavior of Austrians and the ascendancy of new parties Irene Etzerdorfer concentrates on the long hegemony of Austrian Social Democratic leadership by comparing Vranitzky's and Kreisky's leadership styles Other contributors include Sonja Puntischer Riekmann Brigitte Unger Peter Rosner Alexander van der Bellen and George Winkler A forum on postwar Austrian memory of World War II from a comparative perspective which continues the theme of previous volumes in this series is also included Jonathan Petropoulos demonstrates how Swiss middlemen were in the center of dealing with stolen Nazi art during and after the war while Olive Rathkolb describes the shameful legacy of the Austrian government's procrastination in resolving the issue of Jewish heirless art Peter Utgaard shows how in Austria's postwar high school textbooks the American bombing of Hiroshima often figured more prominently than the Holocaust Review essays and book reviews complete the volume *The Vranitzky Era in Austria* is a compelling work for political scientists historians and Austria studies scholars Gnter Bischof is associate director of Center Austria and associate professor of history at the University of New Orleans and former visiting professor at the University of Salzburg Anton Pelinka is director of the Austrian Institute of Conflict Research in Vienna professor of political science at the University of Innsbruck and former visiting professor at Stanford University Ferdinand Karlhofer is associate professor of political science at the University of Innsbruck and former visiting professor at the University of New Orleans

**Power Sharing in Lebanon** Eduardo Wassim Aboultaif, 2019-01-15 This book studies the origins and evolution of power sharing in Lebanon The author has established a relationship between mobilization ethnurgy ethnic identification memory and trauma and how they impact power sharing provisions The book starts with the events in the 1820s when communities began to politicize their identities and which led to the first major outbreak of civil violence between the Druze and the Maronites Consequently these troubled four decades in Lebanon led to the introduction of various forms of power sharing arrangements to establish peace The political systems introduced in Lebanon are the Kaim Makamiya dual sub governorship a quasi federal arrangement the Mutassarifiya the prototype of a power sharing system the post independence political system of Lebanon which the book refers to as semi

consociation due to the concentration of executive powers in the Presidential office and finally the full consociation of the Taif Republic In each of these phases there was a peculiar interaction between the non structural elements that had a direct impact on power sharing this led at times to instability and at other times it brought down the system as in 1840 1860 and 1975 Power Sharing in Lebanon is the first academic work that emphasizes the influence of the non structural elements that hinder power sharing This volume is now a key resource for students and academics interested in Lebanese Politics and the Middle East **Party Elites in Divided Societies** Kris Deschouwer, Kurt Richard Luther, 2004-01-14 Working from the basis of Arend Lijphart's 1968 work on divided societies the authors go on to look at such cultures and subcultures thirty years on bringing in new evidence and analysis to bear on the issue They also examine the essential role of party politics within and between these D framing comparisons with a number of countries from Belgium to Israel

**Austro-corporatism** Gunter Bischof, 2020-03-10 Corporatism was unpopular in the Europe of the past decade During a time of neo conservative resurgence in both the United States and the United Kingdom macroeconomic steering and statist centralism and regulation were in disfavor However Austria's unique Sozialpartnerschaft its famed system of tripartite informal and formal labor business and state cooperation continued to prosper In spite of such powerful Anglo American trends Austro Corporatism is the fourth volume in the interdisciplinary Contemporary Austrian Studies series This effort in particular reflects the uniqueness of Austrian corporatism and looks at its deep historical roots from a comparative continental European perspective The contributors Include specialists on Austria from all parts of the world making this a truly international effort Andrei Markovits provides the larger European context for this analysis of Austrian corporatism Emmerich Talos and Bernhard Kittel review the historical development of Austrian corporatism going back to its nineteenth century roots Randall Kindley studies the Institutional framework of Austrian corporatism particularly its post World War II reincarnation Hans Seidel looks at the subject from a neo Keynesian economic perspective and Ferdinand Karlhofer at the chances of its survival in a changing international environment Jonathan Petropoulos presents a fascinating biographical study of Nazi art plunderer Kajetan Muhlmann and David McIntosh compares Eisenhower's policy vis a vis the small friendly countries of Lebanon Costa Rica and Austria A special forum looks at the model character and appeal of tripartite Austrian cooperation among its new eastern democratic neighbors the Czech Republic Slovakia Hungary and Slovenia A number of reviews of Austrian politics in 1994 complete the volume Austro Corporatism will be of intense interest to foreign policy analysts historians and scholars concerned with the unique elements in Central European politics *Power-Sharing and Consociational Theory* Brigid Brooks Kelly, 2019-03-25 Fifty years ago academics and policymakers throughout the world agreed that it was impossible for certain sets of historically antagonistic groups to coexist peacefully on a long term basis This book examines the system of consociation which was identified by Arend Lijphart and ended that pessimistic consensus Lijphart's specific observations concerning the impact of consociation are assessed quantitatively and qualitatively facilitated

through careful operationalization of his descriptions of consociation's four components: grand coalition, minority veto, proportionality, and segmental autonomy. Insights derived from a dataset representing the experiences of eighty-eight countries are examined further through case study analysis of the seven societies most often discussed in relation to consociation: Austria, Belgium, Canada, the Netherlands, Northern Ireland, South Africa, and Switzerland. The components of consociation are found to promote lasting peace in divided societies most successfully when combined with additional incentives for the encouragement of cross-cutting cleavages and shared loyalties.

**Party Systems and Voter Alignments Revisited** Lauri Karvonen, Stein Kuhnle, 2003-09-02 A timely study of Lipset and Rokkan's classic work, this book examines the significance of the original volume for the history of political sociology and assesses its theoretical and empirical relevance to the present day.

***Austria, 1945-1995*** Kurt Richard Luther, Peter Pulzer, 2018-12-13 First published in 1998, this is the only up-to-date English language work which seeks to assess the whole of the post-war Austrian experience in the light of the latest research using a multi-disciplinary approach by historians, political scientists, economists, international relations specialists, and literary historians. It is addressed not only to specialists in Austrian affairs but also to studies and scholars concerned with the evaluation of small democracies, their place in an integrated continent, and the shape of post-Communist Central Europe. The formative first few decades of the Second Republic are reassessed in four contributions: analysis of the key actors and events involved in the genesis of post-war state; the activities of Karl Renner's first coalition government; how tensions regarding Austrian identity were played out in post-war literature; and of the competing domestic and superpower perceptions of Austria's fledgling neutrality.

***CHRISTIAN DEMOCRACY IN EUROPE*** David Hanley, 1996-01-01 Assesses the development of Christian democracy on the most durable political movements in Europe.

**Courts and Consociations** Christopher McCrudden, Brendan O'Leary, 2013-02-21 Courts and Consociations examines power sharing agreements, their legitimacy, and their compatibility with human rights law. Providing a clear, accessible introduction to the political science and human rights law on the issue, the book is an invaluable guide to all those engaged with transitional justice, peace agreements, and human rights.

**From Party Politics to Personalized Politics?** Gidon Rahat, Ofer Kenig, 2018 This volume examines two major developments in contemporary democratic politics: the change in party-society linkage and political personalization, and their relation to each other.

**Enhanced Cooperation and European Tax Law** Caroline Heber, 2021 This book explores how Member States can introduce secondary EU law via the enhanced cooperation mechanism, which is only binding among these Member States. The book also develops an approach to the limits non-participating Member States face in ensuring that their actions do not impede the implementation of enhanced cooperation.

**Research Handbook on New Frontiers of Equality and Diversity at Work** Klarsfeld, Alain, Knappert, Lena, Kornau, Angela, Ng, Eddy S., Ngunjiri, Faith W., 2022-01-18 Spanning five continents, this cutting-edge book provides a thorough international overview of equality, diversity, and inclusion at work.
