Politics Of Development And Women In Afghanistan:

Politics of Development and Women in Afghanistan Hafizullah Emadi,1997 Dynamics of Political Development in Afghanistan H. Emadi,2010-10-18 This book examines how dependent development and struggles for power within and outside the state apparatus led to formation of alliances with imperial powers and how the latter used these alliances to manipulate political development in Afghanistan to their own advantage

A New Politics of Heritage Reconstruction in Afghanistan Constance Wyndham,2023-12-22 A New Politics of Heritage Reconstruction in Afghanistan investigates the politics of cultural heritage preservation in Afghanistan between 2008 and 2015 Based on several periods of ethnographic fieldwork and the author's direct employment on several internationally sponsored heritage projects this book studies the new and complex intersections between cultural heritage and politics in Afghanistan Wyndham argues that a particular configuration of heritage and politics has emerged after the destruction of the Buddhas at Bamiyan and demonstrates how the characteristics of this post Bamiyan heritage paradigm are revealed through a number of case studies of internationally sponsored heritage work These case studies reveal how politics and heritage are currently configured across a diverse range of governments state and non state actors NGOs individuals and forms of expertise and why such intersections matter The book responds to a call from across the discipline of Heritage Studies to look more closely at the relationships between heritage power and politics A New Politics of Heritage Reconstruction in Afghanistan provides a fascinating case study on the intersection of heritage and politics that will be of interest to students and scholars of heritage as well as to professionals working on heritage preservation both within and outside of government

Afghanistan Jonathan L. Lee,2022-03-08 A colossal history of Afghanistan from its earliest organization into a coherent state up to its turbulent present Located at the intersection of Asia and the Middle East Afghanistan has been strategically important for thousands of years Its ancient routes and strategic position between India Inner Asia China Persia and beyond has meant the region has been subject to frequent invasions both peaceful and military As a result modern Afghanistan is a culturally and ethnically diverse country but one divided by conflict political instability and by mass displacements of its people In this magisterial illustrated history Jonathan L Lee tells the story of how a small tribal confederacy in a politically and culturally significant but volatile region became a modern nation state Drawing on more than forty years of study Lee places the current conflict in Afghanistan in its historical context and challenges many of the West's preconceived ideas about the country Focusing particularly on the powerful Durrani monarchy which united the country in 1747 and ruled for nearly two and a half centuries Lee chronicles the origins of the dynasty as clients of Safavid Persia and Mughal India the reign of each ruler and their efforts to balance tribal ethnic regional and religious factions the struggle for social and constitutional reform and the rise of Islamic and Communist factions Along the way he offers new cultural and political insights from Persian histories the memoirs of Afghan government officials British government and India Office archives and recently released CIA reports and Wikileaks documents He also

sheds new light on the country's foreign relations its internal power struggles and the impact of foreign military interventions such as the War on Terror

Afghanistan: Politics, Elections, and Government Performance, 2009 In the context of a review of U S strategy in Afghanistan during September November 2009 the performance and legitimacy of the Afghan government figured prominently In his December 1 2009 speech announcing a way forward in Afghanistan President Obama stated that the Afghan government would be judged on performance and The days of providing a blank check are over The policy statement was based in part on an assessment of the security situation furnished by the top commander in Afghanistan General Stanley McChrystal which warned of potential mission failure unless a fully resourced classic counterinsurgency strategy is employed That counterinsurgency effort is deemed to require a legitimate Afghan partner The Afghan government's limited writ and widespread official corruption are believed by U S officials to be helping sustain a Taliban insurgency and complicating international efforts to stabilize Afghanistan At the same time President Hamid Karzai has through compromise with faction leaders been able to confine ethnic disputes to political competition enabling his government to focus on trying to win over those members of the ethnic Pashtun community that support Taliban and other insurgents

Women and Politics Malliga Och, 2023-02-14 Focusing on the distinct identities and diverse lived experiences of women in a wide range of countries and cultures this book provides a comprehensive overview of women in local regional and national politics around the world Woman and Politics takes on the historical challenges women have and continue to face and the victories they have achieved in political cultures and structures around the world The introduction walks readers through the key issues pressing concerns and foremost questions that researchers confront in their studies of women in various political roles across the globe The remainder of the book divided into eight chapters covers such topics as women's suffrage the status of women in politics today women as national leaders barriers to women's political representation and others Leading experts and emerging scholars come together in this volume to ask and provide answers to the question of why gender parity is so important in politics They answer that only women who as a group have a distinct identity and lived experiences that differ from men's collective identities and interests can accurately represent themselves both at home and on the world stage

Afghanistan's Political Stability Ahmad Shaye Qassem, 2016-03-16 Political stability has been a central theme of policy for all governments and political systems in the history of modern Afghanistan Since its inception in the mid nineteenth century the country experimented with a diverse succession of political systems and state ideologies matched by few other countries political histories In the span of less than nine decades since independence in 1919 the Afghan state was substantially restructured at least a dozen times This volume looks at Afghanistan's historic relations with Central and South Asia ethno nationalism and development Soviet occupation and transformation of relations with Pakistan stability of the Islamic State and regional cooperation It examines how Afghanistan's different political systems reformed and readjusted policies to make them more conducive to political stability Yet political stability at best has

remained a dream unrealized in Afghanistan **The Oxford Handbook of Women, Peace and Security** Sara E. Davies, Jacqui True, 2019 Passed in 2000 the United Nations Security Council Resolution 1325 and subsequent seven Resolutions make up the Women Peace and Security WPS agenda This agenda is an international policy framework addressing the gender specific impacts of conflict on women and girls including protection against sexual and gender based violence promotion of women s participation in peace and security processes and support for women s roles as peace builders in the prevention of conflict and rebuilding of societies after conflict The handbook addresses the concepts and early history behind WPS international institutions involved with the WPS agenda the implementation of WPS in conflict prevention and connections between WPS and other UN resolutions and agendas *Special Inspector General for Afghanistan Reconstruction (SIGAR)* Arnold Fields, 2010-10 In Afghanistan the U S has begun to implement the new strategy articulated by Pres Obama in Dec 2009 The U S military and civilian surge is intended to create an 18 month window of opportunity to strengthen the Afghan government s ability to provide for its security and deliver essential services to its people The U S gov t needs to improve the way it designs and implements reconstruction programs More attention must be paid in these 4 areas matching the appropriate human and financial resources to achieve policy objectives developing metrics to measure project and program results to ensure that reconstruction goals are being met providing better oversight of contractors and increasing efforts to deter corruption **Afghan Women** Elaheh Rostami-Povey, 2013-07-04 Through years of Taliban oppression during the US led invasion and the current insurgency women in Afghanistan have played a hugely symbolic role This book looks at how women have fought repression and challenged stereotypes both within Afghanistan and in diasporas in Iran Pakistan the US and the UK Looking at issues from violence under the Taliban and the impact of 9 11 to the role of NGOs and the growth in the opium economy Rostami Povey gets behind the media hype and presents a vibrant and diverse picture of these women s lives The future of women s rights in Afghanistan she argues depends not only on overcoming local male domination but also on challenging imperial domination and blurring the growing divide between the West and the Muslim world Ultimately these global dynamics may pose a greater threat to the freedom and autonomy of women in Afghanistan and throughout the world **The Politics of Gender** Yoke-Lian Lee, 2010-10-18 This new title in the Politics of series addresses the major theme of the politics of gender Chapters on a variety of issues contributed by experts in the field of gender include Human Trafficking and EU Law Gender in International Relations the Gender Politics of Philosophy Political Theory the Construction of Masculinity in Hollywood Movies the Politics of Law and the Politics of Mainstreaming Gender in the Peace and Security Agenda of the African Union An A Z glossary offers supplementary information on key terms with entries including abortion Commission on the Status of Women ecofeminism equal access human rights migration population control and sex tourism **The Politics of State Intervention** Shireen Burki, 2013-08-22 The Politics of State Intervention Gender Politics in Pakistan Afghanistan and Iran examines how three culturally and religiously interconnected neighboring

states have sought to regulate the lives of their female populace in order to gauge how successful or unsuccessful these efforts have been at the grassroots level Utilizing a historical framework it explores the gender specific policies of these states to assess whether or not shared cultural religious and social characteristics translate into similar gender policies and outcomes across borders and if not why Through comparison it conclusively identifies social and political roadblocks that threaten both the long term prospects and security for all females as well as factors that tend to somewhat ameliorate detrimental tendencies

Afghan Women and Girls United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Near Eastern and South and Central Asian Affairs,2010 *Legalization of International Law and Politics*

Henry (Chip) Carey,Stacey M. Mitchell,2023-01-01 This book provides an expanded conceptualization of legalization that focuses on implementation of obligation precision and delegation at the international and domestic levels of politics By adding domestic politics and the actors to the international level of analysis the authors add the insights of Kenneth Waltz Graham Allison and Louis Henkin to understand why most international law is developed and observed most of the time However the authors argue that law breaking and law distorting occurs as a part of negative legalization Consequently the book offers a framework for understanding how international law both produces and undermines order and justice The authors also draw from realist liberal constructivist cosmopolitan and critical theories to analyse how legalization can both build and or undermine consensus which results in either positive or negative legalization of international law The authors argue that legalization is a process over time and not just a snapshot in time
